A Certified Street King Dejah Rice, 2019-07-14 The one thing that drives us the most can be the one thing that destroys us Yet we can't live without it It's our heart that always seems to get in the way of things But when we're carrying the heart of someone else our love knows no boundaries As a single mother Fayja has always put herself last but when Pharaoh comes in the picture his desire is to put her first When she falls for him she knows that he's bound to give her a taste of a lifestyle she's never experienced however the fact that he's also a boss in the streets sends her headfirst into many situations that she hadn't prepared for When love is in the picture it's hard to let go and Fayja learns this firsthand when she falls in love with a certified street king *Multicultural Literature for Children and Young Adults* Ginny Moore Kruse, 1997 A careful selection of children's and young adult books with multicultural themes and topics which were published in the United States and Canada between 1991 and 1996 Preface p vii **Cambridge Certificate of Proficiency in English** University of Cambridge. My Kid's a Brat** E Marie Broussard, **One Year in King City High School** Cristian Saileanu, 2013-02-10 John Holbrook one of the heroes of this book once told me that he had mused his way to the conclusion that a school is to a community what the skin is to a body You see the rash on your arms and you might think that it's the skin that's sick when actually the disease is somewhere deep inside and it is only reflected in the skin Or conversely when the skin is silky smooth soft and supple and pleasant to the touch it's because the entire inside of the body is healthy It has just occurred to me that I have written a book to illustrate what John said I must confess that at times in order to better move the story along two or three real life persons have been shoved into one or one person has been split up into two Chronology has not been always rigorously followed either and real lives have been twisted to allow the sap of fiction to better flow to the heart and mind of the reader Wait Did I say fiction I'll take that back For this is not a fictional book The stories all of them without any exception the stories they are true And if they sometimes seem far fetched it's only because many times reality is stranger than fiction and also more pitiless and more brutal I have kept some of the original quizzes essays newspaper articles and classroom drawings to give the book its well deserved air of authenticity If you are a teacher you will read the book and nod in agreement If you are a parent now you know a teacher's life is not the bowl of cherries you always thought it was If you are a principal or a superintendent you will naturally want to burn the book in the public square this book is a mirror and you will not like what you see Some of the real names of the characters have been maintained Marina Argueta Elizabeth Ramirez Franklin Sosa Jose Alberto Ochoa and the rest of the Ochoa clan Hector Mandujano aka

Camar n and most of the soccer players on the KCHS varsity team have given me kind permission to use their real life names Only one character in the entire book is completely fabricated and I will allow you the reader the investigative pleasure of discovering who that character is on your own If you like the book please recommend it to your friends to that nasty brother in law of yours who gets drunk on Thanksgiving to the guy sitting next to you in the carpool or to your fellow teacher in the teacher s lounge But don t lend it to him Let him buy his own copy You see I live off the books I sell Author Saileanu Cristian
