The Absolute Daniel Guebel, 2022-05-17 Winner Premio Municipal de la Novela 2021, Premio Nacional de Literatura Argentina 2018, Premio Literario de la Academia Argentina de Letras 2017, Best Novel Award by La Nación 2016. A provocative multigenerational exploration of creative genius, madness and family relationships. With the ambition and density of style of Vladimir Nabokov or Olga Tokarczuk, this is a story both profound and handled with a light touch. *The Absolute* is a sprawling historical novel about the Deliuskin-Scriabin family, made up of six generations of geniuses and madmen. Beginning in the mid-18th century in Russia, across Europe and ending in late 20th-century Argentina, the characters' lives play out in different branches of art, politics and science in such radical ways that they transform the world and its reality. The narrator's ancestor, Frantisek Deliuskin, invents a new form of music in the 18th century; his son, Andrei Deliuskin, makes some marginal annotations to the Spiritual Exercises of Saint Ignatius of Loyola that are later interpreted by Lenin as an instruction manual to carry out the Russian Revolution of 1917. Esau Deliuskin, following the course of his father, creates a socialist utopian society and, down through the generations, to the narrator, whose creation takes him back in time and space to the moment of the Big Bang. *The Absolute* is a monumental work about the creation of art and about family, about spiritual traditions and about throwing oneself into the world not to capture life but to create it in and through words. This is a masterpiece at a time when masterpieces seem impossible and at the same time challenges the very idea of a masterpiece. It's the novel one should read if they want to know what an artist is.

La Nación *Inner Experience* Georges Bataille, 1988-01-01 His is a journey marked by the questioning of experience itself until what is reached is sovereign laughter, non-knowledge and a Presence in no way distinct from Absence, where the mind moves in a strange world where anguish and ecstasy coexist.
