and amusement Hersheypark has entertained and engaged visitors for more than 100 years The park was an important part  
of Milton S Hershey s plans for his new model industrial town built for the workers of the Hershey Chocolate factory In 1903  
even before the factory was completed he set aside land to be used as a park for picnics and family outings While originally  
established as a community park it soon developed into an amusement park as thousands of people flocked to Hershey each  
year to visit the chocolate factory and model town This book portrays the origin of Hershey Park its development as a trolley  
park and its successful transition to Hersheypark a themed amusement park at a time when many traditional parks faltered  
and failed Through period photographs and engaging narrative Hersheypark explores the growth and development of the  
park the vision of its founder Milton S Hershey its successes and challenges and how the park endured and transformed itself  
to become one of the East Coast s leading entertainment destinations      **The Garden Magazine** ,1924      **Botanic Gems**  
**Indiana Public Gardens** Alan McPherson, 2009 Tales of a Farmboy isn t just the life story of a farmer and his struggles  
though it is that too It warmly relates the peaks and valleys in one man s life told with a great depth of feeling and with great  
humility and humor Clarence Salmon paints pictures with his stories and poems and the reader can almost smell the scents  
and hear the sounds that his vivid descriptions evoke This book is filled with first person accounts of a simpler time when  
going to church meant hitching up the horse and buggy when Christmas was truly a homegrown affair and where children  
could actually go sledding down the middle of Allen Hill Road without danger It describes the author s firsthand experiences

with the traumatic events of the times such as the stock market crash of 1929 when he was a twenty year old bellhop at a well to do Florida hotel as well as the destruction of the 1938 hurricane The Storm of Storms Together Clarence and Donna Salmon have created a wonderful reading experience which follows one man s journey from cradle to old age using love faith determination strength of character perseverance and a great sense of humor A true piece of Americana     **A Sunken Garden** Stephen Francis Hamblin,1950     *Hearings Before the Committee on the District of Columbia of the United States Senate.
