word from one to another made a rush upon them and the greater part of the women escaped by flight but Io and certain others were carried off So they put them on board their ship and forthwith departed sailing away to Egypt 2 In this manner the Persians report that Io came to Egypt not agreeing therein with the Hellenes and this they say was the first beginning of wrongs Then after this they say certain Hellenes but the name of the people they are not able to report put in to the city of Tyre in Phenicia and carried off the king s daughter Europa these would doubtless be Cretans and so they were quits for the former injury
