What Gender Should Be Matthew J. Cull, 2024-05-16 What is gender What should gender look like in the 21st century This book brings together philosophy with insights from feminist and transgender theory to argue for

gender pluralism that there should be more than two genders and that each gender term should have multiple meanings

Developing an explicitly political version of conceptual engineering What Gender Should Be contains novel and powerful arguments both against existing theories of gender such as family resemblance accounts and against gender abolition underlining how each is insufficient for thinking about and doing justice to contemporary transgender identities and politics

Instead Matthew J Cull argues that we should be pluralists about gender putting forward and advocating for a position that is more apt for contemporary transgender and feminist activism

The 21st century requires a new way of thinking about gender

What Gender Should Be sets out to provide it

Sexualized Media Messages and Our Children Jennifer W. Shewmaker,2015-02-24

This provocative book takes a look at children s consumption of sexualized media messages while providing parents teachers and professionals with strategies for abating their influence

In this eye opening book experienced child psychologist Jennifer W Shewmaker contends that the manner in which a child is raised influences how they respond to media messages particularly those shaded by sexual overtones

This text takes a hard look at the impact of advertisements products and entertainment on a child s psyche and offers strategies for helping kids become

critical active media consumers Drawing from research in a wide variety of disciplines this book explores the interpersonal factors within children s lives that impact how they learn to process sexualized media messages The book argues that an increase in marketing to children along with media based fabrications of beauty masculinity and femininity impact the confidence and character of young children who are often greatly affected by what they see and hear The author shares invaluable tips for promoting strengths in children and adolescents of both genders and presents the protective influence of communities to help children dismiss distorted media images
