French-English and English-French Dictionary Ebenezer Clifton, Adrien Grimaux, J. McLaughlin, 1923 *The Science of Correct Thinking* Fr. Celestine N. Bittle, 2018-02-27 First published in 1935 the author of this book has attempted to treat the most fundamental department of philosophy logic by combining the advantages of both textbooks and monographs and by avoiding undue complication and technicality Through the use of simple language and numerous illustrations Fr Bittle endeavoured to render the subject understandable and as such this book is intended as a textbook or as supplementary reading in classwork or as an introduction to philosophy for the general reader Philosophy cannot be made easy but it certainly can be made less difficult At the same time the technical side of logic has not been omitted but has been built up in gradual stages so that the mind of the student can grow with the subject Fr Celestine N Bittle Deception: An Interdisciplinary Exploration Emma Williams, Iman Sheeha, 2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 The topic of deception is an area of study that has fascinated researchers and readers alike for generations From infamous tales of espionage and conspiracy to the targeted deception of illusionists and magicians and notorious examples of deceptive statements and actions in public life the concept of deception is widely recognised by the general public The pervasive nature of deception and deceit permeating all facets of life from the annals of history to the present day means that it is an area of research that benefits substantially from an approach that crosses conventional academic and research boundaries This collection represents an interdisciplinary exploration of the concept of deception expanding the readers awareness and understanding of a range of areas including the portrayal of deception in literature and spy fiction the existence and success of literary hoaxes deception and illusion in visual art and the use of deception in both strategic and interpersonal contexts
