**Undeniable Faith** Cassandra Leigh,2025-05-06 Undeniable Faith is a true story of faith in God and the miracles that he can do for you if you give him half the chance I trusted God with my life at an early age and throughout my life I came back to him for he was the constant friend I came running to help me navigate the lies and deception of my family of birth and the abuse I endured at the hands of relatives long before I was a teenager compounding the mistakes by running from my past No one knew the hurt I carried privately for many years as I was a young girl in public school trying to survive adolescence like any other student during the eighties being bullied and name called by classmates for no reason at all As I grew and gained freedom I thought I was free from the constant input of my sister and my family but was I The monster that plagued my mind chased me for years and continued to chase me until my God set me free These horrific memories almost destroyed my life and my relationships until God healed me and set me free Join me in the journey of my life love and the healing that can only come from God      *Oriental Religions and Their Relation to Universal Religion* Samuel Johnson,Octavius Brooks Frothingham,1885      [Seeking Christ](#) David A Jamadar,2022-02-03 This book describes a three to four year period of my many mundane and ordinary interactions through the Holy Spirit interspersed with infrequent dramatic and life changing encounters such as being a conduit for healing For most of these testimonies I have tried to explain what I learned from the experience if anything I have also introduced some discussion about ideas that I have had trouble grasping such as how we as Christians should pray and fast I have also included some probably nontraditional views of mainstream Christianity including an understanding of sin and repentance with the hope that the reader may embrace the option of engaging a different perspective A different perspective does not necessarily mean agreement but rather the willingness to accept that God s ways and understanding of the universe are probably a little different from our own ideas of what we believe are the ways of our Holy Father I use scripture to support my understanding and to a lesser extent my testimonies as best I can I suspect that the scope of the material within is somewhat limited as I look primarily at healing peace prayer demonic influences and my experiences of moving into a non egoic understanding of God My overall approach is not academic but is generally experiential and in places feels almost conversational In the chapter on Prayer however it is primarily didactic I have come to believe that relationship with God through surrender is one way that we may get a glimpse of what it means to live an inclusive Christian life a life from the perspective of love      **The Wiley-Blackwell Companion to African**
