Approaching Nebo'S Peak Eulie R. Brannan,2018-09-15 As we near the end of our earthly sojourns often we look back on our journeys and reflect on the many peaks and valleys along the way Moses led a stubborn people for forty years to bring them from Egypt to the Promised Land but his mistake in not following God s command prevented him from entering Yet he was given permission to climb Mount Nebo and see the Promised Land before he died In Approaching Nebo s Peak author Eulie R Brannan reflects on his ninety year journey as he too nears his own Nebo s peak imagining Moses s thoughts and intertwining them with his own Dr Brannan has spent a lifetime studying the scriptures which has enabled him to draw on Bible characters and principles and share his insights with you by noting how the lower peaks and valleys can help us make our last great climb to the top he hopes that his spiritual autobiography will help you in your climb Like Moses you may have spent a lifetime seeking the Promised Land And as you climb to Nebo s peak and see what the Lord has given you will finally experience the excitement of a permanent homecoming Presbyterian Banner ,1902 *The National Geographic Magazine* ,1909 **The Promised Land** Nicholas Hagger,2023-09-27 During a visit to Jordan Nicholas Hagger stood on Mount Nebo where the prophet Moses stood and looked down on the Promised Land of Canaan that Moses saw shortly before he died It seemed as if all the kingdoms of the earth were spread out below him a new Promised Land a coming World State called for by Dante and Kant and more recently by Truman Einstein Churchill Eisenhower Gandhi Russell J F Kennedy and Gorbachev and Hagger himself in World State and World Constitution Combining travelogue and historical reflection Nicholas Hagger draws on previous visits to the Biblical Middle East and traces the development of his Universalism in his formative years and then in his wilderness years when like Moses he spent 40 years in the wilderness setting out Universalism in 60 books and arriving at its ten commandments He reflects on a remarkable life and its pattern and reaches some conclusions on the Providential nature of its direction and on the European civilisation Weaving together his wanderings in Arabia and Egypt his past travels and his writings he presents a coming democratic partly federal World State with sufficient authority to abolish war enforce disarmament combat famine disease and poverty and solve the world s
