Robert W. Sayre Sr.,2022-11-03 Are You a Whosoever Whosoever are people destined to live forever in a place beyond their wildest expectations Whosoever are becoming more difficult to identify today due their being mocked and persecuted by Hollywood the mainstream media and most of our schools and universities However the rewards for achieving whosoever status are well worth looking into How can you become a whosoever Just believe John 3 16 For God so loved the world that he gave his one and only Son that whosoever believes in him shall not perish but have eternal life Whosoever are believers in God the Creator of the universe and Jesus Christ His one and only Son who exchanged His righteous for our sinfulness Jesus paid the price for all our sins past present and future The game of life is extremely complicated and doomed to failure if you don t know all the rules The Bible is God s use and care manual and is His means used to communicate with us today In the past God communicated through various prophets Now we have God s Word the Bible to help us understand and know what pleases our creator God says that it is impossible to please Him without faith and that faith comes from hearing His

Word the Bible Today many people know that God hates idol worship However many peoples don t realize that anything that you put in front of God for example family friends possessions or power is idol worship In God s eyes hating anyone is equivalent to murder and lust for anyone but your spouse is adultery That is why we need to study the Bible to help us understand God s character Everyone sins and falls short of God s standard Romans 3 1012 There is no one righteous not even one there is no one who understands there is no one who seeks God All have turned away they have together become worthless there is no one who does good not even one This is why everyone needs a Savior Proverbs 14 12 There is a way that seems right to man but in the end it leads to death At the opposite end of the believing spectrum are the never God people Never God people not only deny God their Creator and Jesus s sacrifice on the cross but also mock believers The Apostle John called those who deny Jesus antichrists Unbelievers or antichrists will also live forever but in an extremely hot environment Instead of joy there will be weeping and a gnashing of teeth The fire in hell will burn eternally but the occupants will never die John 8 3132 To the Jews who has believed him Jesus said If you hold to my teachings you are my disciples Then you will know the truth and the truth will set you free

**Answers for the Honest Skeptic** Ted

Even,2021-07-01 It is true that mankind himself has probably always been characterized with the main desire to determine just what spiritual truth really is For centuries and centuries highly educated philosophers and religious men alike have always stood toe to toe disagreeing on spiritual truth Since they cannot all be right this would strongly indicate that education religious persuasion or even intelligence has little to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serve to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing
