Historical Studies VI: Papers Read Before the Irish Conference of Historians, 1968 A New History of Ireland, Volume VI W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration Historical Studies: V. Irish Conference of Historians, 6th (Londonderry), 1965 **Irish Historical Studies**, 1969 Vols 1 include the sections Writings on Irish history 1936 Research on Irish history in Irish universities varies slightly 1937 38 **War and Politics in Ireland, 1649-173** J. G. Simms, 1986-01-01 Nowhere is the mid 20th century historiographical revolution in Irish history better represented than in the writings of J G Simms one of the most prolific historians of this generation In a stream of books and papers from the early 1950s to his death in 1979 Simms tackled some of the most vexed and vexing questions in all Irish history the wars confiscations persecutions and politics of the later 17th century Topics such as Cromwell s sieges the Glorious Revolution and its aftermath the later passage of the infamous penal laws against Catholics are all episodes close to the heart of modern myth makers and yet all are described by Simms with fairness and exemplary clarity This is a collection of his key essays all of which remain a valuable resource for scholars of war and politics in early modern Ireland Historical Studies Theodore William Moody, 1968 *Early Medieval Ireland, 400-1200* Daibhi O Croinin, 2013-12-16 This impressive survey covers the early history of Ireland from the coming of Christianity to the Norman settlement 400 1200 AD Within a broad political framework it explores the nature of Irish society the spiritual and secular roles of the Church and the extraordinary flowering of Irish culture in the period Other major themes are Ireland s relations with Britain and continental Europe and Vikings and their influence the beginnings of Irish feudalism and the impact of the Viking and Norman invaders Splendid in sweep and lively in detail it launches the new Longman History of Ireland in fine style **Historical Studies**, 2006 Vol 1 includes papers before the 1st 2d conferences 1955 56 **Robert Winchelsey and the Crown 1294-1313** Jeffrey H. Denton, 2002-05-09 This is the first detailed study of the career of one of the most important medieval archbishops of Canterbury Robert Winchelsey sought to defend ecclesiastical rights and liberties at a time when the English Church was under constant pressure from the king and his government and he suffered suspension from office as a result of his opposition to Edward I The theme of the book is the relationship of this learned and saintly archbishop with the Crown during the last troubled years of Edward I s reign and the first equally troubled years of Edward II s reign **Historical Studies** Herbert Ludat, J. The New Cambridge Medieval History: Volume 6, C.1300-c.1415 Rosamond McKitterick,1995 The sixth volume of The New Cambridge Medieval History covers the fourteenth century a period dominated by plague other natural disasters and war which brought to an end three centuries of economic growth and cultural expansion in Christian Europe but one which also saw important developments in government religious and intellectual life and new cultural and artistic patterns Part I sets the scene by discussion of general themes in the theory and practice of government religion social and economic history and culture Part II deals with the individual histories of the states of western Europe Part III with that of the Church at the time of the Avignon papacy and the Great Schism and Part IV with eastern and northern Europe Byzantium and the early Ottomans giving particular attention to the social and economic relations with westerners and those of other civilisations in

the Mediterranean Excommunication in Thirteenth-Century England Felicity Hill, 2022-05-12 Excommunication was the medieval church's most severe sanction used against people at all levels of society. It was a spiritual, social, and legal penalty. Excommunication in Thirteenth-Century England offers a fresh perspective on medieval excommunication by taking a multi-dimensional approach to discussion of the sanction. Using England as a case study, Felicity Hill analyzes the intentions behind excommunication, how it was perceived and received at both national and local level, the effects it had upon individuals and society. The study is structured thematically to argue that our understanding of excommunication should be shaped by how it was received within the community as well as the intentions of canon law and clerics. Challenging past assumptions about the inefficacy of excommunication, Hill argues that the sanction remained a useful weapon for the clerical elite, bringing into dialogue a wide range of source material, allowing effectiveness to be judged within a broader context. The complexity of political communication and action are revealed through public, conflicting, accepted and rejected excommunications. Excommunication could be manipulated to great effect in political conflicts and was an important means by which political events were communicated down the social strata of medieval society. Through its exploration of excommunication, the book reveals much about medieval cursing, pastoral care, fears about the afterlife, social ostracism, shame and reputation, and mass communication.

Modern England 1901-1970 Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books, articles, and standard texts on England, Ireland, Scotland, the Commonwealth, and the colonies up to 1970. This handbook will serve as a useful guide to scholars, teachers at all levels, advanced students, and the general reader interested in examining the period in some depth.

Modern England, 1901-1984 Alfred F. Havighurst, 2004-07-08 The most comprehensive bibliography of printed books, articles, and standard texts on twentieth-century England.

Fake Dónal O'Sullivan, 2023-10-02 Throughout history, forgers have attempted to fabricate documents to manipulate the historical record. The book explores the most egregious cases, their intent, effectiveness, exposure, and significance, from the Donation of Constantine to the Protocols of the Elders of Zion to the Hitler Diaries. Ironically, forgeries have helped advance the discipline of history. Case studies trace how scholars worked to reveal the truth behind bogus manuscripts while developing new tools and standards for accuracy and authenticity. In the age of fake news and digital editing software, the spectacular history of fraud in print has never been more relevant.

The Medieval Irish Kings and the English Invasion Seán Ó Hoireabháird, 2024-10-04 When Henry II accepted the Leinster king Diarmait Mac Murchada as his liegeman in 1166, he forged a bond between the English crown and Ireland that has never been undone. Ireland was to be changed forever as a result of the momentous events that followed, so much so that it is normal for professional historians to specialise in either the pre- or post-invasion period. Here, for the first time, is an account of the impact of the English invasion on the Irish kingdoms in the context of their strategies across the whole twelfth century. Ireland's leading men battled for spheres of influence, for recognition of their hegemonies, and ultimately for the coveted title of king of Ireland. But what did it mean to be

the king of Ireland when no one dynasty had secured their hold on it This book takes a close look at each pretender asking what it meant to them and whether the political dynamics surrounding the role had an impact on the course of the invasion itself
