

# EVALUATING NEW LABOUR'S WELFARE REFORMS

Edited by Martin Powell

# Evaluating New Labours Welfare Reforms

**Dowling, Bernard, Glendinning,  
Caroline**

## **Evaluating New Labours Welfare Reforms:**

**Evaluating New Labour's welfare reforms** Powell, Martin, 2002-07-17 The New Labour Government has placed great emphasis on service delivery It has provided performance information in the form of Annual Reports Public Service Agreements Performance Assessment Frameworks and a host of other targets But has New Labour delivered on its welfare reform **Evaluating New Labour's welfare reforms** provides the first detailed and comprehensive examination of the welfare reforms of New Labour's first term compares achievements with stated aims examines success in the wider context contributes to the debate on the problems of evaluating social policy It is essential reading for academics and students of social policy and provides important information for academics and students in a wide range of areas such as politics sociology public policy public administration and public management interested in welfare reform and policy evaluation

Modernising the Welfare State Martin Powell, 2008-09-30 This book the third in Martin Powell's New Labour trilogy analyses the legacy of Tony Blair's government for social policy focusing on the extent to which it has changed the UK welfare state Evaluating New Labour's Welfare Reforms Martin Powell, 2002-07-17 This title provides a detailed study of the welfare reforms of New Labour's first term It compares achievements with stated aims examines success in the wider context and contributes to the debate on the problems of evaluating social policy Taking Stock Stewart, John, 2014-03-21 As part of the devolution process a range of powers was granted to the newly formed Scottish Parliament in 1999 These powers principally governed social welfare where there was already a degree of Scottish autonomy Welfare has thus been central to the devolution project The book looks at why social welfare issues were central to the devolution process in Scotland explores the particular social and financial circumstances in which Scottish policy makers operate reviews and assesses Scottish policies for children education and lifelong learning examines health policy including care for the elderly an especially controversial example of policy divergence from England and provides an invaluable overview of the Scottish welfare state as it is and discusses how it might develop in the future This book is essential reading for all those concerned with the contemporary and historical dimensions of social policy in Scotland and how they relate to developments in other parts of the United Kingdom **Not so New Labour** Simon Prideaux, 2005-03-23 New Labour has concentrated many of its social policy initiatives in reinvigorating the family community and work in the paid labour market But just how new are the ideas driving New Labour's policy and practice In this book Simon Prideaux shows how New Labour has drawn on the ideas and premises of functionalism which dominated British and American sociological thought during the 1940s 1950s and 1960s The book provides an accessible overview of the theories that underpin the policies of New Labour including the often labyrinthine theories of Talcott Parsons Amitai Etzioni and Anthony Giddens examines the ideas of Charles Murray and John Macmurray philosophers publicly admired by Tony Blair looks at the sociological origin of debates and controversies that surround the provision of welfare in both the US and UK and considers the alienating effects that New Deal schemes may

have in Britain today Not so New Labour's innovative approach to the analysis of social policy under New Labour will be invaluable to academics students and researchers in social policy sociology politics and applied social studies

**New Labour's State of Health** Calum Paton, 2017-05-15 In this timely and unique work Calum Paton assesses the political economy and politics of current health policy in order to explain the underlying causes of problems in the National Health Service Debates from political theory political economy and public administration are used to examine health policy made and implemented by New Labour since their election victory in 1997 The author argues that the fundamental nature of health policy is dependent upon the prevailing regime in political economy and also that policy overload contradictions and confusion have rendered the task of coherent implementation very difficult Although there is implicit comparison the primary focus is England within the UK post devolution and the book provides a detailed examination of contemporary health policy Written by an established scholar in the field it will particularly interest academics post graduate students and professionals in health policy social policy and politics

*The New Primary Care* Dowling, Bernard, Glendinning, Caroline, 2003-10-01 The modernization of the NHS is at the heart of the UK government's policies for public sector services This modernization programme represents the most radical and ambitious restructuring of the NHS since its inception in 1948 The new Primary Care Groups and Trusts PCG Ts are the main organizational mechanism for delivering the modernization agenda and are therefore key to the success or otherwise of these reforms

