Walter Savage Imaginary Conversations With Bibliographical And Explanatory Notes By Charles G Crump Volume 2 London
Dent 1891 Subject Imaginary Conversations **Imaginary Conversations: Dialogues of sovereigns and statesmen**
Walter Savage Landor, 1881 **Imaginary Conversations (Classic Reprint)** Walter Savage L, 2015-07 Excerpt from
Imaginary Conversations The statement will hardly be challenged that the general reader knows almost nothing of the career
and work of Walter Savage Landor Even the student of literature unless he is specially well read and himself a classicist is
apt to know little of the author of Count Julian Gebir and the Imaginary Conversations of Literary Men and Statesmen and his
rare devotion to the Roman Muse Nevertheless he was in many respects a remarkable figure in the literary life and activities
of his age an unrivalled prose writer and a poet of the motherland of many and great gifts of whom so high an authority as
Swinburne affirms that he has won for himself such a double crown of glory in verse and in prose as has been won by no
other Englishman but Milton The eulogy may seem extravagant but it comes from one who can well appreciate the rare
craftsmanship of a fellow poet and man of letters for Landor whatever he lacked in imagination had an incomparable literary
style and did much fine creative work however wanting it was in continuity in unifying power and in the qualities that inflame
inspire and abide in the human heart With all his defects which however are mainly those of character and temperament
Landor is nevertheless worthy of high honor and his genius should win for him a more exalted place in the annals of letters
What a new century may do for him and his reputation it would be idle to speculate upon Hitherto he has sung but to the few
and fit and with all his accomplishments he has in great measure failed to win the ear of the world or to be known save for

the most part through anthologies and treasuries of choice prose About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
