Jewish Responses to Persecution: 1944-1946 Leah Wolfson, 2015-08-13 Published in association with the United States Holocaust Memorial Museum With its unique combination of primary sources and historical narrative Jewish Responses to Persecution 1944 1946 provides an important new perspective on Holocaust history Covering the final year of Nazi destruction and the immediate postwar years it traces the increasingly urgent Jewish struggle for survival which included armed resistance and organized escape attempts Shedding light on the personal and public lives of Jews this book provides compelling insights into a wide range of Jewish experiences during the Holocaust Jewish individuals and communities suffered through this devastating period and reflected on the Holocaust differently depending on their nationality personal and communal histories and traditions political beliefs economic situations and other life history. The rich spectrum of primary source material collected including letters diary entries photographs transcripts of speeches and radio addresses newspaper articles drawings and official government and institutional memos and reports makes this volume an essential research tool and curriculum companion Christian Science Sentinel ,1904 A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev. [With the Text.] ,1870 Voice of Rejoicing and Salvation Jacob ben Wolf Kranz, 2005 An insightful commentary of the Dubner Maggid on the Book of Esther Here is a full English translation of the profound commentary on Megillas Esther by the famed Maggid of Dubno a legendary Torah scholar and orator This magnificent translation brings out the Maggid's powerful message filled with brilliant insights and the engaging parables that are the Habakkuk and Zephaniah Peter C. W. Ho, 2024-06-30 The books of Habakkuk and Zephaniah are Maggid s trademark God's word to his people Israel at the lowest point in their history the time of the Babylonian captivity In the horizon the looming national disaster is not simply contrasted with the prophetic hope of deliverance rather the brightest light that shines is the display of God's unchanging faithfulness power and holiness the foundations for divine action for the well being of the remnant of Judah They show us the faith of the righteous among the rebels and the ruins These two powerful books demonstrate that faith without faithfulness is an infantile fantasy Written in accessible language to guide readers into the world of Hebrew poetry this volume speaks to all those who continue to desire God in life s dark places and dark times revealing Scripture's beauty and power as we persist in seeking to understand its intricacies The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible A Brief Concordance or Table to the Bible ...