**EBOOK: The New Primary Care** Bernard Dowling, Caroline Glendinning, 2003-10-16 The modernization of the NHS is at the heart of the UK government's policies for public sector services This modernization programme represents the most radical and ambitious restructuring of the NHS since its inception in 1948 The new Primary Care Groups and Trusts PCG Ts are the main organizational mechanism for delivering the modernization agenda and are therefore key to the success or otherwise of these reforms To date there has been no comprehensive evaluation of how PCG Ts have been performing in implementing the modernization programme this book fills that important gap in knowledge It provides a strong text of first evidence about the performance of PCG Ts to date this forms the basis for discussions about future success and a benchmark for future research The New Primary Care will be an essential resource for all advanced students of health care as well as academics researchers and policy makers

**Trading Time** Lee Gregory, 2016-06-01 Welfare reform in the wake of austerity has fostered increased interest in self help initiatives within the community sector Amongst these time banking one of a number of complementary currency systems has received increasing attention from policy makers as a means for promoting welfare reform This book is the first to look at the concept of time within social policy to examine time banking theory and practice By drawing on the social theory of time to examine the tension between time bank values and those of policy makers it argues that time banking is a constructive means of promoting social change but is hindered by its co option into neo liberal thinking This book will be valuable for academics researchers with an interest in community based initiatives the third voluntary sectors and theoretical analysis of social

policy and political ideologies      Critical Social Work with Children and Families Steve Rogowski, 2024-02-27 In dealing with individual problems and difficulties critical social work CSW is an emancipatory practice which seeks to address social injustice In this book the author draws on almost 40 years experience as a social worker to consider CSW in core areas of practice with children and families Fully updated to cover the impact of austerity Brexit the COVID 19 pandemic and cost of living crisis this accessible textbook is essential reading for students educators and practitioners of child and family social work It features clearly signposted theory and practice sections over 10 case studies including those drawn from the author's experience end of chapter Key points summaries further reading suggestions With expanded coverage of race and intersectionality contextual safeguarding and critical child protection the book champions the development of resilient social workers working towards a more just and equal world      **Social Policy** Michael Lavalette, Alan Pratt, 2005-11-15 The Third Edition of this widely adopted textbook has been thoroughly revised and offers an authoritative and up to date coverage of the key theories concepts and issues in social policy The lively and readable text has been designed to provide students with the essential tools to gain a clear understanding of the theoretical debates surrounding the discipline The book is organized into three parts Part One offers a detailed but accessible critique of major theoretical approaches such as neo liberalism Marxism feminism and racism Part Two explores conceptual debates such as distributive justice and postmodernism Part Three engages with contemporary social policy issues such as children pensions and the role of New Labour It also features newly commissioned chapters to reflect recent developments and current debates within social policy New areas of consideration include Citizenship Post structuralism The politics of food Globalization Student exercises and reading lists feature throughout the text and practical examples are skilfully used to illustrate conceptual and theoretical material making it the ideal core textbook for undergraduate social policy students as well as those studying related welfare modules across the social sciences      Towards a More Equal Society? John Hills, Tom Sefton, Kitty Stewart, 2009-02-25 When New Labour came to power in 1997 its leaders asked for it to be judged after 10 years on its success in making Britain a more equal society This volume provides an independent assessment of the success or otherwise of New Labour's policies      **The Impact of Networks on Unemployment** J. M. Hurst, 2016-10-12 This book investigates why networks some with joined up governance remits appeared ineffective in handling neighbourhood unemployment even in periods when the national unemployment levels dropped It deploys a multi theoretical and methodological framework to investigate this empirical puzzle and to test and analyse the causal factors influencing network outcomes Chapters examine network concepts network theories outcome indicators the historical infrastructure and management of unemployment policy and governing network trends in post war urban regeneration interventions Comparative network case studies offer empirical evidence and a high degree of local variation Mixed methods qualitative and quantitative approaches including social network analysis uncover formal and informal networks and eighty six interviews in two English local authorities with persistent unemployment give

