Leviticus And Numbers:

Leviticus, Numbers (Understanding the Bible Commentary Series) W. H. Jr. Bellinger, 2012-07-01 The Understanding the Bible Commentary Series helps any reader navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the easily understandable truth found in this commentary series. The Books of Leviticus and Numbers Thomas Römer, 2008. A long time rather neglected by biblical scholars, the books of Leviticus and Numbers have recently, after the breakdown of the traditional documentary models, shifted into the centre of the Pentateuchal research. According to the new consensus, the Torah came into existence during the Persian period as a founding document of nascent Judaism. The books of Leviticus and Numbers contain numerous texts which reflect the very last stages of the formation of the Pentateuch in the Persian period, revealing at the same time that an urge was felt for a continuing actualization and interpretation of the mosaic Law. This volume contains papers about the books of Leviticus and Numbers presented at the Colloquium Biblicum Lovaniense in 2006. The first part gathers essays dealing with general questions of origin, structure, and function of Leviticus and Numbers in the whole of the Pentateuch. The second part is dedicated to more particular issues of these books, covering the fields of textual criticism, history of redaction, synchronical analysis, and reception history. With more than 30 papers written by international specialists, the present collection is a valuable contribution to the progress of scholarship on these two biblical books. **Shepherd's Notes:**

Leviticus-Numbers Paul R. House, 1999-01-01. You grew up using the well-known black and yellow striped Cliff's Notes to help you grasp everything from great literary works to algebra. Unfortunately, what Cliff forgot was the greatest literary work in history: the complete Holy Bible. Enjoy the ease of understanding the Bible like never before, book by book. Shepherd's Notes helps readers learn about the inspired authors of the Bible books and when and where they were first penned. Each Bible book is revealed in simple, understandable steps that outline and underscore the focal points and personalities of the biblical text. You'll look to these unique books for their use in Bible studies, teaching, personal devotions, and even in sermon preparation. Christian and home schools will find Shepherd's Notes an invaluable resource. Leviticus, Numbers, Deuteronomy David Baker, Dale Brueggemann, Eugene Merrill, 2018-02-06. Leviticus-Numbers Lloyd R Bailey, 2018-05 The contrast in appreciation of Leviticus and Numbers by the synagogue on the one hand and by the church on the other is little short of astonishing The former has considered it crucial to an understanding of God and of the nature of
