From World War To Cold War

Curt Cardwell

From World War To Cold War:

Victory in Europe, 1945 Arnold A. Offner, Theodore A. Wilson, 2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable

Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin's leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace

From World War to Cold War David Reynolds, 2006-02-23 The 1940s was probably the most dramatic and decisive decade of the 20th century This volume explores the Second World War and the origins of the Cold War from the vantage point of two of the great powers of that era Britain and the USA and of their wartime leaders Churchill and Roosevelt It also looks at their chequered relations with Stalin and at how the Grand Alliance crumbled into an undesired Cold War But this is not simply a story of top level diplomacy David Reynolds explores the social and cultural implications of the wartime Anglo American alliance particularly the impact of nearly three million GIs on British life and reflects more generally on the importance of cultural issues in the study of international history This book persistently challenges popular stereotypes for instance on Churchill in 1940 or his Iron Curtain speech It probes clichés such as the special relationship and even the Second World War And it offers new views of the familiar such as the Fall of France in 1940 or Franklin Roosevelt as the wheelchair president Incisive and readable written by a leading international historian these essays encourage us to rethink our understanding of this momentous period in world history

Six Months in 1945 Michael Dobbs, 2012 About the pivotal six month period spanning the end of World War II the dawn of the nuclear age and the beginning of the Cold War

Hearings on Cold War, Korea, WWII POWS United States. Congress. Senate. Select Committee on POW/MIA Affairs, 1993

From World War to Cold War and Beyond Barbara Blumberg, 1992

The Origins of the Cold War, 2006

Access to History for the IB Diploma: The Cold War and the Americas 1945-1981 Vivienne Sanders, 2012-08-10 This series has taken the clarity accessibility reliability and in depth analysis of our best selling

From World War to Postwar Andrew N. Buchanan, 2023 Offering a global account of the long World War II this book challenges conventional narratives that picture a clearly defined war period 1939-1945 followed by a distinct postwar era dominated by the encroaching cold war Arguing instead that while some aspects of the war did end abruptly in 1945 in many corners of the world war bled directly and raggedly into the postwar such as Allied Occupation in Italy the civil war in Greece the rise of US hegemony and struggles for national liberation in India From World War to Cold War shows how critical developments in the latter half of the 20th century were a direct result of the Second World War and reconceptualizes the conflict as an intersecting series of regional wars as well as an overarching world war Offering new ways to think about how the war shaped the second half of the 20th century this book reaches into those regions often overlooked in the study of WWII Showing how wartime relations between the US and Latin America played a crucial role in the worldwide development of US hegemony how WWII accelerated the retreat from Empire in Sub Saharan Africa and how it encouraged the growth of anti colonialism in regions around the world Buchanan offers a truly global account of the outcomes of the largest conflict in human history and challenges the temporal boundaries in which we view it

The Origins of the Cold War in the Near East Bruce R. Rumbel, 2014-07-14 Bruce Rumbel takes a regional perspective to focus on postwar diplomacy in Iran Turkey and Greece and efforts in these countries to maintain their independence from the Great Powers Drawing on a wide variety of secondary sources government documents private papers unpublished memoirs and extensive interviews with key figures he shows how the traditional struggle for power along the Northern Tier was a major factor in the origins and development of the Cold War between the U S and the U S S R Originally published in 1980 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

France and the United States Frank Costigliola, 1992 France more than any other Western ally has consistently tried to maintain its autonomy from U S foreign policy by insisting on a distinctively French global view and agenda Whether interpreted as proud independence or petty intransigence such French

assertiveness has often embittered relations between the two nations and has sparked exasperation and resentment on both sides In France and the United States the Cold Alliance since World War II Frank Costigliola examines the cultural and psychological aspects of postwar relations between the United States and its oldest ally and demonstrates the way in which these less tangible factors have colored the strategic political and economic ties between the two nations This is the first major study of the two countries to look closely at the language of their diplomatic and cultural relations and in particular at the ways in which gendered metaphors and allusions subtly affect attitudes and policies The author also breaks new ground by considering how the end of the Cold War the unification of Germany the Persian Gulf War the changing role of NATO and the rise of the European Community have affected U S relations with France and with Western Europe as a whole This timely and lively account sheds light on the political and personal clashes that de Gaulle had with Roosevelt and Johnson and that Mitterrand has had with Reagan and Bush The author integrates into his political analysis the fascinating stories of the contested introduction into France of Coca Cola McDonald s Hollywood films and Euro Disneyland the controversial adoption of French theories by some American intellectuals the quarrel over AIDS and the building of the I M Pei Pyramid at the Louvre Costigliola s richly detailed account will be an important text for scholars and students of the postwar histories of the United States France and Western Europe

