## **Fellow Travellers A Postscript To The En:**

The Fellow-travellers, a Postscript to the Enlightenment, 1973 *Political Tourists* Sheila Fitzpatrick, Carolyn Rasmussen, 2008 For Socialists and many liberals the Soviet Union of the 1920s 1940s was the site of the great Socialist Experiment Most Australians who travelled there wrote about their extraordinary experiences and the recent opening of the Soviet archives gave access to the Soviets reactions to their visitors Collecting the research of leading historians and writers *Political Tourists* explores Soviet tourism through figures such as Eric Ashby RM Crawford Reg Ellery Neill Greenwood Esmonde Higgins Katharine Susannah Prichard Betty Roland and Jessie Street Drawing on both Australian and Soviet archives this is a unique insight into the Soviet experience in the 1920s 1940s **Einstein and the Generations of Science** Lewis Samuel Feuer, 1982 This absorbing intellectual history vividly recreates the unique social political and philosophical milieu in which the extraordinary promise of Einstein and scientific contemporaries took root and flourished into greatness Feuer shows us that no scientific breakthrough really happens by chance it takes a certain intellectual climate a decisive tension within the very fabric of society to spur one man s potential genius into world shaking achievement Feuer portrays such men of high imaginative powers as Einstein Bohr Heisenberg de Broglie influenced by and influencing the social worlds in which they lived The Fellow-travellers David Caute, 1977 **Einstein and the Generations of Science** David Abshire, 2017-09-29 This absorbing intellectual history vividly recreates the unique social political and philosophical milieu in which the extraordinary promise of Einstein and scientific contemporaries took root and flourished into greatness Feuer shows us that no scientific breakthrough really happens by chance it takes a certain intellectual climate a decisive tension within the very fabric of society to spur one man s potential genius into world shaking achievement Feuer portrays such men of high imaginative powers as Einstein Bohr Heisenberg de Broglie influenced by and influencing the social worlds in which they lived **British and American Anti-communism Before the Cold War** Markku Ruotsila, 2023-05-09 This work examines in a comparative historical way the socialist liberal and conservative strands of Anglo American anticommunist thought before the Cold War In so doing this book provides us with an intellectual pre history of Cold War attitudes and policy positions Comrades! Robert Service, 2007 Service offers a history of communism drawing the uncomfortable conclusion that the poverty and injustice that enabled its rise are still dangerously alive Unsettling and compelling this is a comprehensive study of one of the most important movements of the modern world **Literature and Revolution in Modern China** Yuzo Nagahori, 2025-05-19 This book reconstructs Lu Xun s literary theory and political position within its historical context It considers the influence on Lu Xun of Leon Trotsky s literary theory and Lu Xun s relationship with the Chinese Trotskyists and the Chinese Communist Party It corrects errors and shortcomings in conventional studies on Lu Xun and shows how Lu Xun was used for political purposes by the Chinese Communists and Mao Zedong beginning in the Yan an years and culminating during the Cultural Revolution It seeks to rescue Lu Xun from the

distortion of his legacy by the Chinese Communist literary establishment Mao Zedong and Stalinism

**Politics and the Novel During the Cold War** David Caute, 2017-09-08 David Caute's wide ranging study examines how outstanding novelists of the Cold War era conveyed the major issues of contemporary politics and history In the United States and Western Europe the political novel flourished in the 1930s and 1940s the crisis years of economic depression fascism the Spanish Civil War the consolidation of Stalinism and the Second World War Starting with the high hopes generated by the Spanish Civil War Caute then explores the god that failed pessimism that overtook the Western political novel in the 1940s The writers under scrutiny include Hemingway Dos Passos Orwell Koestler Malraux Serge Greene de Beauvoir and Sartre Strikingly different approaches to the burning issues of the time are found among orthodox Soviet novelists such as Sholokhov Fadeyev Kochetov and Pavlenko Soviet official culture continued to choke on modernism formalism satire and allegory In Russia and Eastern Europe dissident novelists offered contesting voices as they engaged in the fraught re telling of life under Stalinism The emergence of the New Left in the 1960s generated a new wave of fiction challenging America's global stance Mailer Doctorow and Coover brought fresh literary sensibilities to bear on such iconic events as the 1967 siege of the Pentagon and the execution of the Rosenbergs

**The Communist Party of Great Britain Since 1920** J. Eaden, D. Renton, 2002-05-10 A new single volume history of the Communist Party of Great Britain examining the party from its foundations in 1920 to its demise in the early 1990s Drawing on original research and a reading of specialist texts the authors analyze the rise and fall of the party and evaluate its role on the left of British politics Whilst sympathetic to the ideals and commitment of many British communist activists the book is sharply critical of much of the actual practice of the party

