"

You surely must have wondered why I acted so strangely. and I feel an explanation is due you. but I pray that you'll wait till such time as I can give it you verbally. as many wrong impressions are gathered from letters.

Nevertheless. I am extremely sorry for all that's happened and trust that all be forgiven & forgotten & that we still continue to be the firm fast friends we were previously.

So here ends the first lesson. to which we summon an earnest Amen!!!

The weather is scorching. You don't go abroad in the heat of the day without a topee or else you'd get stricken down in a jiffy. Terrible heat. a damp heat it seems and very very fatiguing too. I can tell you. Give me the Philippine Is. run. instead of this Shanghai stunt. I loved that run. with the South Sea Island aspect of every thing down there. But this Shanghai run is one run of dull monotony, enlivened occasionally by violent hurricanes. that turn the peaceful elements to a raging roaring fiend. bent on destruction. Nothing else - which is not conducive to one's enjoyment of life.
