From Paul To Philippi With Love:

From Paul to Philippi with Love Anna Macey Griffith, 1985-12 **The Letter to the Philippians** G. Walter Hansen, 2009-10-05 In this commentary G Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application In so doing he emphasizes partnership the social and corporate dimensions of community in the progress of the gospel After a select bibliography Hansen s introduction sets forth the historical setting of the church in Philippi the nature and occasion of the letter and a preview of two key themes the gospel of Christ and the community in Christ The commentary itself discusses Philippians in light of these themes considering Paul s greetings reports of gospel ministry imperatives for citizens worthy of the gospel recommendations of two Christ like servants and disclosures of his personal experience Hansen s treatment as a whole is distinctive for the way it draws out and highlights the themes of partnership citizenship and friendship in Paul s Philippian letter With themes and emotions so varied the letter to the Philippians needs a commentator with a sure grasp and a warm heart Hansen writes with admirable clarity and simplicity even when he is unpacking notoriously complex matters D A Carson from the preface **Philippian Studies Lessons in Faith and Love from St. Paul's Epistle to the Philippians** Handley C. G Moule, 2020-08-14 Reproduction of the original Philippian Studies Lessons in Faith and Love from St Paul s Epistle to the Philippians by Handley C G Moule **The epistle of Paul the apostle to the Philippians** Handley Carr Glyn Moule, 1906 **Philippians, God's Love Letter** Lester Hutson, 2011-09-19 This Philippians Bible study is ideally suited for personal study and enrichment This love letter from God will bless you personally and prove to be a valuable resource and guide for teaching or preaching through Philippians The great themes of Philippians are many and sublime commitment evangelism the magnificence of Christ the salvation by Grace alone sanctification service the second coming unity and many more Dr Hutson systemically moves through Philippians with clear exegesis and explanations He shows how the church in Philippi is a model church Unlike other Pauline epistles which are characteristically stern Philippians is extremely tender He speaks affectionately to the church but also exposes the subtle danger that always threatens every good church This commentary and sermon series provides insight to life in the young church at Philippi and will cause you to see how relevant life in that church is to churches in any day **Paul's Gift from Philippi** Gerald W. Peterman, 1997-03-28 This book is a study of Paul s response to the financial help he received from the church in Philippi whilst he was a prisoner in Rome Philippians 4 10 20 has always puzzled commentators because of its seemingly strained and tortured mode of thanks Word studies psychological studies and literary studies have all failed to provide insight into the text which is unique in the Pauline corpus Using contemporary sources Dr Peterman re examines this difficult passage in the light of Greek and Roman practices and language regarding the exchange of gifts and favours in society He concludes that gift exchange or social reciprocity with its expectations and obligations permeated every level of society in Paul s day and that Paul s seemingly ungracious response was an attempt to create a new Christian attitude to gifts

Francis Nathan Peloubet, 1878 **A Classical Response to Relational Theism** Brian J. Orr, 2022-02-17 The classical doctrine of God expresses that the God of the Bible is triune, a self-simple, immutable, impassible, eternal, and the sovereign Lord over his creation which he created from himself. Modern streams of theology within the evangelical circle continue to promote a doctrine of God that sharply contrasts the classical view, the traditional view of God in Christian theism. Therefore, a critical response to such a theology is needed. This study is a comprehensive analysis and sustained critique of Thomas Jay Oord's open relational doctrine of God. Oord's model substitutes process metaphysics for classical metaphysics while attempting to retain foundational Christian doctrines that were established within a classical metaphysical framework. *St. Paul's Epistles*, 1875 [Africa Bible Commentary](#) Zondervan, 2010-08-03 The Africa Bible Commentary is a unique publishing event, the first one-volume Bible commentary produced in Africa by African theologians to meet the needs of African pastors, students, and lay leaders.
