*Supplement 1* H.L. Mencken,2012-02-08 Perhaps the first truly important book about the divergence of American English  
from its British roots this survey of the language as it was spoken and as it was changing at the beginning of the 20th century  
comes via one of its most inveterate watchers journalist critic and editor HENRY LOUIS MENCKEN 1880 1956 In this replica  
of the 1921 revised and enlarged second edition Mencken turns his keen ear on the general character of American English  
loan words and non English influences expletives and forbidden words American slang the future of the language and much  
much more Anyone fascinated by words will find this a thoroughly enthralling look at the most changeable language on the

Golden Book of Resentments John Doe,2016-03-30 In analyzing the various principles of Alcoholics Anonymous we now come  
to one which has come up for more discussion and which is at the bottom of more difficulties than any of all the ones listed  
This principle is THE DANGER OF RESENTMENT SELF PITY In the alcoholic frustration begot resentment resentment begot  
self pity self pity begot drinking and drinking begot frustration and frustration begot resentment and resentment begot self  
pity and on and on and on in an unending cycle until faced with the three pronged choice sobriety or insanity or death And  
then we chose sobriety in A A And we learned the principle that If the alcoholic repeated any PART of the cycle the ENTIRE  
cycle would repeat ITSELF in toto We learned through the above principle that to the alcoholic resentment and self pity  
would always remain his number one twin enemy no matter how long sober And this means that if he permits himself to  
indulge in resentment or self pity too frequently or for too prolonged periods of time he will automatically set off the  
compulsion to drink In short AN ALCOHOLIC CANNOT TOLERATE RESENTMENT If he does there automatically will begin  
the old pattern stinking thinking drinking thinking drinking And so also will it be with any part of the cycle above If the  
alcoholic takes a drink he will automatically and ultimately become full of resentments etc etc We do not know why this  
happens but we do know from long long experience that it does happen
