Chokan Laumulin, Murat Laumulin

Kazak Social Structure:

Kazak Social Structure Alfred Emmons Hudson,1938

Consciousness S. Sabol,2003-03-13 This study concentrates upon the socio political and nationalist views of three influential representatives of the early twentieth century Kazak intelligentsia Alikhan Bokeilhanov Akhmet Baitursynov and Mukhamedzhan Seralin The resulting discourse on literature education and politics shaped the Kazak nationalist movement before 1920 This study draws on the published works of the Kazak intelligentsia the periodicals Ai qap 1911 1915 and Kazak 1913 1918 and archival records from the Central State Archives of the Republic of Kazakhstan

The Kazakhs Chokan Laumulin,Murat Laumulin,2009-08-01 Here is a well informed concise introduction to the culture and history of the vast territory of Kazakhstan equivalent to the size of Western Europe located at the centre of geographical Eurasia Written by two brothers one a distinguished scholar and the other well known in Kazakhstan s media the book focuses on the Kazakh people who today make up over half the population of some 15 million Topics covered include Kazakhstan s historical heritage including the Soviet legacy its geography and the national psychology religion and culture and how to do business Kazakhstan first appeared on the world stage in 2001 with the opening of its oil pipeline linking its vast Tengiz oil field with the Russian Black Sea port of Novorossiysk

The Elementary Structures of Kinship Claude Levi-Strauss,2016-05-10 Professor L vi Strauss s first major work Les Structures l mentaires de la Parent has acquired a classic reputation since its original publication in 1949 and it has become the constant focus of academic debate about central theoretical concerns in social anthropology It is however a long and difficult book for many students to read in French and its arguments have consequently become known even among professional anthropologists largely through critical analysis It was republished in a revised French edition in 1967 with a new foreword by the author and it is this text with his further emendations that has been used in this translation L vi Strauss applies his intellectual powers to the perennial problem of incest which he elucidates by means of the concept of exchange as formulated by Marcel Mauss in his famous analysis of the gift Essai sur le don 1925 He distinguishes two elementary modes of exchange which govern not only the conventional variety of goods and services but also the transfer of women in marriage these are restricted and generalized exchange With a mass of ethnographic evidence he demonstrates how the formidable intricacy of marriage customs comprising moral and jural ideas and institutions which appear to be essentially arbitrary can be seen as local and historical rules of exchange Charles L vi Strauss traces these rules throughout a vast range of simple societies chiefly in Australia and mainland Southeast Asia but also in the Americas in Oceania and in other parts of the world To this survey he adds two extended sections on the great civilizations of China and India He continues with a briefer consideration of the passage from elementary to complex structures with particular reference to African societies and concludes with a stimulating chapter on the principles of kinship exchange as the universal basis for marriage prohibitions and the formal relations between the sexes as part of a universe of

communication Although much of the work is technical consisting of detailed analyses of types of social organization with which social anthropologists will be most familiar it also contains much that will be of interest to psychologists linguists and philosophers and to all who are interested in the possibility and the technique of the structural analysis of human activity After the successes moreover of L vi Strauss s subsequent books notably *Structural Anthropology* *Tristes Tropiques* *Totemism* and *The Savage Mind* this new edition of the work which founded his present outstanding reputation will have additional value as a further means of contact with one of the original minds of this century The translation has been made by James Harle Bell and John Richard von Sturmer of the University of New England Australia and by Rodney Needham of the University of Oxford Dr Needham also acted as general editor and supplied the work with a new general index He is the translator of L vi Strauss s *Le Totemisme aujourd hui* and author of *Structure and Sentiment* 1962 and numerous papers which have contributed to the recognition of Professor L vi Strauss s work in the English speaking world *Extension in*

Pre-tsarist and Tsarist Central Asia Paul Georg Geiss,2004-11-23 This study written from the perspective of political sociology represents the first comparative examination of Central Asian communal and political organisation before and after the tsarist conquest of the region It covers Turkman Kyrgyz Kazakh and other tribal societies analyses the patrimonial state structures of the Emirate of Bukhara and the Khanates of Khiva and Khokand and discusses the impacts of the established tsarist civil military administration on communal and political orientations of the Muslim population **Decolonization of**

