Festering Lilies:

Lilies That Fester John Bossert Brown Jr., 2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been sixty four million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship

Literature and the Senses Annette Kern-Stähler, Elizabeth Robertson, 2023-07-06 This is an open access title available under the terms of a CC BY NC ND 4.0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations Literature and the Senses critically probes the role of literature in capturing and scrutinizing sensory perception Organized around the five traditional senses followed by a section on multisensoriality the collection facilitates a dialogue between scholars working on literature written from the Middle Ages to the present day The contributors engage with a variety of theorists from Maurice Merleau Ponty to Michel Serres to Jean Luc Nancy to foreground the distinctive means by which literary texts engage with open up or make uncertain dominant views of the nature of perception Considering the ways in which literary texts intersect with and diverge from scientific epistemological and philosophical perspectives these essays explore a wide variety of literary moments of sensation including the interspecies exchange of a look between a swan and a young Indigenous Australian girl the sound of bees as captured in an early modern poem the noxious smell of the Great Stink that recurs in the Victorian novel the taste of an eggplant registered in a poetic performance tactile gestures in medieval romance and the representation of a world in which the interdependence of human beings with the purple hibiscus plant is experienced through all five senses The collection builds upon and breaks new ground in the field of sensory studies focusing on what makes literature especially suitable to engaging with contributing to and challenging our perennial understandings of the senses

Shakespeare's Sonnets Kenneth Muir,2013-09-13 This edition first published in 1979 Discussing Shakespeare s sonnets in relation to sonnets by Italian French and English poets Kenneth Muir shows how they were influenced by Shakespeare s reading of Sidney Erasmus and Ovid and discusses their art in terms of construction sound patterns and imagery He considers the relationship of the sonnets to Shakespeare s dramatic writing while stressing the dramatic element in the sonnets themselves Finally he surveys the changing attitudes to the sonnets during the last three centuries **The Sonnets of Shakespeare Solved, and the Mystery of His Friendship, Love, and Rivalry Revealed** Henry Brown (of Newington Butts.),1870 **The sonnets of Shakespeare solved** Henry Brown,1870 **The Routledge History of the Senses**

Andrew Kettler,Will Tullett,2025-06-26 The Routledge History of the Senses presents readers with an overview of the field As well as pointing to directions for the future of the discipline it illustrates the extent to which the subject offers a considerable space for the exploration of diverse historical topics through the lens of sensory experience The handbook brings together essays and case studies from some of the leading academics on the history of the senses Together they not only chart topics and arguments in existing scholarship but introduce fresh methodologies for future analyses Specifically the chapters collectively show that the senses of the historical body often portray the intensity of the invasion of capital upon the functions of the mind throughout global history As a global history this work arrives at a time when many sensory historians are looking for a touchstone for moving beyond the often heavily Western frameworks that dominate the existing literature on the historical senses Not only will this book appeal to students and scholars of the history of senses visual studies art history food studies and many of the social sciences but individual chapters also offer useful reading material for a wide range of history modules and contemporary topics

Fool's Mate J.D. Frodsham.,2014-08-20 Rafe ffoxe Gentry a snooty upper class Englishman working for GTG a crooked multinational based in the mythical Australian state of Galahnia is a rakish womaniser whose nightly Got Laid Parades terminate abruptly when he falls for his Russian wives beautiful and eccentrically brilliant young niece Venetia Put in charge of a visiting delegation of Russians negotiating a commercial agreement between GTG and the USSR with Venetia as interpreter Rafe finds the Soviet delegates more interested in booze nightclubs and women than in discussions During negotiations in Singapore the riotous behaviour of the sozzled Soviets leads to threatening Cold War complications major disaster being narrowly averted by Venetias ingenuity Rafe returns triumphantly home only to find himself in even greater trouble as the situation becomes unexpectedly perilous homicidal and dismayingly revelatory His

affair with Venetia once wildly sexual and heart breakingly romantic now degenerates into a series of despairing battles between love and hate In turn sensual brutal satirical and witty this riotous black comedy depicts the greed corruption and madness of the H bomb eighties and spares no one including its madcap hero in its scathing portrait of an era as unrestrained and vicious as it was violent and grasping

Delayed Rays of a Star Amanda Lee Koe,2019-07-09 An NPR Best Book of the Year A dazzling debut novel following the lives of three groundbreaking women Marlene Dietrich Anna May Wong and Leni Riefenstahl cinema legends who lit up the twentieth century At a chance encounter at a Berlin soir e in 1928 the photographer Alfred Eisenstaedt captures three very different women together in one frame up and coming German actress Marlene Dietrich who would wend her way into Hollywood as one of its lasting icons Anna May Wong the world s first Chinese American star playing bit parts while dreaming of breaking away from her father s modest laundry and Leni Riefenstahl whose work as a director of propaganda art films would first make her famous then infamous From this curious point of intersection Delayed Rays of a Star lets loose the trajectories of these women s lives From Weimar Berlin to LA s Chinatown from a bucolic village in the Bavarian Alps to a luxury apartment on the Champs lys es the different settings they inhabit are as richly textured as the roles they play siren victim predator or lover each one a carefully calibrated performance And in the orbit of each star live secondary players a Chinese immigrant housemaid a German soldier on leave from North Africa a pompous Hollywood director whose voices and viewpoints reveal the legacy each woman left in her own time as well as in ours Amanda Lee Koe s playful wry prose guides the reader dexterously around murky questions of identity complicity desire and difference Intimate and clear eyed Delayed Rays of a Star is a visceral depiction of womanhood its particular hungers its oblique calculations and its eventual betrayals and announces a bold new literary voice

