Front Porch:

Front Porch Ann Rooney Heuer, 2002 **The Front Porch Revolution** Robert H. Lengel, 2018-07-18 A piece of music is more than the sum and sequence of its notes The spaces between the notes the rests or silences are just as essential Without those spaces the notes do not properly relate to each other and even the most profound composition degrades into mere noise Front porches metaphorically represent those rest spaces in our lives and they are vanishing Without them we are denying ourselves access to our music and possibility and the evidence is clear at all levels of interaction The social and political discourse in this country has of late eroded into noise and acrimony dialogue having been abandoned for weaponized partisan monologues Diatribes and rhetoric are gleefully accelerated like charged particles online and on competing TV news and talk radio shows In fact this dynamic is experienced in meetings of any scale where diverse perspectives clash around topics we care about But ask yourself what is being accomplished beyond gridlock frayed relationships and destructive polarization We need to meet in new ways The Front Porch Revolution is about the need to reassert true conversation and dialogue and reaffirm an earnest commitment to genuine communication If anything is to be accomplished and there is much that needs to be accomplished we must be able to hear ourselves think and be present with our personal stories that give context to that thinking This is more likely to happen on front porches than on the floor of Congress in board rooms in classrooms or on Facebook or Twitter Viewing the world from the front porch invites a new way of thinking about our communication challenges leadership and what we have become in the absence of front porches Based on decades of research and first hand experience at the Center for Professional Excellence at the University of Texas at San Antonio The Front Porch Revolution maps out a lucid thoughtful and hopeful path forward to possibility **Bungalow** Jane Powell, Linda Svendsen, 2004 Dissecting the bungalow the author presents the basics of Arts Craftstyle through hundreds of color photographs focusing on the unique furniture and lamp designs as well as the materials used to construct them 15 000 first printing Front Porch Tales Philip Gulley, 2009-10-13 Part Mark Twain part Garrison Keillor Philip Gulley is a breath of fresh air in an over sophisticated and often jaded world Gloria Gaither singer and songwriter Master storyteller Philip Gulley shares tender and hilarious real life moments that capture the important truths of everyday life When Philip Gulley began writing newsletter essays for the twelve members of his Quaker meeting in Indiana he had no idea one of them would find its way to radio commentator Paul Harvey Jr and be read on the air to twenty four million people Fourteen books later with more than a million books in print Gulley still entertains as well as inspires from his small town front porch Perhaps more things were resolved on America's front porches than in any other place and yet so few are being used today With this delightful collection of stories told in a warm and easy style Philip Gulley invites us to sit again on the front porch a place of hearth home and folks we've known Gary Smalley bestselling author and family relationship expert The tales Philip Gulley unveils are tender and humorous filled with sudden unexpected lump in the throat poignancy Paul Harvey Jr American radio

Half-Past Winter Nancy Hopkins Reily,2017-11-15 Nancy Hopkins Reily thought she knew everything she needed to know when she published *I Am At An Age* in 1990 at age fifty She says I had compiled my life s experiences with metaphors using the mountains as background I approached my experiences as universal experiences that everyone recognized as their life Six months after the book was published I realized I had more to learn in laws sandwich generation writing over thirty four years of journaling with selective excerpts sixty four lines of genealogy laurels my aging and grandchildren I knew I would have to write a sequel And here it is twenty two years later She has eliminated most of the

metaphors Some themes continue although homes clothes and make up have changed But her persona has remained the same Nancy says My ancestors gave me gifts I read that my great great grandmother born 1812 in South Carolina rode to Texas in a carriage with silver trimmings after her husband had died on their Jackson Mississippi plantation And I also found out after reading my mother s journals that she was voted unanimously the Queen of the May Pageant at Texas Christian University in 1928 Her journals of her European trip also provided insight into her relationship with my father These readings took on a life of their own as I used my years of notes teenage diaries and journals to form this gift to my descendants in this book I hope you enjoy it Chaotic Reasoning Carter Ossian,2022-05-25 Chaotic Reasoning By Carter Ossian An aging man in an unkempt home Dad has struggled severely with taking care of his environment and himself since the passing of Kathy the love of his life whom he lost to cancer years ago At the peak of his sadness he is visited by his daughter Penny In taking shared responsibility for his state with her four siblings she invites them all together after months of intentional separation to see what they can do to help Because of their vast differences they struggle to come up with a plausible solution Augustus the middle child proposes that they gift their father an old farmhouse like the one they grew up with to renew his purpose All seems to go according to plan for several days All transport and access to the outside world is lost through a series of mysterious events leading to the idea that the true purpose for their gathering is much more malicious *Specifications and Drawings of Patents Issued from the United States Patent Office* United States. Patent Office,1900 *The Portable Creek* Keith Huffman,2021-03-05 Benefits Charity This is a family memoir of sorts told one newspaper column at a time a variety of memories stitched together like a patchwork quilt So writes columnist Keith Huffman in describing this nifty collection of Southern essays that pay tribute to a charming bunch of characters who personify small town life Reflecting on his childhood in the West Alabama town of Gordo Huffman shares the stories and memories of the folks who made their marks on him including Pawpaw Buck the ornery though lovable old coot whose dying wish was to get baptized by the very country preacher who d been damned determined to save his soul for decades Doe Doe the author s father a Crimson Tide fanatic and big rig ace whose One True Love was a black and silver 1979 Ford F 150 that flaunted its glorious name across its gleaming windshield Silver Bullet Mawmaw Sue expert remover of deadly splinters and master engineer who once used a shoestring to keep a push mower running long enough to finish the job Aunt Lorene a beast of a card player who lacked neither a winning hand nor mocking grin for her brother Henry the man who not only named himself but fulfilled an old psychic s prophecy that he d go overseas and find a gold mine Other stories involve bootlegging shenanigans a drunken cage match with a wild cat plus the author s burned luck and bitter fishing tragedy Huffman also shares about how he learned the fine art of backroad skepticism his ongoing ponderings over how life as a turtle could have turned out and his musings over the joys of fatherhood proving that parenting is no easy task especially when a young un holds a grudge after dreaming his mother ate his dinosaur This collection also includes other newspaper features Huffman
