From Simon To Peter:

A Fragile Stone Michael Card, 2009-08-20 A Fragile Stone explores the dynamic life of the apostle Peter revisiting well known passages and revealing unexpected insights Author Michael Card sketches out Peter's life showing how the impetuous fisherman of the Gospels was transformed into the pivotal leader of the early church From Simon to Peter George Neilly, 2020-09-09 What Jesus did for an ordinary man the rise and rise of Simon Peter Simon Peter Carsten Peter Thiede, 1988 *Simon Peter* Charles Seymour Robinson, 1889 Simon Peter in Scripture and Memory Markus Bockmuehl, 2012-11-01 After Jesus Peter is the most frequently mentioned individual both in the Gospels and in the New Testament as a whole He was the leading disciple the rock on which Jesus would build his church How can we know so little about this formative figure of the early church World renowned New Testament scholar Markus Bockmuehl introduces the New Testament Peter by asking how first and second century sources may be understood through the prism of living memory among the disciples of the apostolic generation and the students of those disciples He argues that early Christian memory of Peter underscores his central role as a bridge building figure holding together the diversity of first century Christianity Drawing on more than a decade of research Bockmuehl applies cutting edge scholarship to the question of the history and traditions of this important but strangely elusive figure Bockmuehl provides fresh insight into the biblical witness and early Christian tradition that New Testament students and professors will value Simon, Who Is Called Peter Mackenzie Mulligan, 2014-04-10 When we read the Bible as a parable as a series of object lessons told merely to prove a point we miss something When we treat the people within the Bible as mere characters in a story we lose something incredibly important Object lessons are clean and simple People on the other hand are messy and complicated When we look at the life of Simon Peter we see one of the messiest people in the entire New Testament Peter walked on water and sank into the waves He proclaimed who Jesus was and completely missed the point He pledged his undying devotion to Christ and even drew a sword in defense of his Lord and then he abandoned Jesus and denied him three times Peter is also the rock on which Christ would build his church the same church of which Paul says we are a part So come Walk with Peter Fish with him Follow a strange rabbi though it might cost you everything Walk on water though you might sink Go to Jerusalem though death awaits you Stand with Peter as God uses him to build his church and watch that church grow Simon Called Peter Mauro-Giuseppe Lepori, 2009-12-17 At every stage of my life as a man a Christian a monk an abbot I have found Saint Peter to be a companion to walk ahead of me Peter is the Gospel saint who is more us than any other closer to our own humanity yet so close to Christ Peter is the one we can always follow Dom Mauro Giuseppe Lepori Simon Peter the fisherman who was both attracted to Jesus and repelled by his own weakness who in faith walked on the water and in fear began to sink the ardent disciple who promised to die for His Lord and then moments later betrayed Him who needed to reaffirm his yes to God over and over again even unto a martyr's death Is this not a model for many of us who desire to love and trust the Lord completely yet who

struggle daily to pick up our cross and follow Him Abbot Lepori's meditation on the relationship between our Lord and Saint Peter invites us to consider our own relationship with Christ As he imaginatively retells the well known stories from the Gospels he revivifies them and makes them present to us deepening our understanding of the calling we have received from Jesus and strengthening our confidence that the Lord will indeed bring to completion the work of love He has begun in us You are carried into the events narrated here and you see them with your own eyes and heart more than if you had been there from the Foreword by Cardinal Angelo Scola Patriarch of Venice **Simon Peter** Charles Seymour Robinson,2018-01-19

T. Robertson,1933

Simon Peter Bill Crowder,2016-08 Sometimes the circumstances of life can feel like the onset of an earthquake when the ground beneath our feet begins to move and suddenly we are shaken This 5 lesson Bible study examines the unexpected events that rattled Simon's world Although he had strengths and successes he also struggled with inadequacies and failures Simon was shaken by distraction By Jesus rebuke By his failure to prepare By the power of Christ But through all of Simon's seismic shifts God transformed him into Peter a stable and consistent rock Offering hope for victory over failure Simon Peter points you toward God's unfailing grace and mercy Discover how you can find stability in God grow in your faith and live boldly for the Lord in spite of the earthquake moments of life Simon Peter Leader Guide Adam Hamilton,2018-12-18

Simon Peter an ordinary fisherman who heard an extraordinary call The Leader Guide contains everything needed to guide a group through the six week study including session plans activities and discussion questions as well as multiple format options He left everything to follow his teacher and possessed a passion that would change the world That s one way to describe Peter Here s another poor uneducated quick tempered and full of doubts and fears Doesn t even sound like the same man And that s the point of Simon Peter a new book and six week adult Bible study by Adam Hamilton Peter was just an ordinary guy who heard and followed God s extraordinary call Discover how you too have special gifts talents and abilities that God can use to make a difference today In addition to the Leader Guide and DVD components for adult studies corresponding youth and children s resources sold separately can be used to create a churchwide study Chapters Include The Call of the Fisherman Walking with Jesus in the Storm Bedrock or Stumbling Block I Will Not Deny You From Cowardice to Courage The Rest of the Story *From Simon to Peter* J. Glyn Owen,1985 The story of the transformation of an obscure Galilean fisherman into a courageous preacher and leader of the early church is a remarkable one a story made all the more remarkable because Simon Peter is someone with whom we can so readily identify Impetuous and impulsive he is so human we can all see ourselves in him at some point For this very reason Christians cannot help but take courage as we see how the Lord teaches and transforms Simon It is as inspiring as it is revealing to meditate on this spiritual pilgrimage In great detail Glyn Owen follows this amazing change showing how we too can know the same transforming grace in our own lives