voice to network practitioner experiences Findings explain why sub optimal network outcomes prevail and operational difficulties persist on the ground Students and academics professionals and activists can use the results to challenge network governance theories and the policy status quo *Social Policy Review 17* Powell, Martin,Bauld, Linda,2005-06-22 Social Policy Review provides students academics and all those interested in welfare issues with detailed analyses of progress and change in areas of major interest during the past year Contributions reflect key developments in the UK and internationally and focus on developments and change in core UK social policy areas Additional chapters provide in depth analyses of topical issues in UK and international perspective while this year s themed section is New Labour **Introducing Social Policy** Cliff Alcock,Guy Daly,Edwin Griggs,2014-06-06 The completely revised second edition of this highly respected textbook provides a comprehensive yet digestible and accessible introduction to the theoretical foundations development and crucial areas of contemporary concern in social policy and welfare Fully up to date it provides a concise but thorough overview of the context for the provision of social welfare in contemporary Britain and beyond Providing an integrated framework to highlight the relationships between theory policy and practice Introducing Social Policy examines social policy from a multi disciplinary perspective It therefore encourages a broad understanding of the importance of the subject within social policy itself as well in social work healthcare education and beyond **Social Policy** Hugh Bochel,Guy Daly,2020-07-12 This thoroughly revised and expanded new edition provides a comprehensive introduction to contemporary social policy and addresses its historical theoretical and contextual foundations as well as contemporary policy issues relating to health education and welfare as well as the impact of Brexit Divided into four parts it opens with a survey of the socio economic political and governmental contexts within which social policy operates before moving on to look at the historical development of the subject The third section examines contemporary aspects of providing welfare whilst the final part covers European and wider international developments The text explores the major topics and areas in contemporary social policy for example work and welfare education adult health and social care children and families crime and criminal justice health housing race disability social care and includes new chapters on class as well as comparative social policy Issues are addressed throughout in a lively and accessible style and examples are richly illustrated to encourage the student to engage with theory and content and to help highlight the relevance of social policy in our understanding of modern society It is packed with features including Spotlight Discussion and review and Controversy and debate boxes as well as further readings and recommended websites A comprehensive glossary also provides explanations of key terms and abbreviations This is an essential textbook for undergraduate students taking courses in social policy and related subjects such as criminology health studies politics sociology nursing youth and social work Contemporary Child Care Policy and Practice Barbara Fawcett,Brid Featherstone,Jim Goddard,2017-03-14 This important text will provide a critical analysis of contemporary developments in child care policy under New Labour and the resulting policy and practice implications The

authors will draw on sociological debates the growing children s rights literature and wider developments within social policy in order to provide a thorough and balanced guide to contemporary developments in this rapidly changing field Ideologies behind recent initiatives in a wide range of practice areas are explored and the implementation of key developments are appraised This will be primary reading for all students specializing in work with children and their families

**Social Democracy in Power** Wolfgang Merkel,Alexander Petring,Christian Henkes,Christoph Egle,2008-03-31 Compares and explores how social democratic governments have had to adapt to globalization European integration and social change and whether they have successfully managed to uphold old social democratic goals and values in light of the devaluation of traditional policy instruments

**Understanding Disability Policy** Alan Roulstone,Simon Prideaux,2012 Understanding disability policy explores the roles of social security social support poverty socio economic status community safety official discourses and spatial change in shaping disabled people s opportunities

**Political Issues in the World Today** Don MacIver,2004 This text provides a comprehensive account of the most salient political issues in world politics and explains their significance in a way that is accessible to students and non specialists alike The end of the Cold War led to a widespread feeling of relief and talk of a new world order Optimism however was short lived and a whole range of difficult new issues including ethnic conflict refugees terrorism and world security have come to the fore A number of ethical and moral issues such as poverty human rights and religion has moved up the agenda of world politics A new set of problems involving the environment technology and health care has impacted on the policy systems of states and international organizations The contributors to this collection provide a basis for understanding emerging issues on the global stage

### **Evaluating New Labours Welfare Reforms Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Evaluating New Labours Welfare Reforms has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Evaluating New Labours Welfare Reforms has opened up a world of possibilities. Downloading Evaluating New Labours Welfare Reforms provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Evaluating New Labours Welfare Reforms has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Evaluating New Labours Welfare Reforms. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Evaluating New Labours Welfare Reforms. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Evaluating New Labours Welfare Reforms, users should also consider the potential security risks associated with online platforms. Malicious actors may

exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Evaluating New Labours Welfare Reforms has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Evaluating New Labours Welfare Reforms Books

1. Where can I buy Evaluating New Labours Welfare Reforms books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
