Essential Grammar For Modern Chinese:

Chinese Po-ching Yip, Don Rimmington, 1997 Chinese An Essential Grammar is a clear and concise reference guide to modern Mandarin grammar. It presents a fresh and accessible description of the language focusing on the real patterns of use in today's Chinese. The ideal reference source for the learner and user of Chinese, the grammar is suitable for either independent study or for students in schools. Setting out the complexities of Chinese in short readable sections, its explanations are clear and free from jargon. The volume also features copious examples to illustrate language points, a detailed contents list and index for easy access to information, and two glossaries: one of grammatical terms and one of Chinese characters.

Essentials of Modern Chinese, with simplified Chinese example sentences Shaoxian Wen, 2014-04-01 In order to help foreign learners to learn the essentials of written Chinese more effectively, this book is compiled in a brand new pattern and up to date manner. Meticulous work has been done to simplify the complicated framework of Chinese so that the English speaking learners will find it easy to learn. The book, which consists of 18 chapters, discusses all the essentials of basic Chinese in a comprehensive and systematic way: Chinese auxiliaries, classifiers, and word groups, which so often puzzle the westerners, as well as the structures of Chinese sentences and the rules of their construction are dealt with minutely by giving numerous illustrative sentences along with their English translation. Special paragraphs are devoted to comparison between Chinese and English where necessary. This book adopts the system of Chinese grammatical terms, definition and classification prevailing in various types of schools in China, universally accepted by the Chinese people as a whole. Lastly, this book is designed to be a practical work for the foreign learners who have already mastered a certain number of Chinese words and expressions and the simple rules of Chinese grammar. It is suitable for work in class and for students or self learners working on their own.