*A Thoroughly Mischievous Person* Alan Kennedy, 2021-01-01 First published in 1930 Swallows and Amazons secured Arthur Ransome's reputation as one of the most influential children's authors of all time yet prior to writing fiction he had had a turbulent career as a journalist and war correspondent in revolutionary Russia In this refreshing account of Ransome's work Alan Kennedy sets out to explain his enduring appeal combining literary criticism with psychological expertise Not only did Ransome apply a careful narrative theory to his works his use of symbolism aligning them more with the modernist tradition than with the event driven children's literature of contemporaries such as Richmal Crompton and Enid Blyton but his novels are also more than usually autobiographical This Kennedy ably demonstrates with reference to three particular challenges Ransome faced in a seriously conflicted life his father's untimely death his abandonment of his infant daughter in order to escape his catastrophic first marriage and the innumerable compromises that kept him alive during his Russian exile *A Thoroughly Mischievous Person* is the first study to tackle this matter systematically giving casual and scholarly readers alike new insights into the other Arthur Ransome

Britain, Soviet Russia and the Collapse of the Versailles Order, 1919-1939 Keith Neilson, 2005-12-22 A major re interpretation of international relations in the period from 1919 to 1939 Avoiding such simplistic explanations as appeasement and British decline Keith Neilson demonstrates that the underlying cause of the

Second World War was the intellectual failure to find an effective means of maintaining the new world order created in 1919. With secret diplomacy alliances and the balance of power seen as having caused the First World War, the makers of British policy after 1919 were forced to rely on such instruments of liberal internationalism as arms control, the League of Nations, and global public opinion to preserve peace. Using Britain's relations with Soviet Russia as a focus for a re-examination of Britain's dealings with Germany and Japan, this book shows that these tools were inadequate to deal with the physical and ideological threats posed by Bolshevism, fascism, Nazism, and Japanese militarism. *A Dictionary of 20th-Century Communism* Silvio Pons, Robert Service, 2022-04-12. An encyclopedic guide to 20th-century communism around the world. The first book of its kind to appear since the end of the Cold War, this indispensable reference provides encyclopedic coverage of communism and its impact throughout the world in the 20th century. With the opening of archives in former communist states, scholars have found new material that has expanded and sometimes altered the understanding of communism as an ideological and political force. *A Dictionary of 20th Century Communism* brings this scholarship to students, teachers, and scholars in related fields. In more than 400 concise entries, the book explains what communism was, the forms it took, and the enormous role it played in world history from the Russian Revolution through the collapse of the Soviet Union and beyond. Examines the political, intellectual, and social influences of communism around the globe. Features contributions from an international team of 160 scholars. Includes more than 400 entries on major topics such as: Figures: Lenin, Mao, Stalin, Ho Chi Minh, Pol Pot, Castro, Gorbachev. Events: Cold War, Prague Spring, Cultural Revolution, Sandinista Revolution. Ideas and concepts: Marxism, Leninism, cult of personality, labor. Organizations and movements: KGB, Comintern, Gulag, Khmer Rouge. Related topics: totalitarianism, nationalism, antifascism, anticommunism, McCarthyism. Guides readers to further research through bibliographies, cross-references, and an index. *French Political Travel Writing in the Interwar Years* Martyn Cornick, Martin Hurcombe, Angela Kershaw, 2017-02-10. This book studies travel writing produced by French authors between the two World Wars following visits to authoritarian regimes in Europe and the Union of Soviet Socialist Republics (USSR). It sheds new light on the phenomenon of French political travel in this period by considering the well-documented appeal of Soviet communism for French intellectuals alongside their interest in other radical regimes which have been much less studied: fascist Italy, the Iberian dictatorships, and Nazi Germany. Through analyses of the travel writing produced as a result of such visits, the book gauges the appeal of these forms of authoritarianism for inter-war French intellectuals from a broad political spectrum. It examines not only those whose political sympathies with the extreme right or extreme left were already publicly known, but also non-aligned intellectuals who were interested in political models that offered an apparently radical alternative to the French Third Republic. This study shows how travel writing provided a space for reflection on the lessons France might learn from the radical political experiments of the inter-war years. It argues that such writing can usefully be read as a form of utopian thinking, distinguishing this from colloquial understandings of utopia as an ideal location.

