**Saul and Selected Poems** Charles Heavysege, 1976-12-15. *Saul and Selected Poems* is an original and useful introduction to the work and poetic personality of Charles Heavysege, 1816-76, an important but currently neglected nineteenth-century Canadian writer. Heavysege was handicapped by a limited education and a lack of public support yet nonetheless established himself in Great Britain and America as the leading intellect of the Dominion in a period when native literature was scantily regarded. His struggle to express himself and to find an audience for his work mirrors the dilemma of the migrant writer of his time. Heavysege's work is related in this volume to the early nineteenth-century English revival of poetic drama and seen in the context of the Canadian cultural milieu of the 1860s. *Saul* is a powerful presentation of the tormented soul caught in a world of order and universal degree. Its main interest is to be found in the psychological frankness. *Saul's* recognition of his demon resonates with the deeper implication of the recognition of the deeply pained and in passages of sinewy verse written with a directness that anticipates E. J. Pratt. The text of *Saul* and *Jezebel* selections from *Jephthah's Daughter*, an original commentary on the major poems, a bibliography and a review of Heavysege criticism are all included in this volume. *Literature of Canada* 19.

**Wives and Mothers, Schoolmistresses and Scullery Maids** Elizabeth Jane Errington, 1995. Arguing that the role of Upper Canadian women in the overall economy of the early colonial period has been greatly undervalued by contemporary historians, Jane Errington illustrates how the work they did, particularly as wives and mothers, played a significant role in the development of the colony.
