From Satan With Love:

From Satan, with Love Virginia Coffman, 1973 From Satan to Saturn Author John O'Loughlin, 2022-04-04 From Satan to Saturn has the distinction of being the first of John O Loughlin s cyclical works of aphoristic philosophy superphilosophy and or theosophy that is a volume in which numbered aphorisms are recycled over and over as the text centripetally advances through several spirals in an ascending momentum that takes it to new heights of truthful or metaphysical insight and certitude heights that will be overhauled in due textural course as the struggle for philosophical verity or theosophical perfection continues with what could be called a badgeful as opposed to ringful vengeance **Love** Grace, 2012-11 HIGHLY FAVORED AND GREATLY BELOVED is a collection of Scriptures that can be prayed over and meditated on by the serviceman or woman who is in harm s way These Scriptures can also be prayed and meditated on by a family member or friend who has a serviceman or woman in their life here in the States or deployed around the world There is also a journal included at the end of each collection of Scriptures so readers can write their own prayer notes and special dates Some subjects covered are prayer prosperity trust and strength and victory in battle **Communion of Love** William Dewberry, 2014-07-31 Communion of Love is an overview of the Bible focusing on Gods plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in Gods plan May God bless those who love God and are interested in understanding more about the great love He has always had for people **Revelation: A Love Letter from God** Katheryn Maddox Haddad, 2014-08-14 Revelation is not a book of gloom and doom It is a book of hope A book of reassurance that no matter how bad things get in the world God is still in control and still loves us like light shimmering in the soul It was written during a time when Christians were losing jobs and homes friends and family During a time when Christians were being imprisoned tortured and killed They were laying everything on the line for Jesus Everything They needed hope They needed this love letter This is a history of the world before Jesus was born especially the world of the Israelites It is also an account of Jesus birth ministry and death It ends with the final doom of Satan and the final victory of the church the heavenly Jerusalem After all does not chapter 1 verse 19 state that John was to write therefore what you have seen past what is now present and what will take place later future The scriptures always interpret themselves therefore the author takes you through each scene with applicable background scriptures to magnify the meaning with unique clearness This is God s last love letter to the world He has done everything possible to help us escape hell including offering his only begotten son to die in our place We are his children He loves us and does not want us to be hurt He tells of the overwhelming joy he can give those who accept his Son as Lord of their life He also tells us that if we become Christians he will protect us as he always protected his children in the past This is one last reassurance One last love letter from God Cast aside all the horror stories you have been told about

Revelation View it now with fresh new eyes be awed and be showered with God's love *Snatched from Satan's Clutches* Alicia Sedillo,2021-06-11 Alicia Sedillo was unloved and unwanted from the day she was born and things didn't get any better growing up She would quickly learn how cruel cold and manipulative people could be and how they would trick her into making decisions that would ultimately lead to her chaotic life bringing undesirable outcomes and consequences Will Alicia find true love Will she find her Mr Right Follow Alicia through her adversities and hair raising experiences as she is snatched from Satan's clutches *Lights of God* Murat Ukray,2020-07-11 Are you ready to learn the world's biggest and scariest secret One day Moses saw something very interesting in the Desert A Bush was on fire such as a fireball yet it was not consumed Bible Exodus 3 Archaeologist John Smith finds a very interesting ancient Roman 2000 year old silver coin in the ancient city of Pompeii Italy in 2036 He sets out with his wife Sara and daughter Elsa to Cairo the capital of Egypt to visit his friend Professor Gregory Kravnik to analyze the coin which has some strange figures and some dates written in Roman numerals When he arrives in Cairo a sphere with a source of unknown shining like a fireball with a big explosion descends from the sky and illuminates the whole city with its light in the uninhabited desert somewhere near the Great Pyramids Meanwhile John Smith who was close to the incident received a very important information from his friend Gregory about analyzing the symbols and what the symbols on it were saying and when he returned to his hotel his car stopped suddenly after that explosion A mysterious hand touches the back of his car and he shouts Help But that night he has never even passed through his mind that the person whom he will take in his car is the one who will change the future and will be one of the most important figures in the history of mankind that three great religions await At the same time John's friend Professor Gregory Kravnik and his assistant Katya who have been working at Archeology Institute of Cairo State University is about to uncover the world's most mysterious sect which has changed the history of the world and had kept a secret for 500 years This Medieval Jesuit sect known as the Jesuits coded it into everything and described it in encrypted form in the paintings of famous painters However Gregory and John will find out before it's too late that these two big secrets with the same goal have a very important connection with the light sphere descending into the desert that night Moreover this Earth's Biggest Secret that they will learn that night has the power to change all known Religions History All these connections and codes point to a very important event that could change the world in 2036 But it won't be easy for them to learn this a deadly hustle and bustle waiting for them will also start at the same time All intelligence organizations around the world including Vatican FBI and CIA are into this incident and besides John and his family's life are now in danger Beyond all this the great prophecy which is mentioned in all Holy Books and is depicted symbolically in the Old Testament the New Testament and the Qur'an is about to come true Now with the realization of this prophecy humanity has to either face God or fight with the devil and find a new way to stop the Doomsday **Love Letters from Heaven** Mildred McMartin,2021-03-24 Each person's perception of God is unique formed by experiences and learning passed down from family friends as well as by secular and religious

teachings Some may view him as a distant demanding God ready to punish disobedience Still others view him as a genie to grant their every wish and command But God reveals himself through his word the Bible as an all powerful all knowing and personal God interested and involved in the concerns of his children Love Letters from Heaven compiled by Mildred McMartin presents a collection of prophecies that express God s lovingkindness and tender care for his children Prophecy is a spoken encouragement inspired by the Holy Spirit and is a gift to believers to encourage them as they live their ordinary lives Though many have a limited perception of who God is and how he relates to individuals the letters or prophecies in Love Letters from Heaven give humankind an opportunity to realize how much he loves them For those who have not experienced the love of Father God the letters may convince them he really does love them An Author's Love Elisabeth Balch,1889
