Francis de Sales,2018-03-01 Ah how happy are these well beloved hearts of my daughters in having given up some years of
the false liberty of the world in order to enjoy eternally that desirable slavery in which no liberty is taken away save that
which hinders us from being truly free Francis de Sales *Letters on Christian Religion with an Appendix Containing

LETTERS.,1695 **Letters to Persons in Religion** Saint Francis de Sales,Aeterna Press,1909 IT is a great pleasure to
introduce to Catholic readers and to others this the fourth volume of the Rev Henry Benedict Mackey s translation of the
complete works of St Francis of Sales It comprises a very complete selection of the holy Doctor s Letters to religious persons
These letters are characterised not only by that depth sweetness and attractiveness which we find in all his utterances but
also by matured and powerful instructions worthy of so great a spiritual director on the subject of the religious life of persons
consecrated to God Aeterna Press Letters religious and moral Daniel Turner,1793 **Letters, Religious and Moral,

,1870 **The Spirit and the Letter** Paul S. Fiddes,Günter Bader,2013-08-01 Paul s statement that letter kills but the spirit
gives life 2 Corinthians 3:6 has had an extraordinary impact on Christian thought through the ages It has been read both as
affirming the saving power of the new covenant in comparison to the old and as a key to hidden spiritual meanings in the text
of scripture It is however an ambiguous phrase followed by a tangled story This book explores the Pauline distinction both in

its original context and in its aftermath in the early church the Reformation and modern Biblical Studies It then considers a postmodern reversal where ideas of Spirit are often seen as deadly and the openness of the letter or text as life affirming and draws conclusions for Spirit in the world **Letters to Persons in Religion** Various,2008-07 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork *The War and Religion* Marion John Bradshaw,1919 **Religion and Women in Britain, c. 1660-1760** Sarah Apetrei,2016-04-08

The essays contained in this volume examine the particular religious experiences of women within a remarkably vibrant and formative era in British religious history Scholars from the disciplines of history literary studies and theology assess women s contributions to renewal change and reform and consider the ways in which women negotiated institutional and intellectual boundaries The focus on women s various religious roles and responses helps us to understand better a world of religious commitment which was not separate from but also not exclusively shaped by the political intellectual and ecclesiastical disputes of a clerical elite As well as deepening our understanding of both popular and elite religious cultures in this period and the links between them the volume re focuses scholarly approaches to the history of gender and especially the history of feminism by setting the British writers often characterised as early feminists firmly in their theological and spiritual traditions