Kazakhstan Ainash Mustoyapova,2023-09-21 This book is devoted to the problem of the decolonization of Kazakhstan which is considered in the framework of postcolonial studies The author raises issues of identity historical and socio cultural heritage of nomads In addition the book examines and destroys colonial and Soviet myths and stereotypes concerning the history lifestyle and traditions of the Kazakhs Considering that imperial sentiments are increasing in Russia as a former metropolis the process of decolonization seems to be urgently necessary for Kazakhstan And this process is beginning to develop actively This fascinating polemic will interest historians scholars trying to understand the former Soviet space and scholars of Eurasia Kazakhstan, Kyrgyzstan, and Uzbekistan Timur Dadabaev,Hisao Komatsu,2016-12-09 This volume

offers perspectives from the general public in post Soviet Central Asia and reconsiders the meaning and the legacy of Soviet administration in Kazakhstan Kyrgyzstan and Uzbekistan This study emphasizes that the way in which people in Central Asia

reconcile their Soviet past to a great extent refers to the three fold process of recollecting their everyday experiences reflecting on their past from the perspective of their post Soviet present and re imagining These three elements influence memories and lead to selectivity in memory construction This process also emphasizes the aspects of the Soviet era people choose to recall in positive and negative lights Ultimately this book demonstrates how Soviet life has influenced the identity and understanding of self among the population in post Soviet Central Asian states *The Routledge Research Companion to Border Studies* Doris Wastl-Walter, 2016-04-01 Throughout history the functions and roles of borders have been continuously changing They can only be understood in their context shaped as they are by history politics and power as well as cultural and social issues Borders are therefore complex spatial and social phenomena which are not static or invariable but which are instead highly dynamic This comprehensive volume brings together a multidisciplinary team of leading scholars to provide an authoritative state of the art review of all aspects of borders and border research It is truly global in scope and besides embracing the more traditional strands of the field including geopolitics migration and territorial identities it also takes in recently emerging topics such as the role of borders in a seemingly borderless world creating neighbourhoods and border enforcement in the post 9 11 era **The complete travel guide for Kazakhstan** , At YouGuide we are dedicated to bringing you the finest travel guides on the market meticulously crafted for every type of traveler Our guides serve as your ultimate companions helping you make the most of your journeys around the world Our team of dedicated experts works tirelessly to create comprehensive up to date and captivating travel guides Each guide is a treasure trove of essential information insider insights and captivating visuals We go beyond the tourist trail uncovering hidden treasures and sharing local wisdom that transforms your travels into extraordinary adventures Countries change and so do our guides We take pride in delivering the most current information ensuring your journey is a success Whether you re an intrepid solo traveler an adventurous couple or a family eager for new horizons our guides are your trusted companions to every country For more travel guides and information please visit www.youguide.com **Qazaq Pastoralists in Western Mongolia** Peter Finke, 2023-08-31 Taking the case of Qazaq Pastoralists in Western Mongolia this book looks at the universal human requirement to balance individual flexibility and strategies designed to make a living with the social expectations that impose particular rules of conduct but also enable mutual trust and cooperation to emerge Pastoralists in Western Mongolia have experienced dramatic changes in recent decades including the dismantling of the socialist economy a series of natural disasters and an emigration of roughly half of the local Qazaq minority to the newly independent state of Qazaqstan Four aspects illustrate the chances and challenges that people face First is the emergence of the market as the dominant mode of production and exchange a thorny way full of uncertainties Second is the individual household and its adaptation to the new economic system creating new opportunities as well as precarities and resulting in rapid social stratification Thirdly patterns of pastoral land allocation highlight problems of collective action and institutional fragmentation in the wake of a retreating

state apparatus Finally social networks of mutual support and cooperation constitute a key component of pastoral livelihood but are under great pressure due to short time horizons and a lack of trust The first longitudinal analysis of the Qazaqs in Mongolia in English and a contribution to anthropological theories on human adaptability and decision making economic and social inequalities institutional change and the difficulty of deriving at cooperative solutions this book will be a standard work and of interest to academics in the field of Central Asian Studies Anthropology Human Geography and Development Studies

