Embroidered Textiles Traditional Patterns From Five Continents With A Worldwide Guide To Identification:

Embroidered Textiles Sheila Paine, 1997 One of the first books to examine in detail the symbolism of the motifs and designs that give life to marvelous embroidered textiles features a dazzling array of embroideries from all over the world Lively and informative text explores the relation of designs to different religions traditions and cults Includes a comprehensive regional guide 279 illus 171 in color *Perishable Material Culture in Prehistory* Linda M.

Hurcombe, 2014-04-24 *Perishable Material Culture in Prehistory* provides new approaches and integrates a broad range of data to address a neglected topic organic material in the prehistoric record Providing news ideas and connections and suggesting revisionist ways of thinking about broad themes in the past this book demonstrates the efficacy of an holistic approach by using examples and cases studies No other book covers such a broad range of organic materials from a social and object biography perspective or concentrates so fully on approaches to the missing components of prehistoric material culture This book will be an essential addition for those people wishing to understand better the nature and importance of organic materials as the missing majority of prehistoric material culture *Archaeological Artefacts as Material Culture* Linda Hurcombe, 2014-05-12 This book is an introduction to the study of artefacts setting them in a social context rather than using a purely scientific approach Drawing on a range of different cultures and extensively illustrated *Archaeological Artefacts and Material Culture* covers everything from recovery strategies and recording procedures to interpretation through typology ethnography and experiment and every type of material including wood fibers bones hides and adhesives stone clay and metals With over seventy illustrations with almost fifty in full colour this book not only provides the tools an archaeologist will need to interpret past societies from their artefacts but also a keen appreciation of the beauty and tactility involved in working with these fascinating objects This is a book no archaeologist should be without but it will also appeal to anybody interested in the interaction between people and objects **The Materiality of Color** Andrea Feeser, Maureen

Daly Goggin, Beth Fowkes Tobin, 2012 The purpose of this essay collection is to recover color s complex and sometimes morally troubling past By emphasising color s materiality and how it was produced exchanged and used contributors draw attention to the disjuncture between the beauty of color and the blood sweat and tears that went into its production circulation and application as well as to the complicated and varied social meanings attached to color within specific historical and social contexts *Digital Research Methods in Fashion and Textile Studies* Amanda Sikarskie, 2020-01-09 Are you a researcher struggling to mine and make sense of a mountain of fashion data Are you interested in learning about how digital methods and tools could enhance your research Have you thought about ways to spark and engage in academic conversations on social media Have you wondered how digital technologies are internationalizing the field of fashion and textile studies *Digital Research Methods in Fashion and Textile Studies* presents the reader with a variety of digital methodologies to help build skills in searching for analyzing and discussing vintage design photography and writing on

fashion as well as historic and ethnographic dress and textile objects themselves Each chapter focuses upon a different method problem or research site including Maximalism and mixed methods approaches to research Searching large databases effectively Pattern recognition and visual searching Critical reading use and citation of social media texts Digital ethnography and shopping as research Data visualization and mapping Images in the public domain From advanced undergraduates and postgraduate students working on research projects to veteran professionals in fashion and textile history and beyond everyone can benefit from a diverse set of fresh approaches to conducting and disseminating research In the current age of instant gratification with users snapping and posting images from runway shows long before the clothes will ever appear instores the world of fashion is increasingly digital and fast paced Research on fashion is too Digital Research Methods in Fashion and Textile Studies will help you keep up in this rapidly changing world Machine Stitch Alice Kettle,Jane McKeating,2010-08-04 This unique book collection culls the expertise of academics and the actual embroidery machines archives of Manchester Metropolitan University in Great Britain whose specialist embroidery department has been instrumental in artistic and educational innovations in textiles since the 1960s This book is the definitive record of the vast number of machines from the traditional Irish Embroidery machines to the latest generation of computerized sewing machines and features a rich and fascinating record of the machines themselves and the samples and artwork that were produced on them Each contributor gives their own individual perspective on machine stitch and the book illustrates how key machines can be applied to the artistic industrial and domestic practice and shows how to combine techniques and develop new ideas in machine embroidery a creative medium that is flourishing in both design and production **Defining Visual Rhetorics** Charles A. Hill,Marguerite Helmers,2012-08-21 Images play an important role in developing consciousness and the relationship of the self to its surroundings In this distinctive collection editors Charles A Hill and Marguerite Helmers examine the connection between visual images and persuasion or how images act rhetorically upon viewers Chapters included here highlight the differences and commonalities among a variety of projects identified as visual rhetoric leading to a more precise definition of the term and its role in rhetorical studies Contributions to this volume consider a wide variety of sites of image production from architecture to paintings from film to needlepoint in order to understand how images and texts work upon readers as symbolic forms of representation Each chapter discusses analyzes and explains the visual aspect of a particular subject and illustrates the ways in which messages and meaning are communicated visually The contributions include work from rhetoric scholars in the English and communication disciplines and represent a variety of methodologies theoretical textual analysis psychological research and cultural studies among others The editors seek to demonstrate that every new turn in the study of rhetorical practices reveals more possibilities for discussion and that the recent turn to the visual has revealed an inexhaustible supply of new questions problems and objects for investigation As a whole the chapters presented here demonstrate the wide range of scholarship that is possible when a

field begins to take seriously the analysis of images as important cultural and rhetorical forces Defining Visual Rhetorics is appropriate for graduate or advanced undergraduate courses in rhetoric English mass communication cultural studies technical communication and visual studies It will also serve as an insightful resource for researchers scholars and educators interested in rhetoric cultural studies and communication studies
