

Leurope Interdite

Robert Ramsay

Leurope Interdite:

Walter Hallstein: The Forgotten European? Wilfried Loth, William Wallace, Wolfgang Wessels, trans Bryan Ruppert, 2016-07-27 Walter Hallstein was among the great European visionaries This is the first book length study of one of the key shapers of the European Community in its early years The range of contributors include those who worked with Hallstein and have personal recollections of him and younger historians drawing upon documents only recently available The book contains sections on his contribution as State Secretary to post war German foreign policy his seminal role as the first President of the Commission of the EEC and the legacy of his work and ideas and later years as President of the European Movement **New Perspectives for a Common Law of Europe/Nouvelles perspectives d'un droit commun de l'Europe** M. Cappelletti, 2024-10-28

The Process of Politics in Europe Katja Seidel, 2010-07-30 With the launch of the European integration process after World War II a new type of administration emerged which was neither an international organisation nor a national administration Drawing on extensive archival records and oral history interviews this book is the first comprehensive study of the High Authority of the European Coal and Steel Community ECSC and the Commission of the European Economic Community EEC and their personnel the European civil servants This administrative elite was to have a vital influence on the European integration process devising and administering key European policies such as the Common Agricultural Policy Katja Seidel combines administrative and biographical history and provides significant insights into the origins of Europe's supranational institutions and the administrative cultures that developed in them She effectively shows how European administrative elites and supranational administrations are vital to understanding the process of politics in Europe This book will be invaluable for scholars of politics history and the development of European integration

Europeans on Europe Jolyon Howorth, 2016-07-27 Europeans on Europe offers an assessment of the hopes fears expectations and preparedness of Britain France and Germany at the approach of the 1992 deadline It examines both at the national and European level the three key areas of business and economics foreign and defence policy and politics and political culture both country by country and in a comparative mode From Nine to Twelve: Europe's Destiny? J.W. Schneider, 2024-09-23

The Passage to Europe Luuk van Middelaar, 2013-05-15 As financial turmoil in Europe preoccupies political leaders and global markets it becomes more important than ever to understand the forces that underpin the European Union hold it together and drive it forward This timely book provides a gripping account of the realities of power politics among European states and between their leaders Drawing on long experience working behind the scenes Luuk van Middelaar captures the dynamics and tensions shaping the European Union from its origins until today It is a story of unexpected events and twists of fate bold vision and sheer necessity told from the perspective of the keyplayers from de Gaulle to Havel Thatcher to Merkel Van Middelaar cuts through the institutional complexity by exploring the unforeseen outcomes of decisive moments and focusing on the quest for public legitimacy As a first hand witness to the day to day

actions and decisions of Europe's leaders the author provides a vivid narrative of the crises and compromises that united a continent By revisiting the past he sheds fresh light on the present state of European unification and offers insights into what the future may hold *European Yearbook / Annuaire Europeen 1977* Council of Europe/Conseil de L'Europe,A.

Robertson,1979-10-01 The European Yearbook promotes the scientific study of nineteen European supranational organisations and the OECD The series offers a detailed survey of the history structure and yearly activities of each organisation and an up to date overview of the member states of each organisation This special anniversary volume celebrates 60 years of publication of the Yearbook and its contents differs from that of the regular volumes therefore It offers a selection of the most important articles dealing with European cooperation and integration to appear in the Yearbook during its 60 years of publication These are of particular interest not only because they provide a unique historical snapshot of the many successes and occasional failures in the field of European integration but also because they discuss the ideals and aims that lay behind these efforts many of which still resonate today as Europe confronts questions about its political destiny and ideal shape This volume contains articles in English and French *The Franco-German Axis in European Integration* Gisela Hendriks,Annette Morgan,2001-01-01

The book provides an excellent understanding of the unity and dissonance within the Franco German relationship Aslib Book Guide In the latter part of a turbulent century for Europe France and Germany have been at the forefront of the developments that have shaped both Western and Eastern Europe Having initiated and controlled economic and monetary union the greater goal is now that of further European integration and the Franco German dynamic is likely to be crucial again in the success or failure of achieving this The Franco German Axis in European Integration examines the effectiveness and durability of the Franco German relationship in European integration tracing this important partnership through many political and economic disparities This study goes on to assess the role of these two states in the challenges now facing the Union from EMU to the process of stabilising its eastern borders and from enlargement of the Union to the struggle to agree on a common foreign security policy **Battle Of Single**

European Market Gilles Grin,2012-11-12 First published in 2004 This book studies the history of the single or internal market of the European Union since its beginnings after the Second World War until the end of 2000 The perspective is pluridisciplinary and incorporates several dimensions historical political economic legal and sociological **France in**

World Politics Robert Aldrich,John Connell,2024-09-02 Originally published in 1989 this book analyses France's distinctive role in international affairs and examines the characteristics of French foreign policy in the Fifth Republic The introduction provides an overview of France's role in international relations then specific chapters look at topics such as French military strategy and relations with the superpowers of the late 20th Century France and the European Community immigrant workers and their impact on France's international presence and France Africa among others The final chapter discusses the evolution and formulation of French foreign policy in historical perspective The contributors were historians geographers and

