**The Emerald Swan** Jane Feather, 2009-11-04 Dear Reader My new story begins on a terror filled night when two babies identical twin girls of noble birth are separated One grows to womanhood as the frail manipulative ward of the handsome young earl of Harcourt The other becomes an enchanting street smart urchin who earns her way as a traveling player on the streets of England and France The two girls paths might never again have crossed if Harcourt hadn't run into Miranda in the midst of an exuberant performance The resemblance to his ward is unmistakable uncanny in fact and an ambitious plot begins to take shape in Harcourt's mind His ward Maude will commit herself to a convent rather than marry the love struck king of France who will soon be traveling to London to claim her What if Miranda were to take Maude's place Harcourt is confident that with the right training the right clothes and the right attitude the lithe carefree Miranda will captivate society and the king So begins Harcourt's breathtaking scheme to turn an ugly duckling into a gorgeous swan But if he succeeds too well Miranda may become something irresistible even to Harcourt It's a delicious dilemma and a dangerous deception and the twists and turns surprised even me Warmest wishes Jane Feather
