A Gift for Angelina Michael Humfrey, 2010-09-01 In an attempt to find comfort after his wife's latest infidelity the journalist Carston Fielding returns from England to Manzanilla his idealised West Indian island on which he was born and spent his childhood Instead of the tropical paradise he remembers he finds hordes of tourists a violent drug fuelled culture and a profoundly discontented people Hopelessly disillusioned he prepares to return to England Then he recalls Angelina the little isolated neighbouring island which he had once heard of but never visited Hoping to discover at least an echo of the West Indies he remembers he delays his return and takes passage on a trading schooner intending to stay for no more than two or three days Angelina is an island out of time There are no hotels no tourists Happy in their own traditional way of life the people of the beautiful island have managed to escape the development all around them Carston soon learns all that is about to change An American company plans to build a hotel complex on the island ignoring the wishes of the people Preoccupied with his own misery and against his will Carston finds himself drawn into the islanders struggle to remain as they are Michael Humfrey's thorough understanding of West Indian culture enriches this unusual story Liana Martha Gellhorn, 1987 Library Journal, 1987 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The British Library General Catalogue of Printed Books, 1986 to 1987 British Library, 1988 *Brinkman's catalogus van boeken en tijdschriften*, 1996 With 1901 1910 1956 1960 Repertorium is bound Brinkman's Titel catalogus van de gedurende 1901 1910 1956 1960 Title varies slightly *Boekblad*, 1992-04 *Brinkman's cumulatieve catalogus van boeken*, 1993 Voorts een alphabetische lijst van Nederlandsche boeken in België uitgegeven **Forthcoming Books** Rose Arny, 1998 *Books in Print*, 1987 **British Book News** British Council, 1992 Includes no 53a British wartime books for young people *A Counter-History of Crime Fiction* Maurizio Ascari, 2007-09-05 This book takes a look at the evolution of crime fiction Considering criminography as a system of inter related sub genres it explores the connections between modes of literature such as revenge tragedies the gothic and anarchist fiction while taking into account the influence of pseudo sciences such as mesmerism and criminal anthropology Alice Beyond Wonderland Christopher Hollingsworth, 2009-12 Alice beyond Wonderland explores the ubiquitous power of Lewis Carroll's imagined world Including work by some of the most prominent contemporary scholars in the field of Lewis Carroll studies all introduced by Karoline Leach's edgy foreword Alice beyond Wonderland considers the literary imaginative and cultural influences of Carroll's 19th century story on the high tech postindustrial cultural space of the twenty first century The scholars in this volume attempt to move beyond the sexually charged permutations of the Carroll myth the image of an introverted man fumbling into literary immortality through his love for a prepubescent Alice Contributions include an essay comparing Dantean and Carrollian underworlds one investigating child characters as double agents in untamed lands one placing Wonderland within the geometrical and algebraic fourth