specialists in French civilization all with experience in France Each chapter includes notes and references to work in both English and French making the book an important source especially for students of politics international relations modern history and French studies , **The Corsican Time-bomb** Robert Ramsay,1983 **Combat pour l'Europe** Hans von der Groeben,1985 **The Great Deception** Christopher Booker,Richard North,2016-04-07 Now published with a new preface explaining why The Great Deception is of the utmost importance today as it was when it was first published and to coincide with Great Britain s EU referendum in 2016 this book suggests that the United States of Europe and its edict of ever closer union have been based on a colossal confidence trick The Great Deception tells for the first time the inside story of the most audacious political project of modern times the plan to unite Europe under a single supranational government From the 1920s when the blueprint for the European Union was first conceived by a British civil servant this meticulously documented account takes the story right up to the moves to give Europe a political constitution already planned 60 years ago to be the crowning dream of the whole project The book shows how the gradual assembling of a European government has amounted to a slow motion coup d etat based on a strategy of deliberate deception into which Britain s leaders Macmillan and Heath were consciously drawn Drawing on a wealth of new evidence scarcely an episode of the story does not emerge in startling new light from the real reasons why de Gaulle kept Britain out in the 1960s to the fall of Mrs Thatcher The book chillingly shows how Britain s politicians not least Tony Blair were consistently outplayed in a game the rules of which they never understood But it ends by asking whether from the euro to enlargement the project has now overreached itself as a gamble doomed to fail Since their collaboration began in 1992 Christopher Booker a Sunday Telegraph columnist and Richard North who worked for four years in Brussels and Strasbourg as a senior researcher have won a unique reputation for their expertise on Britain s relationship to the European Union Their previous publications included The Mad Officials 1994 and The Castle of Lies 1996 But they regard The Great Deception as the book they had been waiting to write for ten years Christopher Booker s preface now adds up to date detail for the current era as Britain heads inexorably towards a possible Brexit **Yearbook of the European Convention on Human Rights/Annuaire de la convention europeenne des droits de l'homme , Volume 28 Volume 28, 1985** Council of Europe,1990-12-01 This volume of the Yearbook of the European Convention on Human Rights prepared by the Directorate of Human Rights of the Council of Europe relates to 2003 Part one contains information on the Convention Part two deals with the control mechanism of the European Convention on Human Rights selected judgments of the European Court of Human Rights and human rights DH resolutions of the Committee of Ministers part three groups together the other work of the Council of Europe in the field of human rights and includes the work of the Committee of Ministers the Parliamentary Assembly and the Directorate General of Human Rights part four is devoted to information on national legislation and extracts from national judicial decisions concerning rights protected by the Convention Appendix A contains a bibliography on the Convention and Appendix B the biographies of

the new judges elected to the European Court of Human Rights

The European Sisyphus Stanley Hoffmann, 2019-06-18
 Bringing together all of Stanley Hoffmann's significant essays on the development and difficulties of European integration this collection highlights the intractability of the divisions that plagued the European Union from its very beginning Just as the process of integration has displayed the same ambiguities hesitations and failings over the

Britain and the Puzzle of European Union Andrew Duff, 2021-09-27 This book is a study of the complex relationship between Britain and Europe from the Second World War to the present day Drawing on first hand experience of British and European politics the author highlights not only the dramatically shifting power play between London and Brussels but also the EU's own struggle to come to terms with its federal mission He traces the important constitutional events that have fashioned the EU of which the Brexit process is an outstanding example The author proposes a number of constitutional reforms which if carried through would form the basis of a new entente between the EU and the UK Both polities will profit from stronger democratic government of a federal type The author advocates spanning the divide between NATO and the EU He proposes installing a new class of affiliate EU membership which may be useful for the whole European neighbourhood including the UK Featuring the history present and future of Britain's relationship with the European Union the book will be of worldwide interest to students and practitioners of European integration as well as diplomats and journalists It is the first comprehensive manifesto for the future of Europe and Britain since Brexit

Making Sense of Europe Christopher Tugendhat, 1986 This definitive new edition Includes poems never previously published restores poems from RLS's notebooks mutilated by the Boston Bibliophile Society and offers fully edited critical texts with scholarly apparatus Included are A Child's Garden of Verses Penny Whistles Underwoods Songs of Travel Pieces in Lallan and Poems Written in America

European Yearbook P. Drillien, Euye, 1984-04-01 The European Yearbook promotes the scientific study of European organisations the Organisation for Economic Co operation Development Each volume contains a detailed survey of the history structure yearly activities of each organisation an up to date chart providing a clear overview of the member states of each organisation In addition a number of articles on topics of general interest are included in each volume A general index by subject name a cumulative index of all the articles which have appeared in the Yearbook are included in every volume provide direct access to the Yearbook's subject matter Each volume contains a comprehensive bibliography covering the year's relevant publications This is an indispensable work of reference for anyone dealing with the European institutions

The Past and Future of EU Law Luis Miguel Poiarés Pessoa Maduro, Loïc Azoulai, 2010-02-05 This book revisits in a new light some of the classic cases which constitute the foundations of the EU legal order and is timed to celebrate the 50th anniversary of the Rome Treaty establishing a European Economic Community Its broader purpose however is to discuss the future of the EU legal order by examining from a variety of different perspectives the most important judgments of the ECJ which established the foundations of the EU legal order The tone is neither necessarily celebratory nor critical but relies on the viewpoint of the

distinguished line up of contributors drawn from among former and current members of the Court the view from within scholars from other disciplines or lawyers from other legal orders the view from outside and two different generations of EU legal scholars the classics revisit the classics and a view from the future Each of these groups will provide a different perspective on the same set of selected judgments In each short essay questions such as what would have EU law been without this judgment of the Court what factors might have influenced it did the judgment create expectations which were not fully fulfilled and so on are posed and answered The result is a profound wide ranging and fresh examination of the founding cases of EU law

Delve into the emotional tapestry woven by Crafted by in **Leurope Interdite** .
