The Farm on the Gravois Alan W. O'Bright, 1999 *American Ulysses* Ronald C. White, 2017-06-06 NEW YORK TIMES BESTSELLER

From the author of *A Lincoln* a major new biography of one of America's greatest generals and most misunderstood presidents Winner of the William Henry Seward Award for Excellence in Civil War Biography Finalist for the Gilder Lehrman Military History Book Prize In his time Ulysses S Grant was routinely grouped with George Washington and Abraham Lincoln in the Trinity of Great American Leaders But the battlefield commander turned commander in chief fell out of favor in the twentieth century In *American Ulysses* Ronald C White argues that we need to once more revise our estimates of him in the twenty first Based on seven years of research with primary documents some of them never examined by previous Grant scholars this is destined to become the Grant biography of our time White a biographer exceptionally skilled at writing momentous history from the inside out shows Grant to be a generous curious introspective man and leader a willing delegator with a natural gift for managing the rampaging egos of his fellow officers His wife Julia Dent Grant long marginalized in the historic record emerges in her own right as a spirited and influential partner Grant was not only a brilliant general but also a passionate defender of equal rights in post Civil War America After winning election to the White House in 1868 he used the power of the federal government to battle the Ku Klux Klan He was the first president to state that the government's policy toward American Indians was immoral and the first ex president to embark on a world tour and he cemented his reputation for courage by racing against death to complete his *Personal Memoirs* Published by Mark Twain it is widely considered to be the greatest autobiography by an American leader but its place in Grant's life story has never been fully explored until now One of those rare books that successfully recast our impression of an iconic historical figure *American Ulysses* gives us a finely honed three dimensional portrait of Grant the man husband father leader writer that should set the standard by which all future biographies of him will be measured Praise for *American Ulysses* Ronald C White portrays a deeply introspective man of ideals a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment USA Today White delineates Grant's virtues better than any author before By the end readers will see how fortunate the nation was that Grant went into the world to save the Union to lead it and on his deathbed to write one of the finest memoirs in all of American letters The New York Times Book Review Ronald White has restored Ulysses S Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly Like Grant himself this book will have staying power The Wall Street Journal Magisterial Grant's esteem in the eyes of historians has increased significantly in the last generation *American Ulysses* is the newest heavyweight champion in this movement The Boston Globe Superb illuminating inspiring and deeply moving Chicago Tribune In this sympathetic rigorously sourced biography White conveys the essence of Grant the man and Grant the warrior Newsday *First Ladies of Usa* Marshella Marshall, 2021-03-09 My book is a wonderful depiction of the US first ladies My book is educational and informative I enjoy this book because it tells you behind the scenes glimpse of the government in real life *The Papers of*
