Ella Baker:

Ella Baker and the Black Freedom Movement, Second Edition Barbara Ransby, 2024-10-15 One of the most important African American leaders of the twentieth century and perhaps the most influential woman in the civil rights movement Ella Baker 1903 1986 was an activist whose remarkable career spanned fifty years and touched thousands of lives A gifted grassroots organizer Baker shunned the spotlight in favor of vital behind the scenes work that helped power the Black freedom struggle Making her way in predominantly male circles while maintaining relationships with a vibrant group of women students and activists Baker was a national officer and key figure in the NAACP a founder of the Southern Christian Leadership Conference and a prime mover in the creation of the Student Nonviolent Coordinating Committee In this definitive biography Barbara Ransby chronicles Baker's long and rich career revealing her complexity radical democratic worldview and enduring influence on group centered grassroots activism Beyond documenting an extraordinary life Ransby paints a vivid picture of the African American fight for justice and its intersections with other progressive struggles worldwide throughout the twentieth century

Ella Baker's Catalytic Leadership Patricia S. Parker, 2020-11-17 Ella Baker 1903 1986 was an influential African American civil rights and human rights activist For five decades she worked behind the scenes with people in vulnerable communities to catalyze social justice leadership Her steadfast belief in the power of ordinary people to create change continues to inspire social justice activists around the world This book describes a case study that translates Ella Baker's community engagement philosophy into a catalytic leadership praxis which others can adapt for their work Catalytic leadership is a concrete set of communication practices for social justice leadership produced in equitable partnership with instead of on communities The case centers the voices of African American teenage girls who were living in a segregated neighborhood of an affluent college town and became part of a small collective of college students parents university faculty and community activists learning leadership in the spirit of Ella Baker

We Who Believe in Freedom Lea E. Williams, 2017-11-15 The second volume in the True Tales for Young Readers series this short biography of the civil rights leader is intended for middle school and high school readers Ella Baker who grew up in Littleton North Carolina is best remembered for the role she played in facilitating in April 1960 the organizational meeting of the Student Nonviolent Coordinating Committee at Shaw University her alma mater With passion and clear understanding Lea E Williams outlines the life that brought Baker to this crucial point in U S history

Lift as You Climb Patricia Hruby Powell, 2020-06-09 Learn about the civil rights activist Ella Baker in this inspiring picture book from Sibert Honor winner Patricia Hruby Powell and Caldecott Honor winner R Gregory Christie What do you hope to accomplish asked Ella Baker's granddaddy when she was still a child Her mother provided the answer Lift as you climb Long before the civil rights movement of the 1950s and 60s Ella Baker worked to lift others up by fighting racial injustice and empowering poor African Americans to stand up for their rights Her dedication and grassroots work in many communities made her a valuable ally for