Index-catalogue of the Library of the Surgeon General's Office, United States Army (Army Medical Library). Army Medical Library (U.S.), National Library of Medicine (U.S.), 1945 Collection of incunabula and early medical prints in the library of the Surgeon general s office U S Army Ser 3 v 10 p 1415 1436 **Oil and Gas Law in Kazakhstan** Ilias Bantekas, John Paterson, Maidan Suleimanov, Ma?dan Kontuarovich Sule?menov, 2004-01-01 Central Asia has emerged as potentially the most important new hydrocarbon province in decades Among the countries whose natural resources are now the focus of world attention Kazakhstan is very much in the front rank The scale and strategic importance of its reserves mean that it is set to become one of the key players in the global market Realising that potential depends on many factors not least its legal treatment of the oil and gas industry The contributors to this volume consider the various dimensions of that legal treatment including investment and contractual issues dispute settlement transport and refining environmental issues and taxation The importance of the international context for Kazakhstan s domestic law is a key feature of this book as is a concern with identifying existing problems and suggesting the most fruitful direction for reform The book will be of interest to practitioners and academics working in the specific field as well as in the more general area of legal relations between the oil and gas industry and transition economies Ilias Bantekas is Reader in Law at the University of Westminster London UK He has written widely in the field of international law and won the International Committee of the Red Cross Paul Reuter prize in 2000 Visiting Fellow at Harvard Law School 2003 04 John Paterson is Reader in Law at the University of Westminster London UK He has written on the regulation of the oil and gas industry and acts as a consultant to the OECD Nuclear Energy Agency Maidan Suleimenov is Professor of Law at the Kazakh State Academy of Law and Adilet Higher Law School Almaty Kazakhstan He was directly involved in Kazakhstan s accession to the Energy Charter Treaty and has also been responsible for legislative drafting in the field *Kazakhstan* Sally N. Cummings, 2002-10-01 Kazakhstan is the largest state in Central Asia Rich in oil gas and other natural resources and sandwiched between China and Russia it occupies a key geopolitical position the importance of which was further heightened following the attacks of 9 11 and subsequent wars in the wider Middle East But Kazakhstan was born by default gaining independence only reluctantly as the Soviet Union collapsed Its political elite facing complex tasks of state building also lacked a monoethnic base on which to build its legitimacy Based on original material and extensive interviews in the capital and three of the country s regions the book places the elite in the country s broader institutional and historical context analysing their identity behaviour and how they gained and secured

power in the early independence years Kazakhstan Power and the Elite is essential reading for all those interested in the history politics and international relations of this fascinating country

Reviews of National Policies for Education: Kazakhstan, Kyrgyz Republic and Tajikistan 2009 Students with Special Needs and those with Disabilities

OECD,2010-02-23 This OECD publication reviews the current state of education policies for children with special education needs and those with disabilities in Kazakhstan the Kyrgyz Republic and Tajikistan

Teachers and Teacher Education in the Post-Soviet Context of Kazakhstan ,2025-03-27 Teachers and Teacher Education in the Post Soviet Context of

Kazakhstan uncovers how the national teacher education system has evolved from its Soviet roots aiming to meet the demands of the 21st century Featuring contributions from leading experts this book explores key topics like the internationalization of teacher education professional teacher development teacher identities recruitment retention gender equity in teacher education and teacher well being With insights from empirical research lived experiences and real world case studies this book offers fresh perspectives for policymakers educators and researchers looking to engage with Kazakhstan s educational reforms Contributors are Ainur Almukhambetova Nazgul Anarbek Arman Asssanbayev Daniel Hernandez Torrano Laura Ibrayeva Aiida Kulsary Kairat Kurakbayev Zhadyra Makhmetova Tsedisio Michael Makoele Aigerim Mynbayeva Gulnara Namysova Dana Nygmetzhanova Assel Sharimova Elaine Sharplin Mir Afzal Tajik Lyazat Turmukhambetova and Elaine Wilson

Politics and Oil in Kazakhstan Wojciech Ostrowski,2010-02-25 In Kazakhstan the oil industry plays a crucial role in its economic and political life due to the country s considerable oil revenues and accompanying conflicting interests As an arena of political struggle this industry provides a good test case for uncovering regime maintenance techniques This book examines the ways in which the post Soviet Kazakh regime has managed to sustain itself in power and the regime maintenance techniques it has used in the process of establishing and upholding its position It scrutinizes the tools that the Kazakh regime employed in order to bring the country s oil industry under its control and while doing so shifts the emphasis from the prevalent zhuz horde tribe and clan based approaches to Kazakh politics towards corporatism and patron client mechanisms of control Based on extensive field work in Kazakhstan and in depth interviews with high ranking representatives of companies working in Kazakhstan s oil and gas industry both local and foreign the National Oil Company and its subsidiaries government agencies foreign diplomats journalists and representatives of oppositional parties and NGOs this book provides a comprehensive study of the issues of politics of oil and state business relationships in Kazakhstan

