

From Redcoat To Rebel

Michael C. Harris

From Redcoat To Rebel:

From Redcoat to Rebel Thomas Sullivan, Joseph Lee Boyle, 1997 Chronicles several years in the life of Thomas Sullivan who enlisted in the British Army in 1775 fought in the Revolution and deserted to join American forces in 1778 The journal covers about three and a half years Sullivan participated in events inc Redcoats and Rebels Christopher Hibbert, 2002 A full scale popular history of the American War of Independence *Rebels and Redcoats* Hugh Bicheno, 2003 Controversial and revisionist history of America's first civil war Accompanying four part BBC TV series written and presented by star military historian Richard Holmes Most people view the American Revolutionary War of the 1775-83 also known as the War of Independence as a popular struggle for liberty against an oppressive colonial power **REBELS REDCOATS** by historian Hugh Bicheno written to accompany a four part BBC television series presented by Richard Holmes demonstrates that it was in fact America's first civil war Employing the latest scholarship and vivid eyewitness accounts Bicheno argues that the war was the product of a broad French imperial design and greed of many prominent colonials As many Americans remained loyal to the Crown as rebelled against it and the reasons for adopting or changing sides were as varied as the men and women who had to make the unenviable decision Native and African Americans overwhelmingly favoured the British cause We hear not only the voices of Rebels and Redcoats but also of German mercenaries and aristocratic French adventurers as well as Indian warriors and Black slaves fighting for their independence which together shed new light on events that forged a nation The main loser was the French monarchy which ruined itself to gain no lasting influence over the United States while unable to exploit the distraction the war created either to invade Britain or gain control of the West Indies which at the time were considered a far bigger prize than all of North America General Richard Montgomery and the American Revolution Hal T. Shelton, 1996-03 Chronicles the life and military of a neglected hero of the American Revolution General Richard Montgomery Brave humane and generous still he was only a brave humane and generous rebel curse on his virtues they've undone this country Member of British Parliament Lord North upon hearing of General Richard Montgomery's death in battle against the British At 3 a.m. on December 31, 1775 a band of desperate men stumbled through a raging Canadian blizzard toward Quebec The doggedness of this ragtag militia consisting largely of men whose short term enlistments were to expire within the next 24 hours was due to the exhortations of their leader Arriving at Quebec before dawn the troop stormed two unmanned barriers only to be met by a British ambush at the third Amid a withering hail of cannon grapeshot the patriot leader at the forefront of the assault crumpled to the ground General Richard Montgomery was dead at the age of 37 Montgomery who captured St John and Montreal in the same fortnight in 1775 who upon his death was eulogized in British Parliament by Burke Chatham and Barr and after whom 16 American counties have been named has to date been a neglected hero Written in engaging accessible prose General Richard Montgomery and the American Revolution chronicles Montgomery's life and military career definitively correcting this historical oversight once and for all **Saving**

Washington's Army Phillip Thomas Tucker,2022-05-10 Learn the little known history of the forgotten American Revolution Battle of Pell s Point and the heroism of John Glover General William Howe and the mighty British Hessian Army possessed the golden opportunity to cut off trap and then destroy General George Washington s Army before he could retreat north and escape from Harlem Heights New York when he landed his army at Pell s Point north of New York City Howe s bold amphibious operation north of Washington s Army threatened to end the life of the Continental Army and the revolution However the brilliant delaying actions of Colonel John Glover and a small force of New England Continental troops saved the day and Washington s Army by preventing Howe s advance inland to intercept Washington s route of retreat to White Plains Employing brilliant delaying tactics when outnumbered by more than five to one Glover inflicted heavy losses on the attackers to ensure that Washington s Army survived to fight another day Ironically the Battle of Pell s Point has been perhaps the most important forgotten battle of the entire American Revolution In Saving Washington s Army renowned historian Phillip Thomas Ticker PhD recounts the little known story of the Battle of Pell s Point and the heroism of Colonel John Glover with the care and attention to detail for which he is known Brandywine Michael C. Harris,2014-03-19 Winner of the American Revolution Round Table of Richmond Book Award An impressive interpretation of the battle Arthur S Lefkowitz author of Benedict Arnold s Army Long overshadowed by the stunning American victory at Saratoga the complex British campaign that defeated George Washington s colonial army and led to the capture of the capital city of Philadelphia was one of the most important military events of the war Michael C Harris s impressive Brandywine is the first full length study of this pivotal engagement in many years Though the bitter fighting around Brandywine Creek drove the Americans from the field their heroic defensive stand saved Washington s army from destruction and proved that the nascent Continental foot soldiers could stand toe to toe with their foe Although more combat would follow Philadelphia fell to Gen Sir William Howe s British legions on September 26 1777 Harris s Brandywine is the first complete study to merge the strategic political and tactical history of this complex operation and important set piece battle into a single compelling account More than a decade in the making his sweeping prose relies almost exclusively upon original archival research and his personal knowledge of the terrain Enhanced with original maps illustrations and modern photos and told largely through the words of those who fought there Brandywine will take its place as one of the most important military studies of the American Revolution ever written Take s the reader into the fields and along the front lines A first rate military history that has a deserving spot on any student s bookshelf of the American Revolution Emerging Revolutionary War Era **Rebels and Redcoats** Hugh Bicheno,2004 Accompanying a four part BBC TV series this is the story of a vicious struggle between brothers friends and families which forged a new nation The book tells the history of the passionate violent and bloody events of America in the 1770s taking a controversial and revisionist view *All The King's Men* Saul David,2012-02-02 Saul David s All The King s Men is a thrilling history of the British Redcoat from the English Civil War to Waterloo Between 1660 and

