The Bahir Aryeh Kaplan,2001-01-15 The Bahir is one of the oldest and most influential of all classical Kabbalah texts Until the publication of the Zohar the Bahir was the most widely quoted primary source of Kabbalistic teachings The Bahir is quoted in every major book on Kabbalah the earliest being the Raavad s commentary on Sefer Yetzirah and it is cited numerous times by Rabbi Moshe ben Nachman Ramban in his commentary on the Torah It is also quoted many times in the Zohar It was first published around 1176 by the Provence school of Kabbalists the first printed edition appeared in Amsterdam in 1651 The name Bahir is derived from the first verse quoted in the text Job 37 21 And now they do not see light it is brilliant Bahir in the skies It is also called the Midrash of Rabbi Nehuniah ben HaKana particularly by the Ramban The reason might be that Rabbi Nehuniah s name is at the very beginning of the book but most Kabbalists actually attribute the Bahir to him and his school Some consider it the oldest kabbalistic text ever written Although the Bahir is a fairly small book some 12 000 words in all it was very highly esteemed among those who probed its mysteries Rabbi Judah Chayit a prominent fifteenth century Kabbalist writes Make this book a crown for your head Much of the text is very difficult to understand and Rabbi Moshe Cordevero 1522 1570 head of the Safed school of Kabbalah says The words of this text are bright Bahir and sparkling but their brilliance can blind the eye One of the most important concepts revealed in the Bahir is that of the Ten Sefirot and careful analysis of these discussions yields much of what will be found in later kabbalistic works as well as their relation to anthropomorphism and the reason for the commandments Also included is a discussion of reincarnation or Gilgul an interpretation of the letters of the Hebrew alphabet the Thirty two Paths of Wisdom and the concept of Tzimtzum

The Way of the Sith Edwin Ferreira, 2023-04-04 To be able to properly compel others and so to form influence in the world, you need to be able to master yourself. Only through self-control, ideology, metaphysics, inner alchemy, warrior ethos, traits, potency, traits, and other components can you receive the power to become ruler over self and become a leader. Not everyone is entirely suited to this task, but anyone can try. We as Sith intend to gain greater confidence, respect, and direction over our external reality. We seek out self-perfection through the work and teachings of those who master the self to have character, happiness, respect, and freedom. Self-perfection like control, exaltation, and elevating ourselves, the furtherance of respect and self-honor, can only be attained through the guidance and teachings of this world mastery book in this ongoing *The Way of the Sith* trilogy series.

Peace in the Age of Chaos Steve Killelea, 2020-10-07 While COVID-19 is reshaping our lives, this must-read book for 2021 provides some of the answers to our most pressing global challenges. Unless the world is basically peaceful, we will never get the trust, cooperation, and inclusiveness to solve these issues. Yet what creates peace is poorly understood. Amatoria Jason Potter,2022-01-04 Amatoria is partly a disclosure partly a veil and partly a revelation incorporating the poetic discovery of God as experienced by the living and the dying alike Man knows nothing of death and love until he is clothed in such yet God is always willing to facilitate the transport of life out of one and into the other Amatoria is sublime in its obscurity It has been well said that the devil led the author a little way farther up in the medulla of the brain But it is enough to know that in the self indulgent disorder of the 21st century God still kills the old way
