Feminist Groupwork:

Feminist Groupwork Sandra Butler, Claire Wintram, 1991-07-05 Feminist Groupwork explores the purposes practice and effectiveness of groupwork with women drawing upon the authors own involvement in setting up and running community based women s groups The book offers clear accounts of the structured content of group sessions and the definitions and measurements of change developed by participants It makes a convincing case for adopting a feminist approach with women who are isolated in their own communities and who bear the brunt of socio political disadvantage Central to the book is the focus on women s understandings of themselves and their experiences and how groupwork can lead to potentially liberating interpretations with profound consequences for participants lives Women are encouraged to recognize their resilience survival skills and strengths Feminist Groupwork was awarded a 1992 Distinguished Publication Award by the Association for Women in Psychology USA

Gender and Groupwork Marcia Cohen, Audrey Mullender, 2003-09-02 Thinking about gender can enrich the work of all groupwork practitioners and can make a real difference in people s lives Based on practice experience in both the UK and the USA Gender and Groupwork brings together the best of groupwork knowledge skills and values in a true transatlantic partnership The book summarises the history of gender based groups for both women and men and outlines a wide range of exciting and challenging examples of groups in different contexts Often moving and always engrossing these accounts encompass groups for older women and women facing inequalities in health care Innovative work with homeless people with caregivers and lesbian and gay youth is described in detail and there is a particular focus on domestic violence where groups can often the intervention of choice Gender and Groupwork demonstrates that despite the challenges of post structuralism and postmodernism the practice of groupwork is alive and well It provides new ideas and new models to help move practice forward making it a welcome addition to the groupwork literature

Gender and Groupwork Marcia B. Cohen, Audrey Mullender, 2003 Based on practice experience in both the UK and the USA Gender and Groupwork brings together the best of groupwork knowledge skills and values in a true transatlantic partnership

Groupwork Allan Brown, 2017-07-05 This highly successful book on groupwork practice first published in 1979 has become a standard introductory text on most social work training courses It is very popular with social workers whatever their agency setting and is also used by health visitors youth workers and the voluntary sector This new enlarged and revised third edition includes two new additional chapters The first of these addresses the issue of groupwork in day and residential centres where special kinds of group skills are required in addition to those already well established for fieldwork groups The second new chapter attempts to understand the significance of race and gender in groupwork and to begin to develop a framework for anti discriminatory practice All key sections from previous editions have been retained and updated while those on group composition open groups co working and consultation have been extended and revised to give more comprehensive coverage The bibliography has also been developed to include the most recent additions to the groupwork

literature including many articles from the journal *Groupwork* for which Allan Brown is co editor *A-Z of Groups and Groupwork* Mark Doel, Timothy Kelly, 2013-11-28 Launching Palgrave's new interdisciplinary Professional Keywords series this reader friendly reference guide distills the vast field of groupwork study and practice into digestible yet authoritative chunks With over 60 alphabetized entries it is the perfect introduction to groupwork for health and social care practice

Groupwork in Social Care Julie Phillips, 2001 studies with a variety of groups **Inclusive Group Work** William Pelech, Robert Basso, Cheryl D. Lee, Maria Gandarilla, 2016 *Inclusive Group Work* offers an innovative approach to working with intervention groups and task groups by redefining the concept of diversity and reframing core group work concepts Appropriate for both undergraduate and graduate courses this book introduces readers to the foundations of group practice with an emphasis on social justice The book presents diversity as a relational concept that is at the heart of all group interactions Individual identity is complex and in order for all members to be treated equally their individuality must be accepted and respected Using this framework the book discusses the values and ethics of social work with groups explores the stages of group work including planning and presents both basic and advanced skills such as conflict resolution and the use of self Theories are put into practice in three chapters of case studies that show in detail how diversity can be employed as a strength in multiple settings to achieve the wide variety of goals groups pursue Through this new approach students and practitioners alike will learn how to harness diversity to engage and maintain participation in inclusive group processes

Women's Spirituality, Women's Lives Ellen Cole, Judith Ochshorn, 2014-05-12 This enlightening book examines how the feminist spirituality movement contributes to the establishment of new paradigms of mental health for women *Women's Spirituality Women's Lives* examines possible psychotherapeutic implications for women engaged in feminist spirituality and stimulates much needed conversation between feminist therapists and feminist theologians ritualists Feminist spirituality is part of the current broad challenge to accepted ways of knowing and being This book argues that as women tell their own stories they create rituals that enable them to feel a sense of control over the future and to move toward a kind of authority agency and autonomy associated with mental health and psychological well being Women from many cultural backgrounds and religious perspectives have embraced alternative forms of spiritual expression based on profound theoretical challenges to mainstream religious beliefs ranging from calls for the radical reclamation and reconstruction of religious traditions to personal involvement in goddess worship and Wicca *Women's Spirituality Women's Lives* presents theoretical conceptual and experiential chapters that analyze the extent to which these proliferating women's groups represent the beginnings of new norms of mental health for women *Women's Spirituality Women's Lives* presents a variety of voices including Native American Christian Jewish and Wiccan Chapters are divided into three sections Laying the Groundwork Theoretical Challenges and Living It Out and explore a diverse array of topics such as the shouting church and Black women's mental health a traditionalist Native American challenge to New Age cooptation a feminist group and Jewish women's self identity

lesbian altar making and mental health feminist Wicca in the U S and Germany the martial arts and women s mental health the use of feminist rituals in therapy and as therapy Feminist therapists and theologians as well as other individuals interested in feminist spirituality or alternative spirituality will find this book a fascinating exploration of the various aspects of the spirituality of women Women s Spirituality Women s Lives is also an excellent reader to expand the thinking of students in classes in women s studies and religious studies Social Work Treatment 4th Edition Francis J.

