Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death. If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified. Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done.
