## Letters From Moscow:

**Letters from Moscow** Landon Pearson, 2003 From 1980-1983 the author's husband Geoffrey Pearson was Ambassador to the Soviet Union. The political climate of the early 1980s was characterized by an intensification of the cold war and polarization of ideologies between east and west. During this time Landon Pearson wrote regular letters both to sort through her impressions of Soviet life and to communicate with friends and family back in Canada. This volume is published in cooperation with the Centre for Research on Canada-Russia Relations. Landon Pearson has dedicated most of her adult life to the betterment of the lives of children from her own 5 to the less fortunate in the far flung corners of the globe while also carrying out the duties of a senior diplomat's wife and later those of a Senator.

**Letters from Moscow** Elena Veronica Hall, 2021-11-04 Letters from Moscow: A Soul's Journey of Love is a gripping heartrending tale about the bounds of human love, empathy and compassion. A young woman loses her faith in God and humanity after suffering the tragic deaths of three close people in her life. Embittered by grief and the circumstances of her struggling lot as a server and caregiver for her ailing mother, she aims to change her future through a Faustian bargain with a much older man. Ignoring the moral implications of such a perilous path to success and comfort, she takes her studies abroad to St Petersburg, Russia, where she attends a university to gain her PhD. When almost in grasp of her goal, Exillien's soul is tested as tragedy strikes her life again after witnessing the scene of a brutal murder involving her host family. Hoping to escape the trauma of that incident and refusing to help, she flees to Moscow to resume her studies at another university. Upon landing in her new environment, she is suddenly plagued by a mysterious illness. Stopped in her tracks by fate, she begins to recount the story of her life through soul-baring letters to a man with whom she has fallen hopelessly in love. Through deep introspection, she reveals the tragic events that closed her heart against the Lord and her fellow man, along with her innermost secrets. Grappling with vertigo and her newfound fragility by herself in the busy city of Moscow, she finds empathy in her encounters with the Russian people, with whom she develops an enduring kinship. Her spiritual awakening and redemption come when she finds the courage to face her fears and transcends her impossible love. Cleansed by Christ's compassion and a new vision, the beauty of her soul is revealed.

Letters from Moscow Anja Alanne, 1988 *Letters from Russian Prisons* International Committee for Political Prisoners, 1925

Letters From Russia 1919 Peter Demianovich Ouspensky, 1978-01-01 From 1907 until 1913 Ouspensky wrote fairly regularly for a Russian newspaper, mostly on foreign affairs. At the same time, he was working on various books based on the idea that our consciousness is an incomplete state, not far removed from sleep, and also that our three-dimensional view of the universe is inadequate and incomplete. Hoping that answers to some of the questions he had posed might have been found by more ancient civilisations, he made an extensive tour of Egypt, Ceylon and India. On his return, Ouspensky learnt that Russia was at war. For a time, impending events did not prevent him from lecturing about his travels to very large audiences in St Petersburg and Moscow. But in 1917, while revolution was spreading through all the Russias and

the Bolsheviks were establishing their reign of terror Ouspensky was living in various temporary quarters in South Russia in conditions of great danger and hardship Until he managed to reach Turkey in 1920 he and those around him were completely cut off from the outside world unable to receive or send news even as far as the next town constantly on the alert to avoid being picked up and murdered by the Bolsheviks In 1919 Ouspensky somehow found a way to send a series of articles to the New Age which under the skilful editorship of A R Orage was the leading literary artistic and cultural weekly paper published in England These five articles appeared in six instalments as Letters from Russia They give a detached but horrific description of the total breakdown of public order and are reprinted here for the first time A remarkable feature of the Letters is that while the revolution was in progress and the Bolshevik regime not fully established Ouspensky foresaw with unusual clarity the inevitability of the tyranny described by Solzhenitsyn fifty years later During the winter of 1919 and the spring of 1920 C E Bechhofer afterwards known as Bechhofer Roberts was observing events in Russia as a British correspondent who spoke Russian and had previous experience of the country and people He had met Ouspensky before 1914 both in Russia and in India he was a regular contributor to the New Age and had himself translated the first of Ouspensky's Letters from Russia written in July 1919 In Bechhofer's book In Denikin's Russia the author describes the week or two he spent with Ouspensky and Zaharov above a sort of barn at Rostov on the Don With its pathos and humour this passage makes a fitting epilogue to Ouspensky's smuggled Letters

Winning Women's Hearts and Minds Diana Cucuz, 2023-01-31 Throughout the Cold War Soviet citizens had limited access to US life and culture Amerika a glossy Russian language magazine similar to Life provided a rare exception Produced by the United States Information Agency USIA America's first peacetime propaganda organization Amerika was used to influence the Soviet public and convince women in particular that an American style consumer culture and conservative gender norms could better their lives Winning Women's Hearts and Minds relies on USIA archives issues of Amerika and American women's magazines such as the Ladies Home Journal to show how during the postwar period USIA officials deployed idealized images of American women as happy fulfilled and feminine wives mothers and homemakers This study analyses how Amerika was used to appeal to Soviet women Portrayed in the US media as babushkas they were considered unfeminine overworked and deprived of consumer goods and services by a repressive regime Diana Cucuz provides a gendered analysis of the USIA and of Amerika whose propaganda campaign relied heavily on postwar conservative gender norms and images of domestic contentment to convey positive messages about the American way of life in the hopes of undermining the Soviet regime Winning Women's Hearts and Minds sheds light on the significance of women gender and consumption to international politics during the Cold War

Maslenikov,2023-11-15 The Frenzied Poets Andrey Biely and the Russian Symbolists delves into the complexities of the Symbolist movement in Russia a pivotal yet often overlooked aspect of the nation s cultural history This study primarily focuses on Andrey Biely one of the leading figures of the Russian Symbolists offering a deep exploration of his life works and the Symbolist ideology Symbolism in Russia is shown not as a singular movement but as a collection of diverse intersecting currents making Biely s contributions all the more important in understanding the nuances of the era The work also reflects on how Biely s personal experiences shaped his creative output and influenced the broader Symbolist movement which sought to unveil the absolute truth through symbols and artistic intuition This study examines Biely s role within the larger Symbolist community highlighting his interactions with other key figures and providing insight into the inner workings of the movement Through the study of Biely s poetry and life the book attempts to illuminate the Symbolist mentality and its emphasis on rhythm intuition and rebellion against traditional forms The translated verses aim to capture the essence and rhythm of Biely s original Russian poetry focusing on the inner flow of the verse rather than conventional rhyme The book s nonchronological structure allows for a multifaceted view of Biely offering a more comprehensive portrait of his literary contributions and his impact on Russian culture during this turbulent period This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give
