The Historical Dictionary of Lithuania attempts to introduce the non specialist to the most important mileposts of Lithuania s past **Historical Dictionary of Poland, 966-1945** Halina Lerski, 1996-01-19 The first authoritative comprehensive

historical dictionary of Poland in English this volume includes over 2 000 entries on people events places and terms

important to Poland's history from 966 to 1945. Entries include English and Polish language bibliographic sources. The student of Polish history seeking specific information on a person or event in medieval times, the troubled era leading to the late 18th century partitions of Poland, and the Polish nationalist struggles before 1919, reborn Poland in the interwar years, or the trauma of World War II will be amply rewarded by the accurate, concise information provided in this unique historical dictionary. Each of the alphabetically arranged entries is followed by pertinent bibliographic sources in both English and Polish languages. A list of abbreviations, a note on the Polish alphabet, and a series of historical maps precede the entries. Helpful cross references are provided throughout the text and in the index. A general bibliography precedes the index. After five years of work, George Lerski completed the original manuscript in 1992, shortly before his untimely death. The special editing subsequently undertaken preparatory to publication has remained faithful to the original work, its concept, organization, and purpose.

Historical Dictionary of Ukraine Ivan Katchanovski, Zenon E. Kohut, Bohdan Y. Nebesio, Myroslav Yurkevich, 2013-07-11

Although present-day Ukraine has only been in existence for something over two decades, its recorded history reaches much further back for more than a thousand years to Kyivan Rus. Over that time it has usually been under control of invaders like the Turks and Tatars, or neighbors like Russia and Poland, and indeed it was part of the Soviet Union until it gained its independence in 1991. Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path, although it remains uncertain of which way to turn. Nonetheless, as one of the largest European states with considerable economic potential, it is not a place that can be readily overlooked. The problem is, or at least was, where to find information on this huge modern Ukraine, and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition, and now even more so with this second edition. It now boasts a dictionary section of about 725 entries, these covering the thousand years of history, but particularly the recent past, and focusing on significant persons, places, and events, political parties and institutions, as well as more broadly international relations, the economy, society, and culture. The chronology permits readers to follow this history, and the introduction is there to make sense of it. It also features the most extensive and up-to-date bibliography of English language writing on Ukraine.

Historical Dictionary of Belarus Grigory V. Ioffe, Vitali Silitski Jr., 2018-08-15 Belarus is one of fifteen successor states of the former Soviet Union. It's the only post-Soviet state that is in full control of its territory and has no territorial conflicts with its neighbors. It's squeezed between Russia and the European Union. Belarus had never been an independent nation prior to the Soviet Union's disintegration, and its identity is still evolving. This third edition of Historical Dictionary of Belarus contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 500 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Belarus.

**Historical Dictionary of the Gypsies (Romanies)** Donald Kenrick, 2007-07-05 Originating in India, the Gypsies arrived in Europe around the 14th century.

spreading not only across the entirety of the continent but also immigrating to the Americas The first Gypsy migration included farmworkers blacksmiths and mercenary soldiers as well as musicians fortune tellers and entertainers At first they were generally welcome as an interesting diversion to the dull routine of that period Soon however they attracted the antagonism of the governing powers as they have continually done throughout the following centuries The second edition of the *Historical Dictionary of the Gypsies Romanies* seeks to end such prejudice by clarifying the facts about this nomadic people Through a list of acronyms a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics the history of the Gypsies and their culture is told *Historical Dictionary of the Holocaust* Jack Fischel,1999 Provides the reader with the facts of the Holocaust with an emphasis on the central role Jews played in the Nazi genocide Intended for the non specialist with some background in history it will also be of use as an accessible reference tool for more advanced research Extensive introduction comprehensive bibliography and a chronology further supplement the usefulness of this volume **Historical Dictionary of the Russian Federation** Robert A. Saunders,2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of *Historical Dictionary of the Russian Federation* provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of *Historical Dictionary of the Russian Federation* contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia **Historical Dictionary of the Reformation and Counter-Reformation** Michael Mullett,2010-04-30 The Protestant Reformation of the 16th century has traditionally been viewed as marking the onset of modernity in Europe It finally broke up the federal Christendom of the middle ages under the leadership of the papacy and substituted for it a continent of autonomous and national states independent of Rome The *Historical Dictionary of the Reformation and Counter Reformation* provides a comprehensive account of two chains of events the Protestant Reformation and the Catholic Counter Reformation that have left an enduring imprint on Europe America and the world at large This is done through a chronology an introductory essay a bibliography and over 300 cross referenced dictionary entries on persons places countries institutions doctrines ideas and events *Historical Dictionary of Medieval Russia* Lawrence N. Langer,2021-09-15 The emergence of Russia or Rus as it was known from a group of scattered Slavic tribes into one of the most powerful states of medieval and modern European history is an extraordinary story It is a story filled with much struggle as there were historical periods when Russia almost ceased to exist as it underwent invasion and

conquest Historical Dictionary of Medieval Russia Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 300 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about medieval Russia *Historical Dictionary of Organized Labor* J.