Turner,1996-09-01 Groupwork with Women/groupwork with Men Beth Glover Reed,1983 This important book focuses on the subject of gender as a factor to be considered in forming and managing groups in social work practice Competence Roberta R. Greene,Nancy Kropf,2017-07-28 The actions social workers take are aimed at helping people communities and societies attain a sense of mastery become or remain competent and achieve or retain a sense of well being Such a broad scope of practice necessitates a theoretical foundation that is anchored in the concept of human competence This text explores the concept of competence and shows how it is expressed in a variety of theoretical frameworks including traditional models and emerging theoretical approaches This approach toward human behavior focuses on mutually beneficial interactions between people and society and emphasizes the connections between individuals and various systems that influence their lives It enables the social worker to conduct multilevel client assessments gaining an understanding of how clients function within their total environment and plan a range of helpful interventions The volume is organized around the competency based approach to social work education adopted by the Council on Social Work Education Written by leading analysts in the field Competence is essential reading for the field of social work **The Routledge International**

Handbook of Feminisms in Social Work Carolyn Noble,Shahana Rasool,Linda Harms-Smith,Gianinna Muñoz-Arce,Donna Baines,2024-06-03 This handbook highlights innovative and affect driven feminist dialogues that inspire social work practice education and research across the globe The editors have gathered the many at times silenced feminist voices and their allies together in this book which reflects current and contested feminist landscapes through 52 chapters from leading feminist social work scholars from the many branches and movements of feminist thought and practice The breadth and width of this collection encompasses work from diverse socio political contexts across the globe including Central and South America Africa Asia the Middle East Europe North America Aotearoa New Zealand and Australia The book is divided into six parts as follows Decoloniality Indigeneity and Radical Theorising Feminist Social Work in Fields of Practice Academy and Feminist Research The Politics of Care Allyship Profeminisms and Queer Perspectives Social Movements Engaging with the Environment and the More than Human The above sections present the diverse feminisms that have influenced social work which provides a range of engaging informative and thought provoking chapters These chapters highlight that feminists still face the battle of working towards ending gender based violence discrimination exploitation and oppression and therefore it is urgent that we feature the many contemporary examples of activism resistance best practice and opportunities to

emphasise the different ways feminisms remain central to social work knowledge and practice It will be of interest to all scholars and students of social work and related disciplinary areas including the social and human sciences global and social politics and policy human rights environmental and sustainability programmes citizenship and women s studies

Information Technology, Organizations and People Jeff Watkins, 2002-09-11 This wide ranging volume presents in depth research into the effect of new information technologies on organizational structure assesses their progress towards transformation and describes the changes they are making to long established business process roles cultures and working practices The book is based upon a series of rolling surveys carried out between 1989 and the present day and funded by leading organizations such as IBM and KPMG It provides a detailed picture of a sector in transition during a period of anxiety and doubt dominated by restructuring downsizing and experimentation with re engineering As the lean and mean emerge they must now ask themselves if their competencies will enable them to survive into the next decade as competitors such as Sainsburys Virgin Microsoft and Ford position themselves to become major players in the sector This book is a major contribution to the debate on the growth of knowledge work the need for core organizational competencies in the information age and the need for evolutionary or radical change

Practising Social Work Christopher Hanvey, Terry Philpot, 2002-08-26 Practicing Social Work provides a systematic exploration of a range of social work approaches Each chapter focuses on a single theme and explains the practice implications of a particular method

Human Behavior Theory and Social Work Practice Roberta R. Greene, 2011-12-31 Human Behavior Theory and Social Work Practice remains a foundation work for those interested in the practice and teaching of social work Roberta Greene covers theoretical areas and individual theorists including classical psychoanalytic thought Eriksonian theory Carl Rogers cognitive theory systems theory ecological perspectives social construction feminism and genetics She discusses the historical context its philosophical roots and major assumptions of each theory The general theme which distinguishes this volume is that the person in environment perspective has been a central influence in the formation of the profession s knowledge base as well as its approach to practice Greene provides perspective on how individuals and social systems interact This book examines how social workers can use theory to shape social work practice by increasing his or her understanding of and potential for enhancing human well being Greene covers the relationship between human behavior theory and professional social work practice She also explores the challenges and limitations of each theory and addresses the following issues how the theory serves as a framework for social work practice how the theory lends itself to an understanding of individual family group community or organizational behavior what the implications are of the theory for social work interventions or practice strategies and what role it proposes for the social worker as a change agent Throughout the profession s history social workers have turned to a number of theoretical approaches for the organizing concepts needed to define their practice base The aims of social work to improve societal conditions and to enhance social functioning of and between individuals families and groups are put into

action across all fields of practice and realized through a variety of methods in a range of settings This third edition completely revised represents a fundamental contribution to the field and like its predecessors will be widely used as a basic text

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Feminist Groupwork eBooks, including some popular titles.

FAQs About Feminist Groupwork Books

What is a Feminist Groupwork PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Feminist Groupwork PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Feminist Groupwork PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Feminist Groupwork PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Feminist Groupwork PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
