Read the short passage and answer the questions.

Our Friendly Neighbours

My name is Maria and I live in Mumbai with my grandparents, parents, and my naughty younger brother. Our neighbours are the Naiks, who live in the penthouse. They have a pet, the friendly Beagle, named Oliver. Mr Naik always takes Oliver for a walk in the morning and comes back with little goodies for my brother and me. Mrs Naik is a great cook and whenever they cook anything the aroma floods our house and all of us keep dreaming what it is. Their children are married and live outside Mumbai.

One day, my mom was unwell and had to be hospitalised for a few days, my dad was wondering how to manage food for us. The Naiks came home and told my parents not to worry and they will manage our kitchen. Everyday, they used to come to our house in the morning by 6. 30 am and make our breakfast & lunch, which was always something different and tasty. They used to cook dinner at their home and send it to us. My grandparents also love their cooking.

My dad told me that time, it is a great virtue to help one another at times of need which I will always remember thanks to the Naiks.

1. How many people are there in Maria's house? _____
2. Where were the Naiks living? _____
3. Who was hospitalised and what was the issue because of that?

4. What did Maria learn from this incident?

5. Write down 3 good qualities you think one should have.

From Pictures To Passages:

Passages from the French and Italian Notebooks, Complete Nathaniel Hawthorne, 2022-11-22 In *Passages from the French and Italian Notebooks Complete* Nathaniel Hawthorne presents a rich tapestry of his reflections during his European travels seamlessly blending memoir with literary observation Drawing from his time in France and Italy this collection is marked by Hawthorne's signature introspection and profound attention to detail The work showcases his lyrical prose style interweaving vivid descriptions of landscapes social customs and art while engaging with thematic elements of identity culture and the complexities of human experience within a foreign milieu This literary endeavor complements Hawthorne's broader oeuvre by delving into the interplay between the artist and the environment suggesting that travel is not merely geographical but also a deeply personal exploration of the self Nathaniel Hawthorne an influential American novelist known for his exploration of morality and the human condition drew inspiration from his own journeys abroad His experiences in Europe particularly romantic notions of the past and the vibrant intellectual life of his contemporaries profoundly shaped his artistic sensibility Having dealt with themes of guilt and redemption in his earlier works Hawthorne's travel writings reflect a lighter yet equally complex engagement with culture and society beyond the constraints of Puritan heritage *Passages from the French and Italian Notebooks Complete* is a compelling read for anyone interested in the intersections of travel culture and literature It invites readers to immerse themselves in the sights and sounds of 19th century Europe as seen through the discerning eyes of a masterful observer The book is a treasure trove for those seeking to understand not only Hawthorne's literary evolution but also the broader landscape of American literature during the period

The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE Eric W. Baker,2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i e from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations
