Schneider, Peter Trudgill, Daniel
Schreier**

Embattled Island Palau's Struggle For Independence:

Embattled Island Arnold Leibowitz, 1996-02-16 The compact took on enormous symbolic importance throughout the world because of a provision in the Palau Constitution that Palau could not grant the U S nuclear rights without the approval of 75% of the people of Palau A number of groups fought against ratification of the compact by Palau They viewed Palau as the symbol of a nuclear free Pacific and the hope for an environmental preserve against great power imperialism and military intrusion in the Pacific

Pacific Ways Stephen Levine, 2016-06-01 Examining the politics of each Pacific Island state and territory this well researched volume discusses historical background and colonial experience constitutional framework political institutions political parties elections and electoral systems and problems and prospects Pacific Island countries and territories included are the original seven member states New Zealand Australia Fiji Samoa Tonga Nauru and the Cook Islands along with all the new member states and organizations A wide ranging political survey this comprehensive and completely up to date reference will appeal to Pacific peoples and anyone with an interest in politics

The Oxford Handbook of Asian American History David Yoo, Eiichiro Azuma, 2016 The Oxford Handbook of Asian American History brings together 27 essays that engage the state of the field with historiographically informed but creative approaches to this diverse and vibrant area The chapters trace Asian American history from the beginning of the migration flows toward the Pacific Islands and the American continent to Japanese American incarceration and Asian American participation in World War II from the experience of exclusion violence and racism to the social and political activism of the late twentieth century The authors explore many of the key aspects of the Asian American experience including politics economy intellectual life the arts education religion labor gender family urban development and legal history

Further Studies in the Lesser-Known Varieties of English Jeffrey P. Williams, Edgar W. Schneider, Peter Trudgill, Daniel Schreier, 2015-04-30 This book documents the lesser known varieties of English which have been overlooked and understudied within the canon of English linguistics

The Pacific Basin since 1945 Roger C. Thompson, 2014-09-25 The nations of the Pacific Basin in East and Southeast Asia Australasia the Pacific islands and the Americas make up the world's largest economic zone and its most culturally diverse region In recent years its Asian Tiger Economies have suffered economic collapse and unfinished business from the Cold War has produced continuing conflict and instability The new edition of this pioneering book traces the postwar inter relationships of all the rim and island nations It gives a unique impression of the make up of the region and the tensions within it The book integrates a wide range of information from books and articles from published and unpublished sources including recently opened Russian and American archives and from the first hand experiences of participants including those of the author in Pacific Basin affairs Vigorously written and strongly argued no other account brings together all the threads of the development of international relations in this complex and fascinating region

An Honorable Accord Howard P. Willens, Deanne C. Siemer, 2001-10-31 In 1975 after three centuries of colonial rule the people of the Northern Marianas

