experience of divine presence **A Special Illumination** Rollan McCleary, 2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey s life s work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey s concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic s passion for God with the activist s passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books Radical Passion does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future **Putting on the Mind of Christ** Jim Marion, 2011-11-01 Jim Marion s book returns us to the central challenge Christianity ought to be handing us Indeed how do we put on the mind of Christ How do we see through his eyes How do we feel through his heart How do we learn to respond to the world with that same wholeness and healing love That s what Christian orthodoxy really is all about It s not about right belief it s about right practice Cynthia Bourgeault author of The Wisdom Jesus What does it mean to follow the path of Christ today Putting on the Mind of Christ is the first book to offer an integral understanding of the Christian spiritual path one that examines the basic stages of spiritual development described by the great saints and sages along with the psychological stages of development used by modern psychology American mystic Jim Marion draws upon his own rich spiritual experience and deep understanding of scriptural models to show readers how to emulate the developmental stages of the Christ how to put on the mind of Christ to achieve spiritual illumination and communion with the Christ He examines the seven levels of consciousness of the human personality mapped by the work of Jean Piaget Carol Milligan and Lawrence Kohlberg and leads

readers to the consciousness that Jesus called the Kingdom of Heaven the highest level of spiritual development Marion shows how inner spiritual growth has always been the true essence of Christian practice and shares his own spiritual experiences within a Christ focused framework Pioneering transcendent and grounded Putting on the Mind of Christ will permanently alter the landscape of 21st century Christianity **The Right to Be Out** Stuart Biegel, 2018-10-23 An updated edition of this measured practical and timely guide to LGBT rights and issues for educators and school officials With ongoing battles over transgender rights bullying cases in the news almost daily and marriage equality only recently the law of the land the information in *The Right to Be Out* could not be more timely or welcome In an updated second edition that explores the altered legal terrain of LGBT rights for students and educators Stuart Biegel offers expert guidance on the most challenging concerns in this fraught context Taking up the pertinent questions likely to arise regarding curriculum and pedagogy in the classroom school sports and transgender issues Biegel reviews the dramatic legal developments of the past decades identifies the principles at work and analyzes the policy considerations that result from these changes Central to his work is an understanding of the social political and personal tensions regarding the nature and extent of the right to be out which includes both the First Amendment right to express an identity and the Fourteenth Amendment right to be treated equally Acknowledging that LGBT issues affect people of every sexual orientation and gender identity Biegel provides a road map of viable strategies for school officials and educators *The Right to Be Out* informed by the latest research based findings advances the proposition that a safe and supportive educational environment built upon shared values and geared toward a greater appreciation of our pluralistic society can lead to a better world for everyone *Rising Up* Joe Perez, 2006-06-01 Joe Perez looks at the common issues facing gays in personal cultural social and political dimensions within a theory of everything called STEAM Building on the work of integral theorists including Ken Wilber Don Beck and Jim Marion Perez shows how STEAM can build bridges across the divides The topics include responding to religious conservatives why liberals and conservatives alike miss the big picture how to make HIV AIDS prevention efforts more effective how to renew faith purpose and dedication to truth *Boyfriend 101* Jim Sullivan, 2003-05-13 You've done the bar thing You've let your best friend set you up You've even logged on to a gay dating website But the man of your dreams is still out there just waiting for you to find him What's a gay guy to do Look no further than this book Whether you're new to the dating scene or just wanting a refresher course in *Boyfriend 101* you'll find an abundance of practical tips for meeting the right man and avoiding the wrong ones and keeping him and you interested for the long term Topics include Deciding what you need versus what you want in a boyfriend Icebreakers that actually work Expanding your social network The best places to meet men Writing a hot personal ad or online profile First date protocols or Waiting until after the third date to have sex Discussing HIV and negotiating safe sex Maintaining a healthy body image Overcoming fear of abandonment Creating healthy lines of communication with your boyfriend **The Advocate**, 2001-10-09 The Advocate is a lesbian gay bisexual transgender LGBT

monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Willa Cather's Sexual Aesthetics and the Male Homosexual Literary Tradition** John P. Anders,1999-01-01 In this first full length study of male homosexuality in Cather s short stories and novels John P Anders examines patterns of male friendship ranging on a continuum from the social to the sexual He reveals how Cather s work assumes an unexpected depth and complexity by drawing on both the familiar tradition of friendship literature inspired by classical and Christian texts and a homosexual legacy that is part of yet distinct from established literary traditions Anders argues that Cather s artistic achievement is distinguished by her sexual aesthetics an elusive literary style inextricably associated with homosexuality His analysis demonstrates how a homosexual ethos and eros helped Cather develop a sensitivity to human variation and a style to accommodate it and thus became the objective correlative of her art dramatizing the diversity of human nature as it deepens the mystery of her work *The Advocate* ,1997-06-10 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States *Rumi - Past and Present, East and West* Franklin D.
