**The History of Mr. Polly** H. G. Wells, 2018-04-29T22:16:43Z This work by H G Wells was first published in 1910 In contrast to Wells early speculative fiction works like The Time Machine this is a comic novel set in the everyday world of the late Victorian and early Edwardian era in England Despite the less than happy life story of Mr Polly it is an amusing book enlivened by Polly s inventive attitude towards the English language Alfred Polly s mother dies when he is only seven and he is brought up by his father and a stern aunt He is indifferently educated and leaves school in his early teens to be employed as a draper s assistant As the years pass he finds himself more and more disenchanted with his occupation but it is too late to change it Eventually his father dies and leaves him a legacy which may be enough to set up in business for himself He sets up his own shop in a small town and stumbles into an unhappy marriage The business is not profitable and in his middle age unhappy and dyspeptic Mr Polly comes up with an idea to bring an end to his troubles Things however do not go as he planned and lead to an unexpected result Wells later work often displays his passion for social reform Here that passion is less obvious but nevertheless he demonstrates his sympathy for middle class people raised like Mr Polly with but a poor education and trapped into either dead end jobs or in failing retail businesses The History of Mr Polly was well received by critics at the time of publication and was subsequently made into both a film and two different BBC television serials This book is part of the Standard Ebooks project which produces free public domain ebooks [The History of Mr Polly](#) H. The History of Mr Polly traces the back story of Mr Polly and just how he got into the Beastly Silly Wheeze of his current predicament At the age of 37 the Edwardian version of middle age Polly is tired of his dead end job as a draper and his nagging wife Miriam He sits on the edge of bankruptcy and decides the only solution is to burn down his shop and kill himself However things don't exactly go to plan and Polly is given a new chance at life But can he really change      **The History of Mr. Polly** H G Wells, 2020-04-02

Hole said Mr Polly and then for a change and with greatly increased emphasis Ole He paused and then broke out with one of his private and peculiar idioms Oh Beastly Silly Wheeze of a Hole He was sitting on a stile between two threadbare looking fields and suffering acutely from indigestion He suffered from indigestion now nearly every afternoon in his life but as he lacked introspection he projected the associated discomfort upon the world Every afternoon he discovered afresh that life as a whole and every aspect of life that presented itself was beastly And this afternoon lured by the delusive blueness of a sky that was blue because the wind was in the east he had come out in the hope of snatching something of the joyousness of spring The mysterious alchemy of mind and body refused however to permit any joyousness whatever in the spring He had had a little difficulty in finding his cap before he came out He wanted his cap the new golf cap and Mrs Polly must needs fish out his old soft brown felt hat Ere s your at she said in a tone of insincere encouragement He had been routing among the piled newspapers under the kitchen dresser and had turned quite hopefully and taken the thing He put it on But it didn't feel right Nothing felt right He put a trembling hand upon the crown of the thing and pressed it on his head and tried it askew to the right and then askew to the left Then the full sense of the indignity offered him came home to him The hat masked the upper sinister quarter of his face and he spoke with a wrathful eye regarding his wife from under the brim In a voice thick with fury he said I s pose you d like me to wear that silly Mud Pie for ever eh I tell you I won't I m sick of it I m pretty near sick of everything comes to that Hat He clutched it with quivering fingers Hat he repeated Then he flung it to the ground and kicked it with extraordinary fury across the kitchen It flew up against the door and dropped to the ground with its ribbon band half off      **The History of Mr Polly** H.