The Hungry Steppe Sarah Cameron,2018-11-15 The Hungry Steppe examines one of the most heinous crimes of the Stalinist regime the Kazakh famine of 1930 33 More than 1 5 million people perished in this famine a quarter of Kazakhstan s population and the crisis transformed a territory the size of continental Europe Yet the story of this famine has remained mostly hidden from view Drawing upon state and Communist party documents as well as oral history and memoir accounts in Russian and in Kazakh Sarah Cameron reveals this brutal story and its devastating

consequences for Kazakh society Through the most violent of means the Kazakh famine created Soviet Kazakhstan a stable territory with clearly delineated boundaries that was an integral part of the Soviet economic system and it forged a new Kazakh national identity But this state driven modernization project was uneven Ultimately Cameron finds neither Kazakhstan nor Kazakhs themselves were integrated into the Soviet system in precisely the ways that Moscow had originally hoped The experience of the famine scarred the republic for the remainder of the Soviet era and shaped its transformation into an independent nation in 1991 Cameron uses her history of the Kazakh famine to overturn several assumptions about violence modernization and nation making under Stalin highlighting in particular the creation of a new Kazakh national identity and how environmental factors shaped Soviet development Ultimately *The Hungry Steppe* depicts the Soviet regime and its disastrous policies in a new and unusual light

Who Owns the Stock? Anatoly M. Khazanov, Günther Schlee, 2012-08-01 The issue of collective and multiple property rights in animals such as cattle camels or reindeers among pastoralists has never been a subject of special cross cultural and comparative study Focusing on pastoralist societies in East and West Africa the Far North and Siberia and the Eurasian steppes this volume addresses the issue of property rights and the changes these societies have undergone due to the direct or indirect influence of modernization and globalization processes The contributors also investigate the interplay of older sets of rights and modern marketing policies political ecological and economic effects of collectivization and de collectivization the existence of collective and private property in the Soviet Union and its successor states state taxation and destocking measures in African dry lands and the effects of quarantine as well as import and export regulations The rich and well researched ethnographic historical and economic data in these chapters provides new theoretical insights into the matter of property rights in animals

Curative Powers Paula A. Michaels, 2012-03-19 Finalist PEN Center USA Literary Awards Research Nonfiction Rich in oil and strategically located between Russia and China Kazakhstan is one of the most economically and geopolitically important of the so called Newly Independent States that emerged after the USSR s collapse Yet little is known in the West about the region s turbulent history under Soviet rule particularly how the regime asserted colonial dominion over the Kazakhs and other ethnic minorities Grappling directly with the issue of Soviet colonialism Curative Powers offers an in depth exploration of this dramatic bloody and transformative era in Kazakhstan s history Paula Michaels reconstructs the Soviet government s use of medical and public health policies to change the society politics and culture of its outlying regions At first glance the Soviets drive to modernize medicine in Kazakhstan seems an altruistic effort to improve quality of life Yet as Michaels reveals beneath the surface lies a story of power legitimacy and control The Communist regime used biomedicine to reshape the function self perception and practices of both doctors and patients just as it did through education the arts the military the family and other institutions Paying particular attention to the Kazakhs ethnomedical customs Soviet authorities designed public health initiatives to teach the local populace that their traditional medical practices were backward even dangerous

and that they themselves were dirty and diseased Through poster art newsreels public speeches and other forms of propaganda Communist authorities used the power of language to demonstrate Soviet might and undermine the power of local ethnomedical practitioners while moving the region toward what the Soviet state defined as civilization and political enlightenment As Michaels demonstrates Kazakhs responded in unexpected ways to the institutionalization of this new pan Soviet culture Ethnomedical customs surreptitiously lived on despite direct sometimes violent attacks by state authorities While Communist officials hoped to exterminate all remnants of traditional healing practices Michaels points to evidence that suggests the Kazakhs continued to rely on ethnomedicine even as they were utilizing the services of biomedical doctors nurses and midwives The picture that ultimately emerges is much different from what the Soviets must have imagined The disparate medical systems were not in open conflict but instead both indigenous and alien practices worked side by side becoming integrated into daily life Combining colonial and postcolonial theory with intensive archival and ethnographic research Curative Powers offers a detailed view of Soviet medical initiatives and their underlying political and social implications and impact on Kazakh society Michaels also endeavors to link biomedical policies and practices to broader questions of pan Soviet identity formation and colonial control in the non Russian periphery

The Enigmatic Realm of **Kazak Social Structure**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Kazak Social Structure Introduction

In today's digital age, the availability of Kazak Social Structure books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Kazak Social Structure books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Kazak Social Structure books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Kazak Social Structure versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Kazak Social Structure books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Kazak Social Structure books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Kazak Social Structure books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Kazak Social Structure books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Kazak Social Structure books and manuals for download and embark on your journey of knowledge?

FAQs About Kazak Social Structure Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kazak Social Structure is one of the best book in our library for free trial. We provide copy of Kazak Social Structure in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kazak Social Structure. Where to download Kazak Social Structure online for free? Are you looking for Kazak Social Structure PDF? This is definitely going to save you time and cash in something you should think about.
