okay to not have life completely figured out even when you reach middle age and find your first gray pubic hair She talks about making unusual or unpopular life decisions such as cultivating a friend with benefits or not going home for the holidays because you don't necessarily want for yourself what everyone else seems to think you should It's about renting when everyone says you should own dating around when everyone thinks you should settle down and traveling alone when everyone pities you for going to Paris without a man Amazon.com
