Advance Russell Cederberg, 2023-01-27 Sometimes it's quite appropriate to live a lifestyle that is mostly hidden and largely defensive but Emily Florence Devereaux and her family have discovered that it has now become a season to advance and take more initiative in the spiritual conflicts they've all been involved in It has also become apparent that the spiritual assault that was previously spoken about has already begun Emily rapidly discovers that her old style of working independently will no longer suffice The strength of the attacks she is facing require teamwork and cooperation and this is drawing Emily and her family closer together in ways she never expected Along with the increase in trouble there is also an increase in events that can only be described as miracles and some of them are astonishing As the miracles unfold the line between the believers and the unbelievers becomes increasingly clear *Advance* is a book that clearly illustrates how essential it is to remain connected in committed relationships especially during difficult seasons It details the kind of effort that is required to establish and maintain love and trust especially when the atmosphere you live in is as hostile and volatile as the world Emily lives in and also the world we all currently live in