1815 British supremacy on foreign soil was near total Central to this success was the humble redcoat soldier who showed heroism in battle and stoicism in peace despite appalling treatment This is their story of brutal discipline and inedible food of loyalty and low pay of barracks and battlefield of victory defeat life and death Praise for All The King s Men An extraordinary story packed with drama incident and great characters All The King s Men is all you could hope for Quite an achievement Patrick Bishop Country Life A heady mixture of heroism incompetence devilish tactics and plain good luck Sunday Times Filled with swashbuckling derring do the reek of blood and gunpowder combined with shrewd analysis of power war and psychology Simon Sebag Montefiore Saul David is Professor of War Studies at the University of Buckingham and the author of several critically acclaimed books including The Indian Mutiny 1857 Zulu and most recently Victoria s Wars The Rise of Empire He recently presented Bullets Boots and Bandages for BBC 4 and is a regular contributor to Radio 4

Liberty's Fallen Generals Steven E. Stry, 2012-09-30 From June 1775 to February 1781 during the American War of Independence ten patriot generals died as a result of combat wounds Their service and deaths spanned most of the war s duration and geographical expanse The generals were a diverse group with six born in America and four in Europe three coming from professional military backgrounds and the rest citizen soldiers mostly with limited military experience As the colonists won their independence the fallen generals became martyrs for the revolutionary ideals that would inspire later generations throughout the world Liberty s Fallen Generals is the first book to analyze these key military leaders service and the quality of their leadership in light of recent scholarship on the Revolutionary War Each general s profile provides background on military and political events leading to his emergence assesses the general as a military leader in the war and examines the campaign that culminated in his battle related death A compelling study in leadership and sacrifice Liberty s Fallen Generals is essential reading for those interested in learning more about America s earliest heroes

Washington's Crossing David Hackett Fischer, 2006-02-01 Six months after the Declaration of Independence the American Revolution was all but lost A powerful British force had routed the Americans at New York occupied three colonies and advanced within sight of Philadelphia Yet as David Hackett Fischer recounts in this riveting history George Washington and many other Americans refused to let the Revolution die On Christmas night as a howling nor easter struck the Delaware Valley he led his men across the river and attacked the exhausted Hessian garrison at Trenton killing or capturing nearly a thousand men A second battle of Trenton followed within days The Americans held off a counterattack by Lord Cornwallis s best troops then were almost trapped by the British force Under cover of night Washington s men stole behind the enemy and struck them again defeating a brigade at Princeton The British were badly shaken In twelve weeks of winter fighting their army suffered severe damage their hold on New Jersey was broken and their strategy was ruined Fischer s richly textured narrative reveals the crucial role of contingency in these events We see how the campaign unfolded in a sequence of difficult choices by many actors from generals to civilians on both sides While British and German forces remained rigid and hierarchical Americans

evolved an open and flexible system that was fundamental to their success The startling success of Washington and his compatriots not only saved the faltering American Revolution but helped to give it new meaning

Band of Giants Jack Kelly, 2014-09-09 *Band of Giants* brings to life the founders who fought for our independence in the Revolutionary War Jefferson Adams and Franklin are known to all men like Morgan Greene and Wayne are less familiar Yet the dreams of the politicians and theorists only became real because fighting men were willing to take on the grim risky brutal work of war We know Fort Knox but what about Henry Knox the burly Boston bookseller who took over the American artillery at the age of 25 Eighteen counties in the United States commemorate Richard Montgomery but do we know that this revered martyr launched a full scale invasion of Canada The soldiers of the American Revolution were a diverse lot merchants and mechanics farmers and fishermen paragons and drunkards Most were ardent amateurs Even George Washington assigned to take over the army around Boston in 1775 consulted books on military tactics Here Jack Kelly vividly captures the fraught condition of the war the bitterly divided populace the lack of supplies the repeated setbacks on the battlefield and the appalling physical hardships That these inexperienced warriors could take on and defeat the superpower of the day was one of the remarkable feats in world history

