Sullivan,2006-01-01 Colombian born Fernando Botero b 1932 is a painter sculptor and draftsman renowned for his extravagantly rounded figures combining the polish and excess of Spanish colonial baroque with the social realism of the Mexican muralists Their humorous exaggeration belies the more serious content of Botero s work commentary on colonialism political instability in Latin America and the vernacular artistic traditions of the region as well as European art history Accompanying the artist s first American retrospective in over thirty years The Baroque World of Fernando Botero is the most extensive study of his life and work to date Drawn exclusively from Botero s private collection the 100 works featured in this book including previously unpublished paintings and drawings represent the full scope of his oeuvre from a uniquely personal perspective Many of these portraits of friends and family members and remembered scenes have remained in the artist s possession since their creation while others he has bought back over the years as markers of significant developments in his career Three essays examine the artist s creative life from the aesthetic environment in which Botero developed his unique style to his catalyzing influence on the Colombian art world of the 1960s and 70s Fernando Botero, Recent Sculpture Fernando Botero,1982 **Fernando Botero, Recent Works** Fernando Botero,Milwaukee Art Center,1967 **Fernando Botero** ,1982 **Fernando Botero** Fernando Botero,1993 September 14 November 6 1993 **Fernando Botero** Fernando Botero,2007 Botero Cameo Fernando Botero,Jose Maria Faerna,1997-02 Best known for his voluptuous otherworldly figures Colombian artist Fernando Botero sees distortion of forms as the essence of art With an engaging text and reproductions of more than 60 of his works this book provides readers with compelling insight into Botero s life career and his significant role in contemporary art 62 illustrations 54 in color **Botero** Fernando Botero,Rudy Chiappini,2007 Botero is one of the most popular artists alive today and is exhibited in countless institutions throughout the world This new volume is dedicated to this great Latin American artist and includes his sculptures and the paintings inspired by Abu Ghraib **Fernando Botero** Fernando Botero,1983 Fernando Botero Edward J. Sullivan,Fernando Botero,1993 The drawings and watercolors handsomely illustrated in this volume provide a comprehensive overview of Fernando Botero s work in this media which has seldom been reproduced An introductory essay by Prof Edward J Sullivan of New York University and biographical notes complete the catalogue and provide a framework for these superb but less well known works by Botero With consummate technical ability this important twentieth century artist has revived the use of ancient materials sanguine charcoal sepia pencil wash and ink Most of his drawings are executed on paper sometimes on canvas with

great attention paid to the quality of the support Botero uses a variety of drawing techniques Some pieces are preparatory drawings for entire compositions usually quick sketches of a drawing or sculpture but the majority are independent works of art that rarely if ever repeat a composition the artist has executed in oils Botero draws with affection Each stroke of the pen or brush is applied with the knowledge that it will create another small but important part of the rich world populated by sensuous figures that has evolved throughout the years in the imagination of the artist These drawings compel us to confront Botero s art and personality even more directly than in his paintings In examining them with care we are privileged to receive a glimpse into the creative mind and fertile imagination of this master Looking at his drawings we can almost follow the genesis of the artist s ideas It is as if we were seated at his side in intimate dialogue with him watching his hand create the simulacra of his inner imagination **Fernando Botero** Fernando Botero,Germán Arciniegas,1977 *Fernando Botero* , **Fernando Botero, Recent Sculpture, April 30-May 29, 1982** Marlborough Gallery,1982 *James Rosati, Recent Sculpture* James Rosati,1981 **New York Magazine** ,1992-11-02 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
