Christopher Okigbo, 1930-67 Obi Nwakanma,2010 Biography of the Nigerian poet whose work combined Igbo mysticism and classical influences **Another Chance** Frank Lowe,2005 If one night you met Max Neal a darkly handsome nineteen year old who was turning tricks on the streets of Denver and asked him what had brought him to this life he wouldn t have told you the truth And he wouldn t have told you about his love affair with power It was his hunger for power that precipitated the roundabout and sacrilegious journey that led to his popular charismatic priesthood But Max eventually learns that power cannot protect him from his destiny His life soon becomes inextricably entangled with those of three very different priests and a suicidal young vagrant The secrets from the past could lead to dangerous consequences or forbidden love and could cost him everything he has worked to become Max deals with his life in the only way he has known up to this point he flees from the situation by assuming someone else s identity Max continues to run from himself and his past until the day that he finally comes to the realization that he doesn t even know who he is anymore Only by rediscovering himself will he be able to look forward to the future free from the anguish and torment of his troubled past The Priest, the Woman, and the Confessional Charles Paschal Telesphore Chiniquy,1979-11 Former priest reveals a tragic danger of the confessional What happens when women are commanded under penalty of eternal damnation to confess to a man their deepest sexual thoughts and sins Former priest Charles Chiniquy continually dealt with this problem He personally heard the confessions of over 200 priests All but 21 admitted falling prey to Satan s devices in this area This book reverently and tastefully exposes why confession of sins to a man cannot be of God You ll see how this practice destroys both the priest and the person doing the confessing Memoirs of a Prodigal Priest Joseph Kofi Asuah,2016-06-01 An autobiography of Rev Fr Joseph Kofi Asuah of the Diocese of Sunyani Ghana The book explores his childhood exploits and his ministry as a priests as well as the lessons learned and the experiences that shaped his life and outlook on life in general **Modernization of Korean Theatre in the 20th Century** Meewon Lee,2024-09-02 Lee provides a comprehensive guide that traces the transformation of Korean theatre from traditional to modern theatre and examines the impact of the introduction of Western plays to Korean society

Important changes in Korean theatre are discussed chronologically from the beginning of the modernization Sinpa Theatre Singeuk Theatre Theatre of Ideology The Little Theatre Movement Madanggeuk experiments for modernizing traditional Korean theatrical arts and transitions to postmodern theatre These changes happened rapidly and coupled with Eurocentric globalization By the end of the century the reinterpretations of Western drama like Shakespeare s plays had reached a point where they received attention from the Western world Today Korean theatre keeps pace with the world theatre and strives to contribute as a member of it This book is a vital resource for scholars and students pursuing Korean studies and East Asian theatres with an authentic Korean perspective from a Korean scholar who has lived and researched in Korea The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license *A Priest's Protest for the Filial Duty of spending and being spent ... on the service and sacrifice of our Faith.
