Fellowship With God:

Fellowship with God Deep in His Word William Mulder, 2007-05 Mulder examines the questions many have wondered about such as what are the spiritually deep truths that are seldom discussed and yet make a great difference in the strength of a believers faith in the Creators ultimate plans to bless the faithful through Jesus Christ as Savior The author also gives the evidence why Christians believe there is a God who really cares Christian Fellowship with God D. Martyn Lloyd-Jones, 1993 The first book in the Studies in I John series The modern day church desperately needs to grasp the lessons of First John and Dr Lloyd Jones discussion of this dynamic book of the Bible is sure to produce spiritual renewal and deeply committed living An inspiring new series from a highly respected Christian author **Fellowship with God in Spirit and Truth** William H. Mulder, 2008-08 This is the final book in the three book Fellowship series and contains a comprehensive glossary that covers the subject material in all three which is a great help to pastors Bible study teachers or group leaders as well as the individual reader to find related texts and their explanation A unique feature of these books is that each chapter is independent of the others so study can be selected at random to grow in understanding of God s word according to the need of the class or reader One reason for texts next to the subjects being studied is to emphasize that all insights explained are not just an opinion but can be confirmed by a biblical search into the deeper truths of God s revelation to us with the Holy Spirit as our guide 1 Cor 2 1 13 Read the comments in the foreword list William H Mulder The author from his earliest childhood memory believed in Jesus and took a public stand for Christ in his late teens The urge to write was there in early youth and resulted in a published nature story at age thirteen Many poems followed but writing slowed while raising and providing a good home and a Christian education for seven children But when Israel became a nation again in 1948 in response to questions asked by others he wrote in essay form Bible based answers about many things These typed handouts some fifty years old but now updated to be relevant for today provide the basis for all the Fellowship series As a former deacon elder and as a trained evangelist he challenges everyone to build their Christian faith on biblical truth These books help you find them **Fellowship with God** Henry Miranda, 2006-01-10 I wrote this book in the hopes of helping others find their walk with Christ a little easier The path we choose to follow as Christians may be hard and even seem difficult at times but it brings us closer to God This is a description of the path described by Jesus Christ backed by specific reference to scripture and providing clear answers to questions that many of us have It is easy to understand and proceeds in a logical manner to provide insight on how to walk the narrow path The book gives comfort to those who are in need of God s presence by giving clear descriptions of how the doors to the Kingdom of Heaven are always open It describes the presence of the Holy Spirit and aids in understanding our relationship with God and Jesus Christ This is for those that are interested in Christian faith The book is easy to read gives sound advice on understanding our relationship with Jesus Christ and is based on specific quotations from scripture **FELLOWSHIP WITH THE HOLY SPIRIT** KIIZA SMITH, 2020-10-26 We all want

fellowship We feel sad when we get lonely We all want a relationship with God but how many of us know how to really fellowship with the Holy Spirit Multitudes of believers never develop a relationship with the very one who dwells inside of them So many of us feel like orphans all alone with no Father no one to guide and help us through life He wants to reveal the deep things of God to us 1 Cor 2 9 He wants to give us His power and strength A lady went to a jeweler to get her watch fixed He disappeared and came back quickly with her watch running perfectly She asked him How could you fix it in such a short time He told her that it only needed a small battery All this time the lady had been trying to wind the watch She didn't know she only needed a battery to keep it running

God's companionship with Moses reveals His unfailing presence guiding and empowering through every challenge marked by divine closeness and support. The life of Jesus Christ embodies perfect companionship among humans, modeling love, empathy, and sacrificial connection as the Son of God dwelt among humanity. Through His life, death, and resurrection, Jesus restores the broken relationship between God and humanity, revealing the ultimate expression of divine companionship. The Holy Spirit continues this eternal companionship, dwelling within believers as a constant source of guidance, comfort, and presence. From creation to eternity, God's desire has been to share unbroken fellowship with humanity, inviting His people into a sacred bond of trust and love. This book highlights how divine companionship transforms lives, offering hope, security, and purpose across generations. It emphasizes the relational nature of God, calling individuals to experience His presence intimately, just as biblical figures did. In summary, this book, *Companionship*, calls readers to embrace their own walk with God, discovering the beauty of His constant presence and faithfulness. *Cultivating an Intimate Relationship with God* Dr. Guillermo Maldonado, 2022-11-08. This life of dead religion is not what you were made for. The Spirit of the Lord is inviting you today to experience closeness with God like never.