Not Just Another Cold War Bård Nikolas Vik Steen, 2025 Not Just Another Cold War considers how the emerging superpower rivalry between the US and China compares to the Cold War and what that means for the future of global politics By contrasting the current US China rivalry with a well understood conflict the authors provide insights into the characteristics and trajectory of the twenty first century s defining conflict With contributions from some of the world s most influential international relations scholars Stephen Walt M Taylor Fravel Odd Arne Westad Robert Ross and Thomas J Christensen among others the volume examines many of the most important facets of the US China relationship the economic and military balance the impact of technology geopolitical consequences relations between China and Russia the future of NATO and the risk of war over Taiwan Through their analysis the authors highlight key similarities between the current rivalry and the Cold War conflict but also vitally important differences The US China relationship the defining superpower rivalry of the twenty first century is likely to prove at least as dangerous and consequential as the contest that shaped the second half of the twentieth century But to understand and strategize around the current political face off it is essential to recognize that this is not just another Cold War

The Korean War 50minutes, 2017-04-28 Keen to learn but short on time Get to grips with the events of the Korean War in next to no time with this concise guide 50Minutes.com provides a clear and engaging analysis of the Korean War On 25 June 1950 North Korean troops marched across the 38th parallel the imaginary border between the North and South of the peninsula This marked the escalation of diplomatic tensions into open conflict and resulted in a three year war of attrition which claimed millions of lives Despite major contributions from Chinese American and UN forces there was no clear winner in the conflict and Korea

remains divided to this day In just 50 minutes you will Learn about the events leading up to the outbreak of war in Korea including the partition of the country after the Second World War and the contentious elections of 1948 Find out about the key figures and battles in the conflict including General Douglas MacArthur and Kim Il sung Understand the outcome of the war and its consequences which are still felt today ABOUT 50MINUTES COM History Culture 50MINUTES COM will enable you to quickly understand the main events people conflicts and discoveries from world history that have shaped the world we live in today Our publications present the key information on a wide variety of topics in a quick and accessible way that is guaranteed to save you time on your journey of discovery

Another Such Victory Arnold A. Offner,2002 This book is a provocative and thoroughly documented reassessment of President Truman s profound influence on U S foreign policy and the Cold War The author contends that Truman remained a parochial nationalist who lacked the vision and leadership to move the United States away from conflict and toward detente Instead he promoted an ideology and politics of Cold War confrontation that set the pattern for successor administrations

NSC 68 and the Political Economy of the Early Cold War Curt Cardwell,2011-06-13 NSC 68 and the Political Economy of the Early Cold War re examines the origins and implementation of NSC 68 the massive rearmament program that the United States embarked upon beginning in the summer of 1950 Curt Cardwell reinterprets the origins of NSC 68 to demonstrate that the aim of the program was less about containing communism than ensuring the survival of the nascent postwar global economy upon which rested postwar US prosperity The book challenges most studies on NSC 68 as a document of geostrategy and argues instead that it is more correctly understood as a document rooted in concerns for the US domestic political economy

Rethinking the Cold War Allen Hunter,1998 The end of the Cold War should have been an occasion to reassess its origins history significance and consequences Yet most commentators have restated positions already developed during the Cold War They have taken the break up of the Soviet Union the shift toward capitalism and electoral politics in Eastern Europe and countries formerly in the USSR as evidence of a moral and political victory for the United States that needs no further elaboration This collection of essays offers a more complex and nuanced analysis of Cold War history It challenges the prevailing perspective which editor Allen Hunter terms vindicationism Writing from different disciplinary and conceptual vantage points the contributors to the collection invite a rethinking of what the Cold War was how fully it defined the decades after World War II what forces sustained it and what forces led to its demise By exploring a wide range of central themes of the era Rethinking the Cold War widens the discussion of the Cold War s place in post war history and intellectual life

Did Anything Good Come Out of the Cold War? Paul Mason,2015-12-15 The Cold War was a conflict between the United States and the Soviet Union that partly manifested itself as a race to conquer space The Soviet Union launched the first satellite into orbit in 1957 while twelve years later the United States put the first humans on the moon Some of the many technological feats required for space travel trickled down into everyday life such as satellite television bar codes and joysticks This resource highlights

innovations that arose from the Cold War demonstrating how this long conflict helped shape today's world in some positive ways **Victory in Europe, 1945** Arnold A. Offner, Theodore A. Wilson, 2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable Historical Dictionary of the U.S. Army Jerold E. Brown, 2000-12-30 Having evolved over the past two and a quarter centuries to become the premier military force in the world the U S Army has a heritage rich in history and tradition This historical dictionary provides short clear authoritative entries on a broad cross section of military terms concepts arms and equipment units and organizations campaigns and battles and people who have had a significant impact on Army It includes over 900 entries written by some 100 scholars providing a valuable resource for the interested reader student and researcher For those interested in pursuing specific subjects further the book provides sources at the end of each entry as well as a general bibliography Appendixes provide a useful list of abbreviations and acronyms and a listing of ranks and grades in the U S Army **Leadership Education and Training (LET 1)** ,1999

From World War To Cold War Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading From World War To Cold War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading From World War To Cold War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from

dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading From World War To Cold War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading From World War To Cold War. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading From World War To Cold War any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About From World War To Cold War Books

1. Where can I buy From World War To Cold War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