leaders like Dr Martin Luther King Jr and she has been ranked as one of the most influential women in the civil rights movement In the 1960s she worked to register voters and organize sit ins and she became a teacher and mentor to many young activists Caldecott Honor winner R Gregory Christie s powerful pictures pair with Patricia Hruby Powell s poignant words to paint a vivid portrait of the fight for the freedom of the human spirit **North Carolina Women** Michele Gillespie,Sally G. McMillen,2015-07-01 By the twentieth century North Carolina s progressive streak had strengthened thanks in large part to a growing number of women who engaged in and influenced state and national policies and politics These women included Gertrude Weil who fought tirelessly for the Nineteenth Amendment which extended suffrage to women and founded the state chapter of the League of Women Voters once the amendment was ratified in 1920 Gladys Avery Tillett an ardent Democrat and supporter of Roosevelt s New Deal became a major presence in her party at both the state and national levels Guion Griffis Johnson turned to volunteer work in the postwar years becoming one of the state s most prominent female civic leaders Through her excellent education keen legal mind and family prominence Susie Sharp in 1949 became the first woman judge in North Carolina and in 1974 the first woman in the nation to be elected and serve as chief justice of a state supreme court Throughout her life the Reverend Dr Anna Pauline Pauli Murray charted a religious literary and political path to racial reconciliation on both a national stage and in North Carolina This is the second of two volumes that together explore the diverse and changing patterns of North Carolina women s lives The essays in this volume cover the period beginning with women born in the late nineteenth and early twentieth centuries but who made their greatest contributions to the social political cultural legal and economic life of the state during the late progressive era through the late twentieth century *I've Got the Light of Freedom* Charles M. Payne,2007-03-16 With this history of the civil rights movement focusing on Everyman turned hero the commoner as crusader for justice Payne challenges the old idea that history is the biography of great men Kirkus Reviews Remarkably astute in its judgments and strikingly sophisticated in its analyses it is one of the most significant studies of the Black freedom struggle yet published David J Garrow author of the Pulitzer Prize winning *Bearing the Cross* This extremely important book clearly reveals the logic of how ordinary people propelled the civil rights movement It provides a basis for optimism as we approach the next century Aldon Morris author of *The Origins of the Civil Rights Movement* *Women in the Civil Rights Movement* Vicki L. What Can We Learn from the Great Depression? Dana Frank, 2024-10-08 4 stories of resilience mutual aid and radical rebellion that will transform how we understand the Great Depression Drawing on little known stories of working people *What Can We Learn from the Great Depression* amplifies voices that have been long omitted from standard histories of the Depression era In four tales Professor Dana Frank explores how ordinary working people in the US turned to collective action to meet the crisis of the Great Depression and what we can learn from them today Readers are introduced to the 7 daring Black women who worked as wet nurses and staged a sit down strike to demand better pay and an end to racial discrimination the groups who used mutual aid cooperatives eviction protests and demands for government relief to meet their basic needs the million Mexican and Mexican American repatriados who were erased from mainstream historical memory while often fictitious white Dust Bowl migrants became enshrined the Black Legion a white supremacist fascist organization that saw racism antisemitism anti Catholicism and fascism as the cure to the Depression While capitalism crashed during the Great

Depression racism did not and was in fact wielded by some to blame and oppress their neighbors Patriarchy persisted too undermining the power of social movements and justifying women s marginalization within them For other ordinary people collective action gave them the means to survive and fight against such hostilities What resulted were powerful new forms of horizontal reciprocity and solidarity that allowed people to provide each other with the bread beans and comradeship of daily life The New Deal when it arrived provided vital resources to many but others were cut off from its full benefits especially if they were women or people of color What Can We Learn from the Great Depression shows us how we might look to the past to think about how we can shape the future of our own failed economy These lessons can also help us imagine and build movements to challenge such an economy and to transform the state as a whole in service to the common good without replicating racism and patriarchy

Portraits of Integrity Charlotte Alston,Amber Carpenter,Rachael Wiseman,2020-04-16

Portraits of Integrity depicts more than 20 historical fictional and contemporary figures whose character or life raises questions about what integrity is and how it is perceived Integrity might be culturally bound but this diverse set of portraits demonstrates that it is not the special preserve of any one culture Portraits of Socrates Mencius Rama and Job alongside the aspirational 16th century couple John and Dorothy Kaye civil rights activist Ella Baker and an anonymous banker highlight the persisting sometimes conflicting features of a life lived with integrity An introduction identifies and discusses the key questions and themes raised by the case studies encouraging the reader to determine for themselves the weight and significance of the recurring topics integrity brings up truth awkwardness goodness and charisma For anyone looking to learn more about this elusive virtue Portraits of Integrity is an essential collection It uncovers the manifold aspects of integrity illustrates the various possibilities for its expression in a life and asks whether living a life of integrity means living a life of isolation and hardship or if it is possible to live with integrity without jeopardising all else