A Guide to the Battles of the American Revolution Theodore P. Savas, J. David Dameron, 2006-08-19 A well organized and concise introduction to the war s major battles *The Journal of America s Military Past* Winner of the Gold Star Book Award for History from the Military Writers Society of America This is the first comprehensive account of every engagement of the Revolution a war that began with a brief skirmish at Lexington Green on April 19 1775 and concluded on the battlefield at the Siege of Yorktown in October 1781 In between were six long years of bitter fighting on land and at sea The wide variety of combats blanketed the North American continent from Canada to the Southern colonies from the winding coastal lowlands to the Appalachian Mountains and from the North Atlantic to the Caribbean Every entry begins with introductory details including the date of the battle its location commanders opposing forces terrain weather and time of day The detailed body of each entry offers both a Colonial and a British perspective of the unfolding military situation a detailed and unbiased account of what actually transpired a discussion of numbers and losses an assessment of the consequences of the battle and suggestions for further reading Many of the entries are supported and enriched by original maps and photos

With Zeal and With Bayonets Only Matthew H. Spring, 2012-11-08 The image is indelible densely packed lines of slow moving Redcoats picked off by American sharpshooters Now Matthew H Spring reveals how British infantry in the American Revolutionary War really fought This groundbreaking book offers a new analysis of the British Army during the American rebellion at both operational and tactical levels Presenting fresh insights into the speed of British tactical movements Spring discloses how the system for training the army prior to 1775 was overhauled and adapted to the peculiar conditions confronting it in North America First scrutinizing such operational problems as logistics manpower shortages and poor intelligence Spring then focuses on battlefield tactics to examine how troops marched to the battlefield

deployed advanced and fought In particular he documents the use of turning movements the loosening of formations and a reliance on bayonet oriented shock tactics and he also highlights the army s ability to tailor its tactical methods to local conditions Written with flair and a wealth of details that will engage scholars and history enthusiasts alike With Zeal and with Bayonets Only offers a thorough reinterpretation of how the British Army s North American campaign progressed and invites serious reassessment of most of its battles

These Distinguished Corps Don N. Hagist,2021-12-15 During the American Revolution British light infantry and grenadier battalions figured prominently in almost every battle and campaign They are routinely mentioned in campaign studies usually with no context to explain what these battalions were In an army that employed regiments as the primary deployable assets the most active battlefield elements were temporary battalions created after the war began and disbanded when it ended This work is the first operational study of these battalions during the entire war looking at their creation evolution and employment from the first day of hostilities through their disbandment at the end of the conflict It examines how and why these battalions were created how they were maintained at optimal strength over eight years of war how they were deployed tactically and managed administratively Most importantly it looks at the individual officers and soldiers who served in them Using first hand accounts and other primary sources These Distinguished Corps describes life in the grenadiers and light infantry on a personal level from Canada to the Caribbean and from barracks to battlefield

Monument to Joseph Warren ,1905 *The Secret of the Youngest Rebel (The Secret Histories, #5)* Jackie French,2019-02-01 HIGHLY RECOMMENDED FOR ALL READERS ReadPlus on Barney and the Secret of the Whales The whisper in the darkness is rebellion Or death or liberty Frog is an orphan a pickpocket starving on the streets of Parramatta in 1804 But when the tall commanding Irish rebel Mr Cunningham talks of freedom from tyranny and the lash Frog creeps out to join the rebels the 10 000 convicts who will take over the colony and proclaim the Republic of New Ireland Will farmers like Barney and Elsie Bean join the battle against the corrupt New South Wales Corps For the fate of the colony and Australia will be decided at Castle Hill Based on eyewitness accounts this fifth title in The Secret Histories series uncovers the secrets that the colonial government hid for over 200 years PRAISE FOR THE SECRET HISTORIES SERIES French s eye for historic details makes this a compelling reading Daily Telegraph Jackie French has a knack for discovering fascinating hidden facts from our past and bringing them to life Children will be so captivated by the story that they won t even notice they are absorbing rich and memorable lessons from Australia s history Highly recommended for middle school Magpies magazine

