Dad says because of the army he stood shoulder to shoulder with polar bears and watched the sun rise over the frozen fields of Alaska which sounds really exciting And because of the Army he slept in sludge shoulder to shoulder with snakes and watched the sun set over the swamps of Alabama which does not In a timely but not politically charged way author Alan Madison looks at the way a family copes with having a parent away on a 100 day 99 night military tour of duty through the eyes of the very loveable Esmerelda Esme Swishback McCarthur Esme wants to be good while her dad is away In fact she feels like it's her duty to be good But being good can be hard especially if you have a little brother like Ike By following Esme's story as she awaits her father's return readers will see how heroism can translate to every member of a family Aside from the military families that this book serves readers who wonder what it would be like if their mother father brother or sister was sent away will relate to Esme's quiet strength and candor and will understand her worry about what could happen This story has the potential to speak to readers on a personal level and to turn a concept that seems so hard to grasp war into one that feels much more personal *Your Total Solution for Reading, Grade PK* Brighter Child, Carson-Dellosa

Downey, Thomas

Christensen, Jack Downey, 2022-08-30 In 1952 John T. Jack Downey a twenty-three year old CIA officer from Connecticut was shot down over Manchuria during the Korean War The pilots died in the crash but Downey and his partner Richard Dick Fecteau were captured by the Chinese For the next twenty years they were harshly interrogated put through show trials held in solitary confinement placed in reeducation camps and toured around China as political pawns Other prisoners of war came and went but Downey and Fecteau's release hinged on the United States acknowledging their status as CIA assets Not until Nixon's visit to China did Sino-American relations thaw enough to secure Fecteau's release in 1971 and Downey's in 1973

Lost in the Cold War is the never before told story of Downey s decades as a prisoner of war and the efforts to bring him home Downey s lively and gripping memoir written in secret late in life interweaves horrors and deprivation with humor and the absurdities of captivity He recounts his prison experiences fearful interrogations pantomime communications with his guards a 3 000 page overstuffed confession designed to confuse his captors and posing for show photographs for propaganda purposes Through the eyes of his captors and during his tours around China Downey watched the Great Leap Forward the Cultural Revolution and the drastic transformations of the Mao era In interspersed chapters Thomas J Christensen an expert on Sino American relations explores the international politics of the Cold War and tells the story of how Downey and Fecteau s families the CIA the U S State Department and successive presidential administrations worked to secure their release