exercised their right of self determination to become U S citizens in a self governing commonwealth under U S sovereignty An Honorable Accord is the remarkable account of their tenacious efforts to shape a political future separate from other Micronesian peoples of the negotiations that produced the Covenant defining the commonwealth relationship and its eventual approval by the Northern Marianas people and the U S Congress *Lost Histories* Kirsten L. Ziomek, 2020-10-26 A grandson's photo album Old postcards English porcelain A granite headstone These are just a few of the material objects that help reconstruct the histories of colonial people who lived during Japan's empire These objects along with oral histories and visual imagery reveal aspects of lives that reliance on the colonial archive alone cannot They help answer the primary question of *Lost Histories* Is it possible to write the history of Japan's colonial subjects Kirsten Ziomek contends that it is possible and in the process she brings us closer to understanding the complexities of their lives *Lost Histories* provides a geographically and temporally holistic view of the Japanese empire from the early 1900s to the 1970s The experiences of the four least examined groups of Japanese colonial subjects the Ainu Taiwan's indigenous people Micronesians and Okinawans are the centerpiece of the book By reconstructing individual life histories and following these people as they crossed colonial borders to the metropolis and beyond Ziomek conveys the dynamic nature of an empire in motion and explains how individuals navigated the vagaries of imperial life *Politics and Democracy in Microstates* Wouter Veenendaal, 2014-10-17 Why are small states statistically more likely to have a democratic political system By addressing this question from a qualitative and comparative methodological angle this book analyses the effects of a small population size on political competition and participation By comparing the four microstates of San Marino Europe St Kitts and Nevis Caribbean Seychelles Africa and Palau Oceania it provides fresh and stimulating insight concluding that the political dynamics of microstates are not as democratic as commonly believed Instead it is found in all four cases that smallness results in personalistic politics dominance of the political executive patron client relations between citizens and politicians and the circumvention of formal political institutions In addition the book suggests that the study of formal institutions provides an incomplete image of microstate democracy and that informal characteristics of politics in microstates also need to be explored in order to better explain the influence of smallness on democracy This book will be of key interest to scholars and students of democracy democratization regional and decentralization studies and comparative politics **Aspects of (Post)Colonial Linguistics** Daniel Schmidt-Brücken, Susanne Schuster, Marina Wienberg, 2016-01-15 Research in Colonial and Postcolonial Linguistics has experienced a significant increase in contributions from varying fields of language studies gaining the attention of scholars from all over the world This volume aims to showcase the variety of topics relevant to the study of language's in colonial postcolonial and decolonial contexts A main reason of this variety is that the new paradigm invites and necessitates research on different subject matters such as language typology grammar and cross linguistics meta linguistics and research on language ideology discourse analysis and pragmatics The contributions of this volume are

selected peer reviewed papers which were partly invited and partly given at the First Bremen Conference on Colonial and Postcolonial Linguistics held in September 2013

Asian Yearbook of International Law, Volume 7 (1997) Sik Ko Swan,M.C.W. Pinto,Surya Subedi,2020-01-29 The Asian Yearbook of International Law is the first publication dedicated primarily to international law as seen from an Asian perspective It provides international law articles written by experts from the region and other articles relating to Asian topics The editorial board national correspondents advisory council and governing board comprise a diverse group of academics and government officials from a wide range of countries and positions The Asian Yearbook of International Law offers a number of useful features articles notes legal materials such as the state practice in a number of Asian countries and participation in multilateral treaties Asia and international organizations chronicle of events for the covered year literature including book reviews and a bibliography selected documents treaties agreements and other relevant primary documents and an index Its range of features assures that the Yearbook comprehensively covers the critical events legislation and issues of the past year and that users can easily access all of this information Academics and practitioners who deal with international public law in Asia will appreciate this unique complete resource The Asian Yearbook of International Law provides insight into Asian views and practices especially for non Asian readers and also promotes the dissemination of knowledge of international law in Asia Some of the topics covered in this volume the secession of Bangladesh in international law the Asian Development Bank Administrative Tribunal port state control a comment on the Tokyo MOU maritime jurisdiction over vessel source pollution in the EEZ the Chinese experience

The Typhoon of War Lin Poyer,Suzanne Falgout,Laurence Marshall Carucci,2000-11-01 World War II was a watershed event for the people of the former Japanese colonies of Micronesia The Japanese military build up the conflict itself and the American occupation and control of the conquered islands brought rapid and dramatic changes to Micronesian life Whether they spent the war in caves and bomb shelters in sweet potato fields under armed Japanese guard or in their own homes Micronesians who survived those years recognize that their peoples underwent a major historical transformation Like a typhoon the war swept away a former life The Typhoon of War combines archival research and oral history culled from more than three hundred Micronesian survivors to offer a comparative history of the war in Micronesia It is the first book to develop Islander perspectives on a topic still dominated by military histories that all but ignore the effects of wartime operations on indigenous populations The authors explore the significant cultural meanings of the war for Island peoples for the events of the war are the foundation on which Micronesians have constructed their modern view of themselves their societies and the wider world Their recollections of those tumultuous years contain a wealth of detail about wartime activities local conditions and social change making this an invaluable reference for anyone interested in twentieth century Micronesia Photographs maps and a detailed chronology will help readers situate Micronesian experiences within the broader context of the Pacific War

Famous Assassinations in World History Michael Newton,2014-04-17 Representing a unique

reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people s attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person s significance discusses the person s assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history
