Im The Captain Early Success:

I am heartily ashamed Gavin K. Watt, 2010-06-21 The second installment in Gavin K Watt s Revolutionary War trilogy I am heartily ashamed picks up where A dirty trifling piece of business leaves off It s a new year with new challenges An incredibly fierce Canadian winter was endured before raiding was resumed against the enemy s frontiers The rebels Mohawk region defence soon fell into disarray when two colonels jostled for control Continued negotiations encouraged Vermont to not support the rebellion and the republic became a haven for loyalists escaping persecution Vermont s adherents even felt free to militarily challenge New York After the poor results of Ross s October raid Haldimand chose to alter his strategy For years his native allies had sent small war parties against the frontiers and that summer he gave command of large projects to First Nations leaders whose methods greatly challenged the rebels A new British ministry announced a cessation of arms in July soon followed by peace talks Despite the ceasefire Washington ordered an attack on the new British post at Oswego which failed miserably When Haldimand discovered that the treaty s articles threatened the security of Canada and made no provisions for the natives or loyalists he confessed My soul is completely bowed down with grief I am heartily ashamed

Mastering Leadership Robert J. Anderson, William A. Adams, 2015-11-04 Is your leadership a competitive advantage or is it costing you How do you know Are you developing your leadership effectiveness at the pace of change For most leaders today complexity is outpacing their personal and collective development Most leaders are in over their heads whether they know it or not The most successful organizations over time are the best led While this has always been true today escalating global complexity puts leadership effectiveness at a premium Mastering Leadership involves developing the effectiveness of leaders individually and collectively and turning that leadership into a competitive advantage This comprehensive roadmap for optimal leadership features Breakthrough research that connects increased leadership effectiveness with enhanced business performance The first fully integrated Universal Model of Leadership one that integrates the best theory and research in the fields of Leadership and Organizational Development over the last half century A free online self assessment of your leadership using the Leadership Circle Profile visibly outlining how you are currently leading and how to develop even greater effectiveness The five stages in the evolution of leadership Egocentric Reactive Creative Integral and Unitive along with the organizational structures and cultures that develop at each of these stages Six leadership practices for evolving your leadership capability at a faster pace A map of your optimal path to greater leadership effectiveness Case stories that facilitate pragmatic application of this Leadership Development System to your particular situation This timeless authoritative text provides a systemic approach for developing your senior leaders and the leadership system of your organization It does not recommend quick fixes but argues that real development requires a strategic long term and integrated approach in order to forge more effective leaders and enhanced business performance Mastering Leadership offers a developmental pathway to bring forth the highest and best use of yourself your life and your leadership By more