Christianity, Democracy, and the Radical Ordinary Stanley Hauerwas,Romand Coles,2008-01-01 In Christianity Democracy and the Radical Ordinary theologian Stanley Hauerwas and political theorist Romand Coles reflect about possibilities and practices of radical democracy and radical ecclesia that take form in the textures of relational care for the radical ordinary They seek to shift political and theological imaginations beyond the limits of contemporary political formations such as global capitalism the mega state and empire which they argue are based upon both the denial and production of death Hauerwas and Coles call us to a revolutionary politics of wild patience that seeks transformation through attentive practices of listening relationship building and a careful tending to places common goods and diverse possibilities for flourishing Both authors translate back and forth across as well as dwell in the tensions between the languages of radical democracy and of trial cross and resurrection Engaging each other through a variety of genres from essays to letters to cowriting and dialogue Hauerwas and Coles seek to enact a politics that is evangelical in its radical

receptivity across strange differences and that cultivates power in relation to vulnerability The authors argue that there is a strong relation between hope and imagination as well as between imagination and the encounter with and memory of those who have lived with receptive generosity toward the radical ordinary Hence throughout this book they think extensively in relation to specific lives and practices from Ella Baker and the early Student Nonviolent Coordinating Committee organizing efforts for beloved community and civil rights to L Arche communities founded by Jean Vanier to contemporary faith based radical democratic organizing efforts in dozens of cities by the Industrial Areas Foundation Pushing and pulling each other into new and insightful journeys of political imagination this conversation between a radical Christian and a radical democratic trickster spurs us toward a politics that acknowledges tends to and enacts the powers of the radical ordinary

Participatory Grantmaking in Philanthropy David F. Suárez, Jasmine McGinnis Johnson, Cynthia M. Gibson, Chris Cardona, 2024 Amid growing fears that democracy is under threat there has been a surge in the number of civil society organizations internationally that emphasizes civic participation empowerment equality and justice The latter are inherent in participatory practice which has exploded as a result including in the philanthropic sector where there are now a growing number of organizations dedicated to this ethos For decades philanthropy was seen as endowed foundations set up by the rich but that has begun to change with crowdfunding giving circles donor advised funds and a panoply of digital giving platforms that allow everyone to be a philanthropist While tech enabled collective giving is indeed one way in which philanthropy is evolving this collection will address a related but distinct phenomenon institutional foundations that choose to allow nonprofit and community participation in decisions on grants

Freedom Is an Endless Meeting Francesca Polletta, 2012-06-12 This excellent study of activist politics in the United States over the past century challenges the conventional wisdom about participatory democracy Times Literary Supplement Freedom Is an Endless Meeting offers vivid portraits of American experiments in participatory democracy throughout the twentieth century Drawing on meticulous research and more than one hundred interviews with activists Francesca Polletta upends the notion that participatory democracy is worthy in purpose but unworkable in practice Instead she shows that social movements have often used bottom up decision making as a powerful tool for political change Polletta traces the history of democracy from

early labor struggles and pre World War II pacifism through the civil rights new left and women s liberation movements of the sixties and seventies and into today s faith based organizing and anti corporate globalization campaigns In the process she uncovers neglected sources of democratic inspiration such as Depression era labor educators and Mississippi voting registration workers as well as practical strategies of social protest Polletta also highlights the obstacles that arise when activists model their democracies after nonpolitical relationships such as friendship tutelage and religious fellowship She concludes with a call to forge new kinds of democratic relationships that balance trust with accountability respect with openness to disagreement and caring with inclusiveness For anyone concerned about the prospects for democracy in America Freedom Is an Endless Meeting will offer abundant historical theoretical and practical insights Civil Rights in New York City Clarence Taylor,2011 Clarence Taylor is Professor of History and Black and Hispanic Studies at Baruch College and Professor of History at the Graduate Center City University of New York Book Jacket **The American Radical** Mary Jo Buhle,2013-02-01 The American Radical tells the story of American democracy from the late 18th century to the present through the lives of the women and men who have fought to advance it