Meditations Bede Jarrett, 2009-05-19 Without regular reminders of God and a sure routine of prayer and meditation the inner life shrivels devotion grows listless and the Sacraments can become mere habits Daily meditation is a proven remedy for such dangerous spiritual lethargy and in our challenging time it is a more important practice than ever before Originally published as *Meditations for Layfolk* this edition of *Classic Catholic Meditations* recovers the readable and insightful essays of Fr Bede Jarrett OP d 1934 who understood the need for Catholic laypeople to shape and sanctify their busy lives with brief times of devotion and focused mental prayer In these pages Fr Jarrett offers more than 120 meditations with precisely that goal in mind None are longer than 1 000 words and each one attends to some unique truth of Divine Revelation that assists the reader in personal prayer Don't know how to meditate Fr Jarrett's simple and kindly guidance is accessible for those in all walks of life and makes this time honored practice understandable for those unfamiliar with traditional Catholic forms of prayer *Classic Catholic Meditations* will calm your soul inform and enrich your faith and help you enter more deeply into prayer Why not begin today

Office Politics Wilfrid Sheed, 2024-09-10 A masterpiece One of the few genuinely comic novels since *Lucky Jim* Elaine Dundy Ever since college George Wren has dreamed of working at *The Outsider* the prestigious weekly edited by his hero the suave English expat Gilbert Twining So when George sees a listing for a junior editor he trades in his job at CBS for half the salary and a ringside seat in the unexpectedly cutthroat arena of a small circulation highprow little magazine To George's surprise and dismay *The Outsider* is seething with malcontents and mutineers at least according to Twining who keeps cornering George for after work martinis pouring out his anxieties professional and otherwise while George's wife Matilda and baby son wait for him back in Queens Is Twining paranoid Is he insane Or are George's new office mates truly plotting an insurrection And if so what's all of it got to do with George An indelible satire of 1960s intellectual New York *Office Politics* is also a celebration of that endangered species the office at its pettiest and most idealistic as the proving ground where so much of grownup life takes place

The sonnets of Shakespeare solved Henry Brown (of Newington Butts.), 1870

Had She But Known Charlotte MacLeod, 2016-12-06 Before Agatha Christie there was America's Mistress of Mystery This is the story of her life and creative legacy from the butler who did it to Batman In the decades since her death in 1958 master storyteller Mary Roberts Rinehart has often been compared to Agatha Christie But while Rinehart was once a household name today she is largely forgotten The woman who first proclaimed the butler did it was writing for publication years before Christie's work saw the light of day She also practiced nursing became a war correspondent and wrote a novel *The Bat* that inspired Bob Kane's creation of Batman Born in Allegheny City Pennsylvania before it was absorbed into Pittsburgh and raised in a close knit Presbyterian family Mary Roberts was at once a girl of her time dutiful God fearing loyal and a quietly rebellious spirit For every hour she spent cooking cleaning or sewing at her mother's behest while her frail younger sister had fun Mary eked out her own moments of planning dreaming and writing But becoming an author wasn't on her radar yet Bestselling mystery writer Charlotte MacLeod grew up on Rinehart's artfully

crafted novels such as the enormously successful *The Circular Staircase* cozier before the concept existed After years of seeing Christie celebrated and Rinehart overlooked MacLeod realized that it was time to delve into how this seemingly ordinary woman became a sensation whose work would grace print stage and screen From Rinehart's grueling training as a nurse and her wartime interviews with a young Winston Churchill and Queen Mary to her involvement with the Blackfoot Indians and her work as doctor's wife mother of three playwright serialist and novelist this is the unforgettable story of America's Grande Dame of Mystery *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Argument and Authority in Early Modern England** Conal Condren, 2006-03-17 A radical reappraisal of the character of moral and political theory in early modern England *Unto the Breach* Patricia A. Cahill, 2008-11-13 The Elizabethan theatrical repertory was enthralled with the era's martial discourses and beset by its blinding visions In her richly historicized account of the theater's engagement with modern warfare Patricia Cahill juxtaposes the new military technologies and new modes of martial abstraction with the performance of war suffused dramas by Shakespeare Marlowe and their contemporaries Equally important she shows that even as early modern playwrights engaged cutting edge military practices they routinely trafficked in phenomena resistant to the new rationalities conjuring up a domain of eerie sounds uncanny figures and haunted temporalities By going beyond the usual protocols of historicist criticism and emphasizing the complex dynamics of theatrical modes of address this wide ranging study investigates the representation of early modern war trauma and recovers for us a compelling sense of the intimate relationship between affect and intellect on the Renaissance stage Intervening in ongoing conversations about the drama's role in shaping the

cultural imaginary Unto the Breach shows that in an era of escalating militarization England's first commercial theaters offered their audiences something of incalculable value namely a space for the performance and working through of what might otherwise remain psychically unbearable in war's violence Three Short Novels 1955-1965 William Palmer, 2018-08-17 In the spring of 2018 at the age of eighty one the author attacked a stack of manuscripts that had sat on various shelves for over fifty years Three short novels some stories and many fragments made a dusty pile many inches high Privateer the earliest novel had been written while at Harvard and published in the literary magazine MSS in 1974 In this work an armed merchant ship in the aftermath of World War II sails into New York harbor to wreak havoc on the lives of a brother and sister Primo and Marie who live in a brothel by a live chicken market Zoyhaique started at Harvard and finished in the navy a novel of revolution in a South American country follows the life of Hensoldt a German with a checkered past and his coconspirators Theo and Kia started in the navy and finished at Hopkins chronicles the loves of Theo an agent working it appears for the Israelis hunting down apparent Nazis for a bounty and Kia whose relation to the Third Reich is ambiguous