Utopianism is understood neither as a fantasy ungrounded in the real nor as a dangerously totalitarian ideal but in line with Karl Mannheim Paul Ricœur and Ruth Levitas as a form of non congruence with the real that it seeks to transcend The utopianism of French political travel writing is seen to lie not in the attempt to portray the destination visited as utopia but rather in the pursuit of a dialogue with radical political alterity *In the Shadow of the Dictators* Paul Corthorn, 2006-08-23 Paul Corthorn presents an illuminating in depth study of the British Left's response to the rise of international fascism in the 1930s He uses a range of newly available archival sources to analyse how the Labour left which took the form of the Socialist League between 1932 and 1937 and the Independent Labour Party reacted to developments such as Mussolini's invasion of Abyssinia Franco's uprising in Spain and Hitler's drive for territorial expansion He argues that their responses to these threats from the fascist dictators were shaped above all by their constantly changing views of another dictatorship the Soviet Union under Stalin an elegant piece of innovative research on the Labour left between 1932 and 1939 based on an impressive amount of research and on a perceptive and sensitive handling of the evidence collected this elegantly written book fills a major gap in the existing literature Professor E F Biagini University of Cambridge *Fool For Christ* Allen Mills, 1991-12-15 James Shaver Woodsworth 1874-1942 stands as one of the half dozen most important national political figures in twentieth century Canadian history Allen Mills acknowledges his outstanding achievements while providing a critical account of the Woodsworth legacy and revising the received opinion of him as a man of unbending conviction and ever coherent principle A product of western Canada's pioneer society and a stern Methodist household Woodsworth grew up to make his way into social service and political action A member of parliament for over twenty years he rejected the traditional forms of political activity seeking a new politics and a new political party The latter turned out to be the Co-operative Commonwealth Federation founded in 1932 Its first leader was Woodsworth himself In a crucial period between the World Wars Woodsworth helped define the character of the modern Canadian non Marxist Left and of many of Canada's important economic and social institutions Among them are the welfare state the Bank of Canada and Canada's internationalist role in the contemporary world Electronic Format Disclaimer Quotes by T S Eliot F R Scott and Louis MacNeice removed at the request of the rights holder **Philosophy, History and Social Action** S. Hook, W. O'Neill, R. O'Toole, 2012-12-06 Two articles by Lewis Feuer caught my attention in the 40s when I was wondering as a student physicist about the relations of physics to philosophy and to the world in turmoil One was his essay on The Development of Logical Empiricism 1941 and the other his critical review of Philipp Frank's biography of Einstein Philosophy and the Theory of Relativity 1947 How extraordinary it was to find so intelligent independent critical and humane a mind and furthermore he went further as I soon realized when I looked for his name on other publications I recall arguing with myself over his exploration of Indeterminacy and Economic Development 1948 and even more when I read his Dialectical Materialism and Soviet Science 1949 More papers and then the fascinating sometimes irritating always insightful books His monograph on

Psychoanalysis and Ethics 1955 the beautiful sociological and humanist study of Spinoza and the Rise of Liberalism 1958 his essays on The Social Roots of Einstein's Theory of Relativity 1971 together with the book on Einstein and the Generations of Science 1974 the splendid reader from the works of Marx and Engels Basic Writings on Politics and Philosophy 1959 which was a major text of the 60s the stimulating essays on the social formation which seems to have been required for a modern scientific movement to develop set forth most convincingly in The Scientific Intellectual 1963      **Christian Classics... with Notices Biographical and Critical** James Hamilton, 1859      Our Christian Classics. ### **Fellow Travellers A Postscript To The En Introduction**

Fellow Travellers A Postscript To The En Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Fellow Travellers A Postscript To The En Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Fellow Travellers A Postscript To The En : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Fellow Travellers A Postscript To The En : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Fellow Travellers A Postscript To The En Offers a diverse range of free eBooks across various genres. Fellow Travellers A Postscript To The En Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Fellow Travellers A Postscript To The En Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Fellow Travellers A Postscript To The En, especially related to Fellow Travellers A Postscript To The En, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Fellow Travellers A Postscript To The En, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Fellow Travellers A Postscript To The En books or magazines might include. Look for these in online stores or libraries. Remember that while Fellow Travellers A Postscript To The En, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Fellow Travellers A Postscript To The En eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for

certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Fellow Travellers A Postscript To The En full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Fellow Travellers A Postscript To The En eBooks, including some popular titles.

### FAQs About Fellow Travellers A Postscript To The En Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fellow Travellers A Postscript To The En is one of the best book in our library for free trial. We provide copy of Fellow Travellers A Postscript To The En in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fellow Travellers A Postscript To The En. Where to download Fellow Travellers A Postscript To The En online for free? Are you looking for Fellow Travellers A Postscript To The En PDF? This is definitely going to save you time and cash in something you should think about.