Rebel's Knot Cryssa Bazos,2021-10-16 Ireland 1652 In the desperate final days of the English invasion love blooms for a young Irish woman against a web of treachery loss and revenge A fey young woman ine Callaghan is the sole survivor of an attack by English marauders When Irish soldier Niall O Coneill discovers his own kin slaughtered in the same massacre he vows to hunt down the men responsible He takes ine under his protection and together they reach the safety of an encampment held by the Irish forces in Tipperary Hardly a safe haven the camp is rife with danger and intrigue ine is a

stranger with the old stories stirring on her tongue and rumours follow her everywhere The English cut off support to the brigade and a traitor undermines the Irish cause turning Niall from hunter to hunted When someone from her past arrives her secrets boil to the surface and she must slay her demons once and for all As the web of violence and treachery grows and Niall find solace in each other's arms but can their love survive long buried secrets and the darkness of vengeance Rebel's Knot is the third instalment of the standalone series Quest for the Three Kingdoms is a B R A G Medallion Honoree and 2021 Discovering Diamonds Book of the Year This stunningly imagined historical romance is set against the backdrop of a vividly drawn setting a turbulent period in Irish history and the author writes about this period with fascinating details The writing is infused with realism and humanity and the characters are fully drawn and multi dimensional The Book

Commentary **ORANGEISM: A HISTORICAL PROFILE** Kevin Haddick-Flynn, 2019-11-26 Orangeism A Historical Profile traces the Orange movement from its pre Reformation beginnings in the French principality of Orange to its role in 21st century Ulster This narrative history offers a lucid account which explains how the Orange tradition took root and developed Many important events are examined including the Orange Green controversies of the 19th century the Order's role in the creation of Northern Ireland its influence during the Stormont era and its stance during the Troubles The book also features hard to get data provided on the Order's associated bodies The Apprentice Boys of Derry the Purple Order and the Black Preceptory and provides details of their rituals and lodge practices International Orangeism and the Order's role in popular culture are explained and appraised and the stage is filled with historic figures Meticulously researched and written without malice Orangeism A Historical Profile embodies a reevaluation of accepted views and includes information from unused usually sealed archives Praise for the First Edition At last there is an excellent reliable and absorbing account of Orangeism Eamonn Phoenix The Irish News A thorough and determinedly unbiased account written with great enthusiasm Niall Savage The Sunday Business Post **King's Men** Mary Beacock Fryer, 1980-01-01 King's Men is the story of the Loyalist regiments who became the soldier founders of the Province of Ontario the Loyal Colonials who joined the Provincial Corps of the British Army Canadian Command during the American revolution Mythology on the United Empire Loyalists who founded two Canadian provinces is ingrained We often envisage loyal families marching out of the victorious United States at the close of the American Revolution But these myths lead us to overlook a fascinating period in the lives of one group of Loyalists the soldiers who became Ontario's founders By the time the Treaty of Separation was signed in 1783 four full strength corps were serving in Canada These were the Royal Highland Emigrants placed on the regular establishment in 1778 as the 84th Foot the King's Royal Regiment of New York Butler's Rangers and the Loyal Rangers A fifth corps the King's rangers amounted to three full companies A detailed study on what these Provincials achieved is long overdue King's Men fills a gap in tracing the lives of these United Empire Loyalists who first fought under British command and spent a difficult period as displaced persons in Canada people whose only desire was to return to their homes in Britain's older colonies till the time

when they accepted Canada as a new homeland *The Redcoat and Religion* Michael Snape, 2013-01-11 This compelling study presents the most comprehensive examination available of the role of religion in the army during the eighteenth and nineteenth centuries Through extensive analysis of official military sources religious publications and personal memoirs Michael Snape challenges the widely held assumption that religion did not play a role in the British Army until the mid Victorian period and demonstrates that the British soldier was highly susceptible to religious influences long before the Crimean War and Indian Mutiny rendered the subject of wider public concern In *The Redcoat and Religion* Snape argues that religion was of significant even defining importance to the British soldier and reveals the enduring strength and vitality of religion in contemporary British society challenging the view that the popular religious culture of the era was wholly dependent upon the presence and activities of women Students of British history military history and religion will all find this an insightful resource for their studies

Right here, we have countless book **From Redcoat To Rebel** and collections to check out. We additionally pay for variant types and with type of the books to browse. The up to standard book, fiction, history, novel, scientific research, as skillfully as various additional sorts of books are readily easy to get to here.

As this From Redcoat To Rebel, it ends in the works monster one of the favored book From Redcoat To Rebel collections that we have. This is why you remain in the best website to see the amazing book to have.
